

EAST DALLAS

Mr. and Mrs. William Morrow and son, Keith; Glenville, W. Va., are visiting her parents, Mr. and Mrs. Charles Lipp. Bill has been teaching in Glenville State College and is going to school in Pittsburgh this summer. Mrs. Morrow (Mary Lipp) and Keith will spend the summer with her parents, taking care of Mrs. Lipp who is recuperating from a cataract removal. The Morrows will return to Virginia in the fall where he will resume teaching. I was glad to see Mary in church Sunday and visit with her after the service. It does not seem possible that Keith is five years old, he certainly is a handsome lad.

OLD FRIENDS MEET

John Sholtis, son of Blanche Sholtis, was pleasantly surprised recently to have an unexpected visit with Daniel Richards Jr. and wife of Dallas. John is a civil engineer and resides at 4107 Los Seliz Boulevard (Blvd.), Hollywood Calif. Zip Code 90027. He guided his guests to Disneyland and all places of interest for the few days before they traveled on to San Francisco. He said it was just like having some one of his family with him — after all he has been working there for four years — a long time from home, and he and Danny had been class mates in the Dallas area school.

Last year John was happy to spend his vacation entertaining his mother, Blanche, and sister Madeleine and her two sons, who motored to California for a few weeks visit. This year he plans his vacation for a visit in Hawaii, which sounds enjoyable.

WSSC MEETING

W.S.C.S. of East Dallas Methodist Church met in the church parlor last Thursday afternoon. While quilting in the morning, we were treated to coolade and cookies by Betty Kintzer and Beatrice Ockenhouse along with the children at Bible School. Betty said, she thought we looked "undernourished" and that we needed the refreshments.

Betty also informed me, "she was sending Larry to the World's Fair Monday, as a Father's Day Gift." She's some gal!

Members who attended the W.S.C.S. meeting in the afternoon were Florence Martin, Julie Wilson, Betty and Dorothy Kintzer, Myra Carlin, Jeannette Dickinson, Gladys Brace, Beatrice and Hazel Ockenhouse, Irene Moore.

Two beautiful quilts are being pieced and quilted for which two young women have been appointed to solicit for. They are Lorraine Moore and Hilda Moore, who have until fall to compete against one another. The one who collects the most has the choice of the two quilts.

Betty Jane Cyphers, daughter of Libby and Corky Cyphers, is the owner of a new Corvair Convertible, which she needed to take her to the Commonwealth where she is employed. Good luck to you Betty and Karen with your new cars. Now if some of the terrible speeders that almost fly, on our Ransom Road, could be caught and stopped, it would be a lot more safe for these girls and my grand children.

MOST APPEALING BABY

Oh, talking of grand children, I am proud to write that my daughter Priscilla's little fellow, Howard, won a prize for "The most appealing

"baby boy" in the baby parade contest of Nesbitt Hospital. Yes I realize he is "Howard Krum" from Mt. Zion, but he is one of mine, so I'll "blow my horn."

NINTH ANNIVERSARY

Frances and Mitch Cybulski celebrated their ninth wedding anniversary Wednesday, June 16, also their son John Paul's 2nd birthday. He was fortunate to have two cakes, one in the shape of a bunny and one an elephant. Guests were Mary (Lipp) Morrow, son Keith, Hilda Moore, Keith, Patti and Holly, Beatrice and Hazel Ockenhouse, Jean and Tommy Phillips, Marian Hildebrandt, Mitchell, and Marian Cybulski, Frances, Mitch and John Paul.

I stopped at Newmans last week on my way over to "The Post." Art was sitting at the kitchen table and had his same pleasant smile on as always, glad to be home and making progress. The phone rang, so I had no visit with Jenny, other than to say "hello" and "good by," as I was in a hurry.

BIBLE CLASS

Daily Vacation Bible School at East Dallas church ended Friday, with an exhibition and picnic lunch with parents and children. The enrollment was 31, not counting teachers and helpers, who were Carolyn Spudis, Beverly Dickson, Marilla Stanton, Florence Martin, Larry and Betty Kintzer, Lorraine and Hilda Moore, Beatrice Ockenhouse and Myra Carlin. Ice cream cones and cool ade were provided, along with sandwiches brought by parents.

A soft ball game was enjoyed by Reba Cobeigh, Minnie Miller, Lorraine and Hilda Moore, against Roger Howell, Rhonda Moore, Tommy Phillips, Connie Miller, and Connie Edwards. The mothers won 20 to 12.

Mr. Gustave Elhagot is visiting his daughter Betty Helmer and family, White Haven, after having been with daughter Hilda Moore, the past few weeks.

My sister, Mary Lind, returned to her home in Bloomfield, N. J., after a visit of two weeks with me. Wilbur Hoack and family have returned to their summer home on Ryman Road — much to the joy of Jeannette Dickinson, to be reunited with her small girl friend Linda.

Thomas Dickinson, Jeannette's dad is spending part of his vacation laying the flooring in their new living room. Some vacation Tom!

COOK OUT

A cook out was held June 5th, at the home of Mr. and Mrs. Thomas Dickinson in honor of Mrs. Dorothy Miketinas, R.N., and family who are moving South this month. Guests were Mrs. Mary Pries and children Pam and Judy, Mrs. Alice Holdsworth, children Karen and Melody, Linda and Mark Houck. The guest of honor Mrs. Dorothy Miketinas and children Cecile, Johnny, Skipper, Robert, Eliza, and Eugene. Jean Marie, Susan Lynn, grandma Jeanette Dickinson.

While driving up the road, a very young fawn nosed its way slowly across, as if it had never set foot on a road before. My sister, Mary, had to stop the car. Later in the evening a large deer crossed at the same place; could it be mama was searching for her young stray? They both entered the brush on the other side of my son Bob's

home. Fred (Teddy) Dymond 3rd, left Friday to return to his Marine base at Camp Lejeune, N. C. Teddy drove his car back, picking up his pal, Wilfred Anderson, Trucksville, both having had a twenty day leave.

While telling my niece and Nephew Bill and Betty Salmon, Johnson City, (who were having lunch with me Saturday) about the three new cars right in the three neighboring houses, Bill said, "now you can tell folks there is a 'horse' at the very next house — as we have a 'mustang' — white with a red interior. They come weekends and next week are bringing a wheelbarrow, so I suppose that will be called a 'burro'."

BALL GAME

The boys club in Orange, under leadership of Dick Hislop, is up in action again after the winter "off season." They had a ball game last Friday on the new ball diamond donated by the firemen of Franklin Township, in the rear of the fire house. Herb Fehlinger led his team 8 to 7 over Bob Cyphers team. Herb had two tripples and one double, while Bob and Al Chelskewitz each had two hits. They met Friday evening at Dick Hislop's and have planned a picnic to be held July 11, each member is asked to pay 50 cents toward the food which will be provided by the Hislops. The club consists of twenty members which I think is wonderful. Couldn't pack a lunch for 50 cents.

Bob and Madge Snyder, New Jersey, formerly from Orange, brought her mother, Mrs. Elizabeth (Lizzie) to all in Orange. Dymond, back to her home in Orange for the summer. They spent the evening visiting with Mr. and Mrs. Donald Hislop.

Bob and Madge also visited his sister, Marie Pomeroy in Gelsinger Hospital, who is seriously ill.

Norton H. Newberry, formerly of E. Dallas, brother of Beatrice Moore, is seriously ill, following an operation, in "Calhoun St. Hospital, Franklin Square, Baltimore, Maryland, Room 200B, 2nd. floor.

Charles Lipp was admitted to General Hospital with a broken hip, sustained by a fall in his home, on Hildebrandt Road.

Mrs. Thomas Roberts, Mrs. Nancy Boodeir from Great Britain, Mr. and Mrs. Reginald Pritchard, New York City, Mrs. Sue Williams, Muhlenburg, spent Friday with Mr. and Mrs. Wilson Ryman.

Jackson Twp.

Do not become alarmed this evening when you hear the fire siren and see our local fire truck pull up in front of your home. It will only be our Volunteer Firemen soliciting sugar, eggs or a cash donation for their Annual Strawberry Festival to be held at the Fire Hall, Saturday Evening, June 26. Bring your friends and relatives and patronize this festival which is held each year by the firemen in order to raise money to purchase fire fighting equipment. This will also serve as a notice to members of the department to report for duty at the fire hall Friday evening to help in turning the freezers to make the home-made ice cream which will be served at the festival.

The laurel on the Johnson farm along the Larksville Mountain Road is most beautiful this year. Words cannot express the beauty of the heavy blossoms. It will be worth your while to take a drive to see it.

Oak Hill

Hi, folks! We're always sorry to see Spring leave and Summer begin. The heat of summer makes us lazier than ever, but we do enjoy not having to put on heavy snowsuits and then in five minutes take them off again. We enjoy being able to sit in the back yard, having cook-outs, seeing friends one doesn't see during the winter, and taking the children to places of interest that make their eyes light up.

Speaking of health, our Paul, the seven year old, is scheduled for a tonsillectomy tomorrow morning at Nesbitt Hospital. We know he'd love hearing from all of his friends. We imagine his throat will be a little sore for talking for a few days. With luck and God's will, he'll return home Saturday and stay rather close to home for at least a week of recuperation.

While we're on the subject of recuperation, Leslie Sabo is doing just that at his home after being a surgical patient at Nesbitt Hospital. We hope to see him about, fully recovered, soon.

And Jeffrey Smith, son of Mr. and Mrs. Thomas Smith, is recovering at his home after submitting to surgery at the same hospital. Get well soon, Jeff.

We extend heartfelt congratulations to Mr. and Mrs. Clarence McDermott on the occasion of their 30th wedding anniversary. The couple has five children, one of whom, Mark, is a 1965 graduate of Lake-Lehman High School.

Brownies Have Dinner

The Brownies of Oak Hill held a dinner recently at the Brothers Four Restaurant. The following received their wings and were graduated to Girl Scouts: Donna Pearce, Marilee Lavix and Patty Fritz. favorite saint. Our saintless government has been accused of ruling prayer out of public schools. Know what? A school kid can make effective prayers of his own in school now as well as ever. Outward saints, recited prayers, may be barred from public show. But boy! What a need there is yet for soundless prayers, for unseen saints, for the law of God written in the heart! Never forgot what a lecturer said once, "Even saints need traffic laws"! If the saints have to get off the dash, let them slide under the steering wheel!

VALLEY CREST

As of last week I had not come face to face with our Day Care Center Director, Mrs. Spencer, to hear what she says about my question to her in last week's Dallas Post. Let me quote what actually appeared in my column about her last week: "Mrs. Spencer... is a good Catholic and I took the occasion to enlighten myself on a subject she would know about: the Maronite Church. I have seen references to that church in the paper and I asked her. She says something..." All kinds of things can happen in a newspaper office when they are putting the paper together. They speak of "putting the paper to bed". That is one operation. But when the paper gets up in the morning and goes out on the street, that is something else! Well, anyway, Mrs. Spencer did tell me that the Maronite Church is an Eastern Rite Church, still good Catholic but with a different order or something. Last week I mentioned something about Harold Raynor from Shavertown. Since then he has been taken to General Hospital for an operation. His pastor, the Rev. Mr. Prater has visited him there.

LOST SHEEP

No, I didn't preach about lost sheep last Sunday down at the West Pittston Church of Christ. Glad I didn't! How embarrassed I would have been after church when I found that Mrs. T.M.B. Hicks of The Dallas Post had got lost while trying to find our church. But did get there in time for the collection. My eyes don't recognize too easily the faces in my congregation and so was not aware that the lady in white who came quietly, unobtrusively into a seat near the middle aisle was our associate editor! Of Dallas Post, who had finally to ask a garage man where the Congregational Church was and he told her.

One more Sunday! MORE PEOPLE WE KNOW It's news to have news come to me rather than to have to bestir myself to go out after it! Here
