Oak Hill

Hi, friends. There was a shortage of news last week, so we took a little vacation. However, we're now back at the typewriter to report the latest.

Mr. and Mrs. Frank Lengyel of Sunset Drive, Orville Ide, and Barbara Volovich have returned home after visiting Mr. and Mrs. Lengyel's son, Dan, who is stationed at Cape May, New Jersey, with the Coast Guard. Dan, a graduate of Lake-Lehman High School enlisted on January 5, and is now undertaking his boot training.

Arthur Hilbert, father of John Hilbert of Pine Street, was rushed to Nesbitt Hospital recently in the ambulance. We hope he is well on the road to recovery by now.

Willis Gentile, another ambulance patient, is in General Hospital. He is president of the Lake-Lehman P.T.A. Get well, Willis.

We have another new little resident of Oak Hill—the baby daughter of Mr. and Mrs. George Tattersfield of Laurel Drive—who arrived on February 21st at Wombling Valley Hospital. She is the couple's first child. Congratulations!

Mrs. Eula Myers of Sunset Drive recently spent a weekend in Philadelphia, and Washington, D. C.

Several of the Oak Hill Cub Scouts from Pack 241 received awards at the Blue Gold dinner held last Thursday at the Lehman Fire Hall. We hear from our better half and our oldest offspring (bless them both) that the meal was delicious and the program entertaining. Those who received awards were: Jeffrey Davis, Robert Baker; Scott Bingham, Robert Baker; Bill Frev, Jr., Bear badge; Jeffrey Smith, Bear badge; Francis Ferial, Wolf badge and gold arrow; Donald Rollman, Wolf badge and gold arrow; Francis Gilson, Wolf badge and gold arrow; Michael Frey, Wolf badge and gold and silver arrows; Scott Grimm, two silver arrows; Steve De Barry, Jr., one gold and two silver arrows. Congratulations, boys! We really don't need to worry too much about the future of boys who belong to such an organization — to our way of thinking. The training which they receive at Cub and Boy Scouts combined with the proper guidance at home should make good, proper citizens of them all.

Mrs. William Frey and Bill, Jr. and Mike, and Mrs. Roger Phillips with daughter, Pam, journeyed to Bloomsburg last Saturday to see a play at the College in which Mrs. Frey's daughter, Alana, was a participant.

It certainly was a pleasure to see the Lake-Lehman Band on television recently and to know that they have had still another honor awarded to them. We believe that everyone in this area can be justifiably proud of this organization and their excellent work. Congratulations (heartiest, at that) to all of the members and their director, Mr. John Miliuska!

We extend our very deepest sympathy to Mrs. Grace Martin and

Miss Frances Linskill, of Maple Drive, on the death of their nephew, David Powell, of Bloomsburg.

Have a good week, folks! Thanks to those of you who phoned in news items. I'd love to hear from the rest of you.

Motorists are advised to keep to the right when pulling out of Center Street and Harris Hill Roads, east of the highway in order to trip the lights for crossing.

SHAVERTOWN

A Good Samaritan

Last week one morning, the weather was not the most pleasant and Fred on stopping at the stop sign at Pioneer Avenue and the highway suddenly found the car stalling.

Traffic flew by and work was waiting still no response from the vehicle, when a gentleman passed, stopped and backed up to see if he could offer a hand.

Despite the fact that he, too, was on his way to work, the Good Samaritan took the time to push the Ford into Luzerne where the trouble was taken care of.

That evening while shopping, we met the unidentified rescuer and it was none other than John Konaavay, Dallas, a gentleman who is always willing to help his friends and neighbors. I had known John for some time and it is with feelings of deep gratitude that we publicly thank him for his kind assistance.

Township auditors have completed their work and the report will be published soon.
