**Can You Identify These Children?**

The children pictured above with their teacher are members of the fourth grade at Dallas Borough School. Really! Well, it was 29 years ago and the class is celebrating its 20th year out of school Saturday night in the Brothers 4 Banquet Room. Do you know them? Write in to The Dallas Post and let us know. And, if you'd like to see any of them again, drop around Saturday night and mingle. They have changed.
