SHAVERTOWN

Direction Needed

With the Christmas holidays fast approaching, believe it or not, more congestion will be prevalent at our shopping center area. People are in a hurry these times and accidents are bound to happen. We have had a rash of mishaps lately right in this locality. A foot patrol was tried but this will not be used at all hours.

It would seem to me that if the township cannot afford to place officers at this busy spot then the merchants would do well to put one on. This was the procedure for some years and worked out well. By sharing the cost it should not be too much of a burden and shoppers would have some protection.

I was inclined to be only slightly concerned at the recent blackout in the East and was discussing it with Fred Jr. He did not share my opinion and related a very similar occurrence out in the Midwest last winter when seven states were blacked out in the same manner.

Dottie had to run home to their trailer and turn off the furnace as an explosion would result due to power failure. The stores were so concerned that employees were allowed to go to their residences to prevent greater catastrophe. Perhaps we should exert more concern and is it truly possible that the big companies do not really know what caused it.

The Fire Auxiliary really worked hard to put on a nice affair Friday evening. It seems strange that they did not receive a little more cooperation from the community.

Look for some developments soon on the Evergreen Cemetery situation. More details later.

Not New

The present sewage problem on the grade school playground is one which has plagued us before. It seems that I recall James Martin predicting such a situation when the construction of the Little League disturbed underground run offs some time ago.

Not only is there a sewage problem here but when one passes the entrance to the Acme Market off Ferguson Avenue or stands near the sewer opening at the E. Center Street intersection and Main Street, the foul smell is enough to sicken one. The old creek has been a source of annoyance for years so it is time something was done. Incidentally Wally Gosart is still waiting for that promised aid concerning the wall damage and no one has shown up.

It has been reported that since the new paving on Lehigh Street that the thoroughfare is fast becoming a speedway. Shaver Avenue was paved last week, completing the road repairs in the township for this year. Quite an improvement.

Here And There

Mrs. Robert Eyer and children, Bobby and Leigh, New Brunswick, N. J., returned home on Sunday after spending a week with her parents, Mr. and Mrs. Lauren Dymond. Bob came up from New Jersey Saturday to take them home.

Mr. and Mrs. Fred Malkemes left Friday to visit their daughter and son in law, Mr. and Mrs. Walter Mahoney at Syosset, N. Y., and see their new grandson born last week.

Mrs. Daniel Shaver is a patient in General Hospital where she underwent surgery. Get well soon, Vannie.

Mr. and Mrs. John Clause are anxiously awaiting news from their daughter and son in law out in California. Joe has completed his schooling there and is awaiting re-assignment with the U. S. Navy. A 30 day leave is in the offing and they are hopeful of spending the holidays at home.

Our prayers go out to Ruth Houser as she recovers from surgery at General Hospital. One of the nicest people in town we hope she will

not have to undergo additional surgery.

Sincere sympathy is extended to Dr. Robert Mellman in his recent bereavement.

Although we were not personally acquainted, it was a sad tragedy which befell the Bernard Gerritys and all because concern for a woodland creature dictated her decision. Although critically injured, we heard that Mrs. Gerrity wanted to attend services for her late husband.

Johnson Miers is hospitalized in France. He is stationed there as a Specialist 5th Class with U.S. Army. We wish him a speedy recovery.

Mrs. Marian Katsinski returned home last week after being a patient at Nesbitt Hospital.

I had missed Sandy Ash hereabouts but was really surprised when I learned she was taking her last year at Utah State University. She likes the western state and may teach there for a while when she completes her studies in June.

It was nice to see Mrs. Carl Hontz out on Sunday after having been a patient at Nesbitt Hospital recently.

George Jacobs, student at Amherst College, will arrive home next week to spend the holiday recess with his parents.

Saturday I took time out to see "Red Shoes". What a delightful production. Excellent portrayals, gorgeous settings and truly a credit to its producers. I am happy that the Junior League and College Misericordia approve the charming presentation of fantasy and in bringing the land of make believe to the children of the valley. In these days of automation, conflict and speed how nice to return for a short time to the leisure and color of past eras.

December 8th, was picked as the date for the Christmas dinner at Lehman Church, 6:30 o'clock. Reservations to be made with Jennie Miers.

There will be a Fire meeting Friday. All members are urged to attend.

Raymond James Hoyt, son of Mr. and Mrs. Raymond Hoyt is a patient at General Hospital.

SEND PEACE ROSES TO MIKE LANGEL FOR CHRISTMAS

Money has already been sent to the Dallas Post for one dozen Peace roses for Mike Langel, who, confined to a wheel chair from injuries received in World War 2, asked only that a flag pole surrounded by fifty Peace roses be placed outside his window. He is not able to leave his chair.

The project was launched by Daddo Isaacs American Legion, the flag pole furnished by Commonwealth Telephone Company and erected by the Key Club, Mike's picture for the Post was taken by Jim Kozemchak, the cut paid for by the Legion.

Wouldn't you like to share in this happy adventure? Send your check for three or four dollars and the roses will be planted by Don Weidner, rose lover, in the spring.

Send Mike a Christmas card saying you shared in making his dream come true!

EAST DALLAS

Words can not express my sympathy for the Cyphers family, over the passing of little Brian. Last Sunday while I was talking to his mother Libby on the phone, I could hear him laughing and having a fine time, playing ball with his daddy, Corky. They have that consolation that the past two weeks he was free from pain and was so happy to be home from the hospital, which he had been in and out of all of his life. Then Monday morning he could hardly breathe, and the doctor ordered him right back to the hospital. He realized how ill he was and knew them up to the end. His last words were, "Mommy I love you".

When I read my last weeks article, it seemed so ironic; he was so happy then, but when the Post came out, Brian was at rest and peace at last in the arms of Our Merciful and Precious Savior.

The Cyphers family wish to extend their appreciation and thanks to everybody who had been so kind to them in their hours and days of sorrow, through prayers, food, flowers and their help in every way.

The 4-H sewing club of East Dallas met at the home of Lorraine Moore Saturday, the 6th. This was the first full meeting; Subject was "Make a small change." Each girl is to redecorate their bedrooms to make a change. The club met recently at Genetti's with other clubs of Luzerne County, and came in second with their record book. East Dallas can be very proud of this group, who took second place honor for Luzerne Co., with Christine Konnick as secretary.

New members taken in were Susan Miller, Gail Edwards, Jeanette Goeringer, Julia Swepston, Hazle Ockenhouse, Sharon Carkhuff, Theresa McMichael, and Sheila Kulick. Regular members present also were Reba Brody, Linda Kuptas, Christine Konnick, Deborah Race, Connie Edwards, Ann Marie Miller, Janet Buckman, Rhonda Moore, and Janet Gable. Future meetings will be at Lorraine Moore's home, on the first Saturday of every month. They are sorry to say that they MUST limit the members to East Dallas as there would be too many to handle.

Ruth's parents, Mr. and Mrs. Rifenbery of Beaumont. I was pleased to have them visit me for the day, last Friday. Shelby and Edward are the sons of Mr. and Mrs. John E. Lewis, former residents of East Dallas and Beaumont. Former owners of Reverend Derrick's home. Folks will remember Johnnie as their barber, who had his shop next to Bessie Brace's coffee shop, in Shavertown.

Ella Moore's Class of East Dallas Church held an Autumn Tea in the Church social room last Thursday, with a good attendance and nice program, which was in charge of Mrs. Beatrice Moore.

Participating were three selections by the choir, after a welcome extended by Mrs. Jessie Moore. Prayer was offered by Irene Moore with a plea for World Peace and care for our men and women who are serving in the armed forces this Veteran's-Day and for all time. A recording of hymns which were sung by The Hawke Sisters, adopted orphan sisters by my nephew and wife, Edward and Edith Hawke of California, was enjoyed by all. Rhonda Moore gave two wonderful pantomimes, accompanied by her record player. She is certainly a gifted young lady.

Her equally gifted mother, Lorraine Moore, gave a demonstration of her arts, created "from ordinary objects". I am sure we were all wishing we could make the beautiful things she did.

Mr. and Mrs. David Moore, David Jr., Kimberly, Ricky and Pamela, from New Jersey, were weekend guests of her parents, Mr. and Mrs. Grant Croman and his mother Irene Moore.

New tenant farm helper and family, Mr. and Mrs. Gittens have moved into the home attached to Wilson Ryman's home, for whom Mr. Gittens will work. Mrs. Gittens is the former Betty Long of Shavertown. We welcome them in our area.

Wedding congratulations and best wishes are extended to Douglas Lamoreux, and Shirley Johns, married last Saturday in Dallas Methodist Church. They will occupy the Rush Lamoreux home on Ryman Road, while his parents are living in their trailer in Smithville, near the Maryland line. Rush had been transferred there for his work, and they have been coming back to East Dallas on their weekends.

Mr. and Mrs. Harry Martin Sr. entertained Mr. and Mrs. Forrest Kunkle, Sunday, November 7, at

dinner in their home. Mr. and Mrs. Kunkle left Tuesday, for Florida. Other guests were, Mr. and Mrs. Merton Coolbaugh, Mr. and Mrs. Laing Coolbaugh and daughter Cathy, Merton Coolbaugh Jr., and Barbara Augustine, and the host and hostess.

Harry Martin Jr. has been confined to his home the last two weeks, with a bad back, unable to lie down, so has been in a sitting position in a reclining chair. We wish him a speedy recovery. His brother-in-law, Laing Coolbaugh, has been quite ill also. We wish him well too.

There will be an all day quil
