

### Dallas Senior High School News

by Bruce Hopkins and Linda Davies

#### The Last Cheer

The basketball and wrestling seasons have almost faded out for another year. The girls' basketball team will complete their season tomorrow afternoon when they play host (or is it hostess) to Forty Fort High School.

The boys' team concluded their season Tuesday evening at Lake-Lehman High School.

And, finally, the Dal-Hi grapplers completed their actual season last Saturday when they visited Hanover High School. Officially, however, the season will not be over until the P.I.A.A. Districts, Regionals, and Finals which will take place during the next three consecutive weekends. Best of luck to all of those participating!

#### The Amateur Hour Dept.

Rehearsals have now started for the annual Student Council Variety Show scheduled for March 5. This year's chairman is Nadine Kuderka who is confident that we will see some excellent talent in the show.

#### "Green, Green"

The Future Homemakers of America will sponsor a dance on Friday evening March 5. Music for the "Shamrock Shake" will be provided by the Royal Aces and dancing will be from 8 - 11. Be sure to wear your green, bring your four-leaf clovers and we will see you in the gym.

#### College Roulette

Congratulations to the following students who have been accepted by the various colleges of their choice: Ann Woolbert, Ursinus; William Roberts, King's College; Karl Scholl, King's College; Sharon Evans, College Misericordia; Kenneth Higgins, Drexel; Judy Bergstrasser, Millersville.

#### A New Addition

We are happy to welcome a new student to the Sophomore Class. He is Carlyle "Buddy" Rogers who comes to us from Walt Whitman High School, New York City. We would like to wish Buddy the best of luck and we hope he enjoys his student associations here.

#### F. T. A. News

Under the direction of Miss Foley, twelve members of the F.T.A. took a trip last week to the School for The Physically Handicapped in Swoyersville. It was a very interesting and educational experience. The courage displayed by the children in the school, and their eagerness to learn was heart-warming. Even though many had difficulty speaking because of muscular ailments they nevertheless attempted to answer every question. It is a pity we who are sound in body don't try half as hard. Our thanks to those responsible for making this trip possible, to Miss Foley and to Mr. Trimble, who drove the students to the school.

Thursday's assembly program was by far the most informative we have had all year. Mr. Perry, Space Science Lecturer for the National Aeronautics and Space Administration, presented a most interesting program on the "Space Age."

## NOXEN

A party was held at the home of Mrs. Calvin Strohl on Monday evening. Present were: Mesdames Donald Meeker, Beverly Dougal, Guy Fritz, Cora Dougal, Raymond Kelly, Thelma Leach and the hostess. Mrs. Richard Smith entertained the following at her home recently: Mrs. Joseph Luketic, Kathie Gayle, Linette and Joyce, Wallace Traver, Lillian Traver, Barbara Cundiff, Bernice Hoyer, Mrs. Thomas Swire, Peggy and Linda, Mrs. William Belles and June, Yvonne and Paula Smith and Mrs. Warren Montross.

Mr. and Mrs. Donald Meeker visited her father, Ellis Meeker, Herrickville, Pa., on Sunday.

Mr. and Mrs. Elmer Caldwell and

Mr. Perry demonstrated the principle of Newton's laws concerning action and reaction and the effects of the combustion of the fuel in these rockets. He used an alcohol flame on which he poured a controlled amount of liquid oxygen to show how combustion occurs in a rocket. He explained the H<sub>2</sub> - O<sub>2</sub> fuel also.

He described the launchings of each of our rockets and their purposes. He showed us how each rocket performs its own particular job, such as the method by which the Pegasus will study meteoroids, the method by which Telstar and its relatives operate to bring T.V. pictures to all parts of the globe, and he showed the benefits we have received from the satellites which study our weather.

Already, thanks to information gathered from these satellites millions of dollars worth of property and hundreds of lives have been saved as in Texas where the people were given a three day warning to evacuate. It is estimated that our weather reports will be 200% more accurate for one month reports, as compared to our present two week reports. This will benefit farmers and will effect not only agriculture, but many other facets of our economy as well.

Mr. Perry stated that the new materials for Space Flights have resulted in better glassware for cooking, improved ceramics which can be heated or cooled to extreme temperatures (Corning Ware) and a new plastic, which although half as thick as a human hair, has one-third the tensile strength of steel.

Mr. Perry went on to point out how each of us can help the Space Age. He said we need technicians, clerical workers, carpenters, space nurses and space doctors as well as Space Engineers and Scientists. Our Space Age industry employs more people than the Automobile Age. These changes made in our living are bringing two new jobs for every one they take away.

#### Awards For Agribusiness

Awards for students in the two-year agricultural business program of the College of Agriculture at The Pennsylvania State University have been established by an anonymous donor.

One award of \$200 will go to a student who has completed three terms of work successfully and is in financial need. The second award of \$100 will be given to a student who has completed three terms and has the highest scholastic average.

Fifty-one students are now enrolled in the new two-year agricultural business training, all of them at the Altoona Campus for the first year's program. Award winners will be selected by the scholarship committee of the College of Agriculture, the faculty of the Altoona Campus, and by those in charge of the two-year program.

### DALLAS Junior High NEWS

by Tim Bauman, Barbe Kyle, Nancy Crispell

Our Falcon basketball team was defeated by West Side Catholic 82 to 72. We came through with a brilliant offense but a rather sloppy defense which brought the defeat. Nick Perrella led us in points with 19, Jim Harris had 15, Ed Rome came through with 18 and Rick Letts had 8. On Tuesday, February 16, we traveled to Plymouth only to be turned back 60-42. We could not do anything right on either offense or defense. The main cause of our defeat was missing too many shots. High scorers were Jim Harris, Pete Wettstein, and Bob Parry, all with 8 points. Our record stands at 3-4.

Miss Burke, Miss Maganella, and Miss Ginsulo, all from College Misericordia are our new student teachers. Miss Burke is now a senior and is majoring in history. She resides in New York and is teaching with Mrs. Whitty's Classes. Miss Maganella is teaching with Mr. Camp's music classes, and lives in Wilkes-Barre. Miss Burke of New Jersey is teaching Mrs. Cathrall and Mr. Domek's classes of English. We would like to wish them best of luck in their future teaching careers.

On Monday, March 15th, the Falcon wrestling team defeated Kings-ton 66 to 51. Nearly everyone wrestled and all made out pretty well.

There is finally some light in the future for those of us who are mired down in our algebra. The Student Council in conjunction with the algebra teachers has set up classes held Thursday and Friday after school.

#### Pfc. W. Javer Learns Copter Maintenance

Pfc. William A. Javer, son of Mr. and Mrs. Anthony M. Javer, 117 Lakeside Drive, Harveys Lake, completed a helicopter maintenance course at the Army Aviation School, Fort Rucker, Ala., February 19.

During the five-week course Javer received specialized instruction in the maintenance of single-rotor observation helicopters.

#### Stephen Welitchko, USCG Has Returned To Hawaii

Electrician's Mate Third Class Stephen E. Welitchko, USCG, son of Mr. and Mrs. Stephen Welitchko, Route 3, Dallas, has returned to Honolulu, Hawaii aboard the U. S. Coast Guard Cutter Boring Strait, after a three month cruise to the Western Pacific, including a two week visit to Japan.

His ship maintains constant patrol on an ocean station in the Pacific. While on patrol the ship provides a navigational check point for trans-oceanic ships and aircraft, and relays weather information to the U.S. Weather Bureau.

The vessel is also prepared to conduct search and rescue missions should the need arise.

In addition to fulfilling these missions, while on patrol the Bering Strait rendered assistance to two disabled merchant ships and gave medical advice to two others with ill or critically injured persons aboard.

#### Truckville PTA To Honor Service Clubs

Truckville Elementary PTA will meet Monday at 8, Hayden Evans presiding.

Honored at this time will be service clubs of the community: Kiwanis, Rotary, American Legion, Girl Scouts, Boy Scouts, and Citizens Committees, representatives from each organization speaking briefly on its work and objectives.

From 7:30 to 8, teachers will be in their rooms. Parents are asked to sign the register in their child's room.

Fourth grade mothers will serve.

#### Educational Secretaries, At Exeter High School

Meeting of the Luzerne County Association of Educational Secretaries was held on Thursday, February 18, at Exeter High School. Lucille Petrucci, Secretary of Exeter High School, introduced the speaker, Leo Kay, who presented a very interesting program on the life of our late President, John F. Kennedy.

The following secretaries were present: Patricia Olsweary, Larksville High School; Bruce Blackman, Forty-Fort Schools; Ida Mesinger, Forty-Fort Schools; Eleanor Helen Melvin, Pittston High School; Annamaria Sevatsky, Pittston High School; Margaret D. Williams, West Pittston School; Jeanette Smiles, Wyoming Seminary; Ruth E. Evans, Myers High School; Betty Gensel, Dallas Area School; Bette Grose, Dallas Area School; Sharon Todd, West Pittston School; Lois J. Morrow, West Pittston School; Lucille Petrucci, Exeter High School; and George M. Stolarick, Lake-Lehman Area Joint School.

Next meeting of the association will be held on May 20, at West Pittston High School.

#### Hammond Organ Group Meets At Mingus Home

The Back Mountain Chapter of Hammond Organ Society met on February 10 at the home of Mr. and Mrs. Preston Mingus, Sweet Valley. A valentine motif prevailed in the decorations, entertainment and refreshments.

Plans are being formulated to visit Valley Crest on March 17, a committee was appointed by President R. Willard Reese to recommend places available for the society's second anniversary party in April.

Present were Mr. and Mrs. Donald Bunney, Mr. and Mrs. Richard Britt, Mrs. John Gelsleichter, Mr. Thomas P. Kane, Mrs. William Krimmel, Mr. and Mrs. R. Willard Reese, Mr. and Mrs. Fred V. Swanson, Mr. and Mrs. Burl Updyke, Mr. and Mrs. James Yoder and the host and hostess.

Next meeting will be held on March 10 at the home of Mr. and Mrs. Richard Britt, Shavertown.

#### Pfc. William J. Fielding Trains In Germany

Army PFC William J. Fielding, son of Mr. and Mrs. Fred R. Fielding, Route 5, Shavertown, Pa., is participating in a two-week field training exercise being conducted by the 3rd Armored Division near Grafenwohr, Germany.

During the five week course Javer Feb. 28, Fielding is receiving extensive training in weapons firing and small unit tactics.

Fielding, regularly assigned to Company C, 2d Battalion of the division's 36th Infantry near Kirch Gons, Germany, entered the Army in April 1964 and arrived overseas the following December he received basic training at Fort Jackson, S.C.

#### Lake Louise's Bull Is Summarized Sire

Lake Louise King's registered Guernsey bull, owned and bred by Raymond Goeringer, Dallas, has become a Summarized Sire, according to The American Guernsey Cattle Club. To attain this distinction a bull must have at least 10 daughters with official production records.

"Ambition," has 10 tested daughters that have made 18 official production records. Their average production is 10,271 pounds of milk and 549 pounds of fat, when converted to a twice daily milking, 305-day, mature equivalent basis.

This bull's sire was Lake Louise Coronation King and his dam was Lake Louise Anthracite's Patsy. She has 5 official records including one of 18,691 pounds of milk and 912 pounds of fat.

### LAKE LEHMAN High School News

by Kay Keefer

#### Junior Prom

Preparations for the Junior Prom, to be held on April 29, are now underway. Miss Lameroux, class advisor, is in charge. General chairman for the prom is Mildred Case, with Chip Sorber as co-chairman. Chairman for the committees are: decorations, Rita Zbick, invitations, Gail Kagan, refreshments, Pamela Hoyt, tables, Pat Marchakitus, receiving line, Chip Sorber, band, Linda Minor, reservations, Donna Bryant, and clean-up, Ted Higgins.

#### Band, On Television

The Lake-Lehman High School Band, under the direction of Mr. Miliuskas, appeared on television on Channel 28 on Sunday, February 21. Their appearance was sponsored by Lee Vincent.

They presented three songs, the main song being "P-Double-N-SYL-VANIA" the new state song for Pennsylvania.

Each band member received a certificate, with the government seal on it, stating that he is now an ambassador to Pennsylvania.

Mr. Miliuskas also received a certificate which will be placed in the trophy case, in the lobby of the high school.

The Lake Lehman wrestling squad will have twelve entries in the wrestling P.I.A.A. District 2 Eliminations to be held in the Wilkes College gymnasium on February 26th and 27th. The quarter finals will be held on Friday evening at 6:30. The semi-finals are scheduled for 1:30, Saturday evening.

Junior Class of "6", under the direction of Miss Lameroux, will begin their annual Easter Candy Cam-

paign on March 1. The campaign will be extended until March 12. Profits from this campaign will go toward their trip to Washington, D.C. in their senior year.

Students have recently selected their courses of study for the school year "65-66". Courses offered were Academic, Commercial, Vocational Agriculture, General Agriculture, Home-Economics, General and Vocational Technical.

#### Dead Walk

The Junior Play entitled "Dead Walk", a mystery-comedy written by Donald Payton, is now in preparation. A matinee and evening performance will be held on March 5.

Mr. Francis Wilczewski is the faculty director with Beverly Bellas as student director and Chuck Quick as student co-director.

The plot of the play centers around the funeral of a Mr. Quigley who was believed to be murdered. As time tells, he wasn't really murdered at all, but an attempt was made on his life. To catch the guilty party, he stages a phony funeral.

The fun begins when two young boys, visiting the home of the mortician, start out to solve the case, only to find the late Mr. Quigley alive and kicking.

The cast consists of: Mike Casey, Joe Stager, Donna Bryant, Linda Baker, Judy Kocher, Mildred Case, Randy Calkins, Gail Kagan, Phillip Toluba, Walt Ragukonis, Rita Zbick, Barry Ray, Jeanne Kern and Charles Vanderhoff.

A wrestling meet was held at Dallas High School on February 17. Lake-Lehman won with a score of 35 to 15.

Crestwood was the scene for a basketball game held on February

#### Apply Now For Test

The National Merit Scholarship Examination will be written on Saturday morning, March 13, at the Dallas Senior High School. The examination will start promptly at 8:30 and will end at noon. Any interested Junior may apply for this examination with their homeroom representatives. There are a limited number of examinations left and it will be first come, first served in handling any late requests. To date, sixty (60) juniors have applied for the test.

#### Local Bankers Attend Clinic In Philadelphia

William R. James, Kingston National Bank, Fred Fowler, Herbert J. Morris and George Sowerby, First National Bank of Wilkes-Barre, John B. Henning Jr., and Earl McCarty, Wyoming National Bank are among the nineteen Luzerne County bankers who are attending the two day bank operations clinic at the Bellevue Stratford Hotel, Philadelphia, today and tomorrow.
