Dr. David W. Kunkle, Trucksville Takes Joan E. Roberts As Bride

Miss Joan Elizabeth Roberts, 38 Bethel Street, Wilkes-Barre, daughter of Mr. and Mrs. Alfred Roberts, Claymont, Delaware, became the bride of Dr. David W. Kunkle, son of Mr. and Mrs. Warden Kunkle, 86 Carverton Road, Trucksville, at First Presbyterian Church, Wilkes-Barre, on Saturday, December 5 at noon.

The ceremony was performed by Rev. Benjamin Jacobson and Rev. William A. Smith. Richard Ayre played the wedding music and Luther Balliet was soloist.

The bride who was given in marriage by her father wore a full length gown of white bouquet taffeta and Chantilly lace styled with a portrait neckline, fitted bodice and long tapered sleeves. The apron skirt had a front panel of lace and a sweeping chapel train enhanced by three tiers of lace. Her fingertip veil of illusion arranged in three tiers fell from a crown of lace and pearls. She carried a Colonial bouquet of white roses and pompons with an orchid in the center.

Mrs. Elton Brace, East Dallas, matron of honor selected a full length gown of mandarin blue bouquet taffeta fashioned in an Empire silhouette with scoop neckline and elbow shy sleeves. The A-line skirt fell from a band at the waist enhanced by a cabbage rose and the back featured a detachable wateau train. Her headpiece was a matching open pillbox with Dior bow and circular nose length veil, and her Colonial bouquet was of blue mist and white pompons.

Bridesmaids were Miss Shirley Bromfield, Mrs. Charles Harry, both of Wilkes-Barre; Mrs. James Griffith, Harveys Lake, and Mrs. Norman Phillips, Spottwood, N. J. They were dressed identical to the matron of honor in Persian rose shades and carried bouquets of azalia pink and white pompons. All wore single strand pearl necklaces,

Accutron...the Only Timepiece that Hums...

That's because it does away with tick-tock parts (the hairspring and balance wheel) that limit the accuracy of all watches. Instead, the Accutron has a tiny tuning fork that vibrates 360 times a second - translating electronically-controlled energy into time superbly accurate. There's no winding - no usual maintenance.
