KEEP YOUR PLACE CLEANED UP
Cleanliness and orderliness remove the causes of many accidents, and are fundamental for accident prevention in the home. Keep your place cleaned up by:
✓ Getting rid of any paper, trash or oily rags; clean up the cellar, attic and garage.
✓ Keep hallways and stairs clear of objects.
✓ Hang up tools securely. Have a safe place to store them. Check to make sure no articles can fall from overhead, such as in closets. Avoid where possible crowded conditions.
✓ Clean up a wet spot or greasy floor at once; keep off floors while they are wet.
