Miss Eck, who is left handed will be incapacitated for a time.

Bored With Winter? Copy This Writer

Mrs. Alfred Rogers, Harveys Lake writes that she is enjoying the various species of wildlife appearing in her back yard each day.

She has seen thus far red and grey squirrels, pheasants, bluejays, woodpeckers, cardinals, chickadees, sparrows and a phoebe bird. Just the other day she was delighted to see a fat red breasted robin and a little winter wren in her hemlock tree.

Mrs. Rogers feeds the visitors parings of fruits and vegetables and tidbits from her table. She says the results are well worth the effort.

Given Maps

The Junior Department of Dallas Methodist Sunday School were pleasantly surprised on Sunday, when they were presented with individual maps of Paul's Missionary Journey, drawn by Mrs. Robert Sheehan. The maps coincide with their lessons and made them much more interesting.
