BOWLING NEWS

Thanksgiving Day is only two days away and the Dallas Post is already out, so the Bowling News looks as if it took a holiday. Not all the leagues usually included have been covered this week because the copy had to be in before some had bowled. However, everyone excluded will be in next week.

HAPPY THANKSGIVING!

Linear

This league has stretched out to fourteen teams, including the original Idetown Bears and Harveys Lake Service Club leagues. It is a mixed league and is made up of all sorts of averages, beginners, average bowlers and old-timers. They have been rather neglected in this column this season, because I had a tough time getting the men separated from the women and so I could not give credit to anyone for high games rolled. But, here we go.

November 3rd found Charlie Higgs top scorer with 213-233 (615) for Boiler Room and team mate George Groff hitting 196 (569) as they took all 4

Younger girls are continuing to join the Back Mt. YMCA in order to participate in the baton class, gymnastics, games and other activities every Saturday morning, from 10:00 to 12:00. Last Saturday, the girls capped their fun with an exciting scavenger hunt. Everything from paperclips to chalk were among the items collected. While baton and gymnastics form the basic program, the girls will also have crafts, learn to sing, see some folk dancing and several other surprises in the weeks ahead.

Members enjoyed a "Splash Party" at the Central YMCA on Friday, November 20. George Williams accompanied the members on this

trip. Splash Parties are every first and third Fridays from 8:00 to 10:00 p.m. Those who attend must register the day before, so that a bus may be reserved.
