THE NEW
"Personal Pocket Piece"

BY GIRARD PERREGAUX
Fine Watches since 1791

Though ultra-modern in design, the sleek contours of the Personal Pocket Piece are reminiscent of the small pieces of jade the ancient Chinese called "tranquillizing stones." When you feel the soothing satin-smooth surface of this new watch you'll appreciate the quieting effect produced by the jade as it was held and rolled between the fingers. Designed as a vest, lapel or trouser pocket watch... the Personal Pocket Piece is equipped with 3 interchangeable gold-plated chains at no additional cost. With an appropriate message engraved on the back it makes an exciting gift. See it today.

Personal Pocket Piece, 17-Jewels, water and shock resistant... 14K gold model \$150. In gold-filled \$95. F.T.I.
