# Are We To Have A YMCA Program For The Back Mountain? Up To You

by Mrs. Fred Eck  
Are we or are we not to have a YMCA Program for our Back Mountain Youth?  
Public response is imperative, before definite plans can be made for 1966.  
As of July 1, 1965, we have had a full time executive secretary and a very competent, dedicated staff, but unless public support is forthcoming in the Sustaining Membership Drive, to not only take care of crucial present needs, but also to give some hope for expansion of program facilities, this Program May Be Dropped!  
How many Back Mountain residents have seen our Physical Facilities? We are grateful to Dallas County District for the use of the building, but it is very inadequate for the type of program our youth deserve.
