Use Of Gas In Home And Farm Is Demonstrated At Farm Show

The versatility of gas in the home and on the farm for cooking, cooling, lighting, heating and even for television was on display January 10 through 14 at the mammoth Pennsylvania Farm Show in Harrisburg.

The 20-by-50 foot exhibit taking up 10 booths in the 14-acre Farm Show complex was one of the largest non-machinery displays at the free show which attracts people from all over the world.

At least 15 leading manufacturers of gas-operated appliances contributed samples of the latest conveniences the industry has to offer the public.

Demonstrating the "total energy" of gas was a television set which has mystified viewers by its absence of any outside electrical power source.

Foretelling the use of gas for many, until recently, unforeseen purposes, it is powered by a gas-fired

thermoelectric generator.

It is a convincing exhibit of gas' future in supplying all the heating, cooling and power needs of the home of the future.

The entire display was divided into two portions, one devoted to a patio to demonstrate how gas usage is expanding outside the home and into "outdoor living."

The other section was devoted to those gas appliances most familiar to home owners and housewives such as ranges and water heaters, clothes dryers and air-conditioning units.

Missionary Meeting

Missionary Meeting of the Glenview P.M. Church took place Thursday evening at the home of Mrs. Andrew Derrick.

Letters were read from Alice Boetel, Africa, Sallye Higgins, Tanzania and the missionaries in Guatemala, where they are building a school and a hospital. Donations were sent to help support both.

Refreshments were served to Mesdames Samuel Higgins, Blanche Crispell, Earl McCarty, George Shaver, Jr., Joseph Burczyk, Charles Seward, Roy Moss, Ralph Fitzgerald.

Completes Training

Pvt. Donald Williams, son of Mr. and Mrs. Don Williams, Susquehanna Avenue, Dallas, graduated Thursday, January 6, from Flight Operation Specialist Schools, Fort Rucker, Ala.

Don, a graduate of Dallas Sr. High School, 1962, left Monday, for Fort Carson, Silver Springs, Colo.
