

Dentist Guest Speaker In Panama

Major Jerome B. Marshal, chief of oral surgery for the 5700th Air Base Wing dispensary, Albrook AFB, Canal Zone, was guest speaker recently at the monthly meeting of the Asociacion Panamena (Panamanian Dental Association). The meeting, held in the Washington Room of the Panama Hilton, was attended by 35 dentists from the Republic of Panama and the Canal Zone. Doctor Marshal, a native of Dallas, gave an hour-long presentation on the subject "Diagnosis in Oral Surgery." It marked the first time in several years that a local American dentist was selected to address this distinguished group. Doctor Marshal took his bachelor of arts degree from Princeton University in 1951, and his doctorate

dental surgery from the University of Pennsylvania in 1955. He served his residency in oral surgery at Episcopal Hospital in Philadelphia and then returned to the University of Pennsylvania as an instructor in oral surgery. Before coming to the Canal Zone in September, 1963, Doctor Marshal was chief of oral surgery at McCoy AFB and Orlando AFB Hospital, Florida. He is a member of the American Dental Association and the Pennsylvania Dental Society, and is also program chairman for the Canal Zone Dental Society. His wife Nancy, the former Miss Brader of Dallas, son Jay and daughter Lisa reside at 4 Birch Hill Lane, Dallas. He is son of Dr. Jerome Marshal of Kunkle Road.
