Weaver Absolved Of His Father's Death

Coroner's jury absolved John Weaver, 16, of upper Demunds Road, of the death of his father, Walter Weaver, who died September 29, nine hours after a fight at the family home, having twice refused to go to the hospital.

Fund Helps Here \$6500 Goal Set;

United Appeal Goes To 4,104 Area Folks

With a Back Mountain goal of \$6500 in an overall campaign goal of \$1,250,000 for the People's Appeal of Wyoming Valley United Fund, residents of the area should be interested to learn how member agencies of the fund serve the Back Mountain area. Mrs. Edward Ratcliffe, area chairman, has supplied the Dallas Post with the following statistics.

In Dallas, Dallas Township, Kingston Township, Lake Township, Lehman Township and Jackson Township, member agencies of the fund served the following number of people: Adult Mental Health, 10; Children's Service Center, 32; Catholic Charities, 83; Family Service Association, 144; Jewish Welfare Agency, 29; Legal Aid, 30; Association for the Blind, 54; Crippled Children's Association, 200; Luzerne County Association for Retarded Children, 13; United Cerebral Palsy, 2; Mercy Hospital, 46; Pittston Hospital, 9; Boy Scouts, 741, of which 413 are residents of Kingston Township; Jewish Community Center, 62; YMCA, 545; YWCA, 282; Red Cross, 631; Visiting Nurses of Wyoming Valley, 133; Workshop Limited, 13.

Thus of more than 100,000 people served by the 45 United Fund agencies in 1963, a total of 4,104 live in the Back Mountain.

Jackson Supervisors

(Continued from page A-1)

November 1st. A citizen brought up the question of a \$10 Occupational or Right to Work Tax for Jackson Township, similar to the tax now imposed by Wilkes-Barre, his point being that everyone working in Jackson Township should pay the tax, thus giving the township additional money to run its affairs. Solicitor said he was checking into the matter.

Another citizen asked the supervisors to pass an ordinance requiring persons raising cattle or pigs to confine same to their own property and not have them run loose along the public highway, as they create a menace to motorists and damage the roads. Supervisors promised to look into the matter.

Several citizens asked why the Township was not taking advantage of the money available under the Accelerated Public Works Program of the Federal Government. They were advised by the Supervisors that they had looked into the possibility of obtaining some of this money, but at present, the Federal Fund was exhausted. A complaint was made as to the condition of the roads in Chase Manor, that same should be fixed before Winter sets in.
