

Dallas Senior High School News

by Bruce Hopkins and Linda Davies

So Who Needs Ted Mack?
The annual Student Council Variety Show was presented last Friday night with a lot of varied and excellent talent presented and the show's chairman Nadine Kudka, did a fine job in rounding up the talent. Nadine would like to thank all of those who participated in this year's show and also any others who contributed to the show's success. The acts presented were as follows: Humorous skit, Deborah Keller and Bruce Hopkins, entitled "The Lovers"; a piano set, "Jamaica Rumba", by Patty Irwin and Susan Moore; a saxophone solo by Larry Heycock; Millie and The Models, (Jan Shafar, Eileen Rattigan, Chris Steele, Andy Andes, Kathy Bomberber, and Chad Higgs) who danced to "You Were Meant For Me"; a piano melody by Scott Alexander; "Trumeter's Lullaby", a trumpet trio with Bob Wiley, Warren DeWitt and Tom Rowett; the Waterleers, who pantomimed the record "Water-o"; an accordion solo, "Shangrilla"; Gary Hozeppa; the Noyce, a combo; The Hootenuts, a group of Senior girls and the Comets.

The Dance Scene
The "Shamrock Shake" was held last Friday night from 8 to 11 in the high school gym. The F. H. A. sponsored dance was a great success. Music was by the Royal Aces and the gym was decorated in the typical St. Patrick tradition. Thanks, to the Homemakers, for a real teen eye!
Coming up tomorrow night is a Junior Dance from 7:30 until 10:30. **Future People Of America News**
Final tabulations are coming in the future plans of the members of the Class of '65. The following have recently been accepted by the colleges of their choices: Donald Oldredge, Wilkes-Barre Business College and Jack Mallin, Blooms-

DALLAS Junior High NEWS

by Tim Bauman, Barbe Kyle, Nancy Crispell

Best wishes to Mrs. Goldsmith, our school librarian, who is recuperating in the hospital after a recent illness. We hope that she will soon be up and around and able to return to school.
Attention for students who are having difficulty in their Mathematics course! Do you think that a class or two after school might help? There will be math classes after school on Thursday and Fridays from three to four in the afternoon. We would enjoy your company. There are volunteers that will help you struggle in the course if there's a struggle to be helped.
Next Friday night, March 12, will be Parent's Night for the basketball program. Play-offs will be played in the seventh, eighth, and ninth grade intermural leagues. Competition will start at 6:30.
The Chess tournament is still in progress. Dennis Wright, Paul Turner, Brian Farrell, and Clifton Dungey are the four final contestants for the champion ship.

EAST DALLAS

Mary Lane Jerista, Medical student at Womens Medical College, Philadelphia will be visiting her parents, Mr. and Mrs. John Jerista, over the weekend.
Laura Jerista was confined to her home through illness during the past week.
Speaking of those that were ill, Albert Matukitis missed the whole week from school because of illness. Enjoy your vacation if you can, there is a lot of work waiting to be made up!
Friendship Class
Friendship class of the E. Dallas Methodist Church held its monthly meeting at the Church with Marilla Stanton as hostess. Plans were made for a covered dish supper to be held March 20th, 6 p.m. in the Social Room of the church. The public is invited; each person is to bring his own place setting, and bread and butter. Meat, beverage and dessert will be provided. Present at the meeting were: Riba Colleigh, Albert Cook, Helen Dickinson, Beatrice Ockenhouse, Virginia Howell, Priscilla Coolbaugh, Hilda Moore, and Marilla Stanton. The next meeting will be held on April 6th at the church.
Choir practice will be held at E. Dallas Church tonight at 7 o'clock.
Rusty Eyer is still carrying around his load of concrete on his right arm. Rusty's arm has been in a cast for six weeks. He has put these six weeks to a good use—instead of letting the cast ruin his appearance he has used his slings to enhance his appearance, since he changes his sling to match his clothes.
What's going on under the hood these days—I noticed in last week's Post a car caught on fire; that makes the third in the past month that I know about. Bill Burket in Orange had a similar experience and we ourselves started up our jeep to find the motor on fire. Its a weird experience. We managed to get the fire out, now that the "horse has run away, we've locked the stable door" in other words now we carry a small fire extinguisher.
March 4th, Mr. and Mrs. Wilbur Robbins, Harding, celebrated their 26th Wedding Anniversary by spending the evening with Myrtle Miller of E. Dallas. When a young man, Wilbur worked for her and lived with Bert and Myrtle on a farm near Orange, for about sixteen years, so it was like being back home to celebrate their anniversary together.
New cars are becoming as common as new spring hats—and just as colorful. I understand Mrs. Ray Goeringer is sporting a new Spanish red Chrysler.
Mrs. Ann Compton, Maplewood Heights, has returned home from Nesbitt Hospital where she underwent surgery.
Fred Dodson, cousin of Lester and Roy Moss, was also a patient in Nesbitt Hospital.
Mrs. Everal Eaton, underwent surgery in the Pittston Hospital last week.
I understand our out-of-town friends (former residents of East Dallas) enjoy reading the East Dallas News Column. That works both ways, folks in East Dallas would enjoy hearing some news from you. Drop us a line and tell us something interesting about your-
R. D. 3, Dallas, Pa.
Mrs. Alex Cook is convalescing at the home of her daughter, Mrs. Beatrice Martin, Roushey Plot.
Harry Howell, Upper Demunds Road, is a member of the Wilkes Barre Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America (SPEBSQSA), which chapter won the Banner Chapter Award over seven states represented by the Mid-Atlantic District. Mr. Howell will be singing with the Wilkes Barre Chapter in the "Parade of Quartets" at the Meyers High School, Saturday night.
Mrs. John Medovich, Lower Demund Road, is enrolled in the Practical Nurses Training Course at General Hospital. If you don't see her around, its because she's "buried" in books.
