MOUNT ZION

It must be that pheasants have program was good. een released up in our country. wice on my walk with Tuffy over me flew cackling across the road hase but I said no. What an enable collar that man-pheasant ears! Beats any of my neckties. One morning I saw the full wingoread of the great blue heron takg him low across our pond. I wish would come more often. The frogs on't! The book says he has a 70ch wingspread.

Another morning a brown horse ame galloping down through our little past noon. ont yard and low meadow to the ond, took a drink (ugh!) and went ear anyway!

Our Feeding Station

Decided to overhaul the feeding goda. Don't know how I ever inaged to get that boosted up top the pipe, it was so heavy. Must we been back in my younger days! nyway the birds could hardly keep again and the birds hardly ssed a trip.

Protestant Laymen Meet astic crowd of men and the just in time to do it myself. Then 10 p.m.

me and two of them the second me flew cackling across the road front of us. Tuffy wanted to have but I said no. What an entable collar that man-pheasant me flew cackling across the road in front of us. Tuffy wanted to have but I said no. What an entable collar that man-pheasant me flew cackling across the road in front of us. Tuffy wanted to give communion to my Protestant may home as I neared to give communion to my Protestant may have a supplied to give communion to my Protestant may have a supplied to give communion to my Protestant may have a supplied to give communion to my Protestant may have a supplied to give communion to my Prote we gave communion to 103 of the residents besides one nurse and two the air itself! I went to the Shrine Mrs. Z. E. Garinger.

Mrs. Z. E. Garinger.

Mrs. Richard Rank, who gave visitors. The most I had given before was 89. I was glad of the higher percentage and especially to have my pastor with me. The patients enjoyed him very much.
