

Annual Wrestling Clinic To Be Held At Wilkes College, August 8-12

Any boy interested in attending the annual wrestling clinic at Wilkes College can sign up on Monday, August 8, between 9 and 10 a. m. Registration will be held in the gym lobby. Boys from seventh through twelfth grades will be accepted.

All phases of wrestling will be covered from very fundamental to advanced moves at the clinic which will be held at the Wilkes Gymnasium during the week of August 8 through 12 with head coach John

Reese conducting the program. LeRoy Altitz, head wrestling coach at West Point, will again be a guest clinician and will demonstrate some of the moves that have made his Army teams so successful. Many boys from the Back Mountain schools attend this clinic annually. They find it to be of great value when they go to the mats during wrestling season. They learn to develop techniques and to overcome weaknesses they have found in their style.
