Brides-to-be nominate Brookdale by LENOX

... as their best-loved pattern!

Never before have so many brides registered for a new fine china pattern in such a short period of time! And no wonder. Brookdale, one of the loveliest Lenox patterns, is very "today". Trimmed in gleaming platinum, it's easy to design with. Yet Brookdale is utterly romantic, with its wreath of snowy orange blossoms accented by jewel-like raised enamel centers...a treasured reminder of your most wonderful day. 5-piece place setting \$25.95.

OPEN 7 DAYS A WEEK 9 A.M. --- 10 P.M.

The first shipment arrived in New York in the 1800's after a long sea journey from Cuba. Most merchants sold them as curiosities. It wasn't until the beginning of this century that **BANANAS** became a familiar sight to the American public.
