Reading Speedway Opens Racing Season March 20 ANNUAL

The Reading Fairgrounds Speedway will be the sprint car capital of the land in 1966 with the season opening on Sunday, March 20. There is an ambitious program planned to go along with an already highly-successful modified stock car operation.

There will be five sprint races offered under the USAC banner with a possibility of a sixth.

Four night programs are lined up this season. The Eastern opener will be on Sunday, March 27, the only daylight show on the Reading sprint calendar.

The racing season will begin with the powerful modifieds, featuring the best drivers in the East, going to the post at the "Home of Champions.

Two motorcycle dates have been net excellent monthly income. More Fair. There will be many other

YOUR HEALTH

There are various kinds of sore throat, and various treatments. A sore throat may be a simple ailment responding to simple treat-

Or it may be severe, as with streptococcal sore throat. The symptoms of streptococcal sore throat are those of a severe sore throat or tonsillitis.

There is a tendency for the neck glands to become infected and in some cases to form abscesses. Complications with strep sore throat are similar to scarlet fever

complications, and sulfa drugs and penicillin are usually effective. Tonsillitis is a cause of sore throat that occurs chiefly in children, and whether or not the tonsils should be removed is usually a

decision for the family doctor. Diphtheria, a serious disease involved with the throat, is fortunately becoming rare due to established immunization in children.

Anti-toxin is used in treating diphtheria and in some cases surgery may be resorted to if there is an obstruction that interferes with breathing

Diphtheria is in most cases contracted by way of droplets from the ill or from carriers.

In some instances, diphtheria and also streptococcal sore throat are Quinsy is a severe infection of
