Sister Miriam Teresa has ping Center, Hall's Pharmacy, Evans been president of the college since Drug Store, Back Mountain Lumber August, 1964 and also provincial Co., Henry's Jewelry, Forty Fort councilor since June, 1963.

ter Mary Florita, has the back- Lehman. ground of administrator of schools conducted by the Sisters of Mercy be accumulated from coin conin the diocese of Brooklyn and tainers. Rockville Centre, New York; and also that of faculty member and supervisor of student teachers at College Misericordia. She has served as principal and diocesan supervisor in the New York schools.

Sister Florita's special field is educational administration which she has been teaching in the graduate program conducted by College Misericordia in cooperation with the University of Scranton. She holds a degree from College Misericordia and the master's degree from Fordham University. A native of Freeland, Sister Florita is the daughter of the late Mr. and Mrs. Timothy

Sister Florita's new habit is the navy blue, touched with white, and with a short black veil, recently adopted by the College in comformity with modernization trends in the religious world.

All during the month of July, sisters at Misericordia have been gradually changing from the severe black habit and the starched white bands, to the more easily worn blue habit with the shortened skirt and the freer neckline.

## **Sweet Valley To Benefit From** Rate Revision

#### Improved Service Will Result As Pattern Changes

Base rate area revisions to be filedMonday, August 1, with the Pennsylvania Public Utility Commission will affect annual savings of \$1,538.40 for 71 Sweet Valley customers who are paying mileage charges, says R. E. Koeb, District Manager, of the Commonwealth Telephone Company. If approved by the P.U.C., these tariff revisions will go into effect October 1.

Revisions are the result of the company's program during the past two years during which time \$40,000 was invested in outside plant facilities. Another \$25,000 will be invested for additional central office equipment.

Savings and improved service will result from extension of the Lt. ### **Drives Car While** Speeding Youth And Elderly Woman Were The Drivers In These Accidents Friend Is Asleep Crash Results

#### Mrs. Thomas Is Hurt As She Swerves Auto, Dairy Truck In Path

A rash of accidents in the Back Mountain sent ten victims to the hospital within the past six days. The first occurred at Harveys Lake early Thursday morning when Ronald Goobic, Shavertown, driving a car owned by Thomas Hughes, Sr. Trucksville, skidded near Old Sandy

Bottom and struck a pole. Tommy Hughes Jr., 19, Trucksville, had attended a dance at Harveys Lake Picnic grounds and Goobic asked him for a ride home. Hughes went out to his father's car and went to sleep on the back seat. When the dance ended Goobic and Michael McCoog, 17, Memorial Highway, also looking for a ride home, went out to the Hughes car.

Goobic, without waking young Hughes, started the car and was traveling at a fast rate of speed when a short distance from the picnic ground he skidded and crashed into a pole.

McCoog was thrown through the roof of the car, landing in a tree. Hughes, thrown to the rear floor, injured his right hip and side.

Goobic, who smashed his face into the windshield, had his ear almost cut off, and subsequent suturing necessitated 46 stitches

Rushed to Nesbitt Hospital in Harveys Lake ambulance, all victims have been discharged. Reckless driving charges have been filed against Goobic by Police Chief Walbridge Lienthal, Harveys

Swerves to Avoid Car Mrs. Maude Thomas, 70, Noxen, was rushed to Nesbitt Hospital on Monday shortly before noon. She had swerved out to avoid another car turning into Don's Service Station on Memorial Highway, and crashed headlong into a milk truck

driven by Jay Elston. Both vehicles were total wrecks. Joseph Kush, 6, and Margaret Elston, 6, who were riding with the truck driver suffered minor in-

juries, as did Elston.

Mrs. Thomas, an employee of Noxen Manufacturing Company, was pinned in her car. She suffered fractures of both arms and right Two cars are reduced to junk cally injuring its driver on Mon- soon after leaving the Harveys Lake head. She was reported in good leg, and lacerations of the fore-

to avoid a head-on crash.

Cylist Serious Reported still in serious condition at Nesbitt Hospital is Paul Monahan, 17, Country Club Road, who suffered a fractured skull, fractured jaw and multiple lacerations of the mouth and right eye when he was thrown from his motorcycle on Saturday afternoon near Kern's Distributing Plant on the Idetown

Road. The accident occurred when Gloria Ann Gibblets, Exeter, stopped her car suddenly as traffic slowed. Monahan slammed into the rear of the machine.

On Sunday afternoon at the intersection of Fernbrook and Me-Archer Mohr headed up a pro- morial Highway, Mrs. Mary Ann gram at Rotary Leadership Camp, Haines, 19, Wilkes-Barre, an expectwith three local young men repre- ant mother, was hurt when a car senting Dallas Rotary.
