YOU AND FIRE—We all know we shouldn't start a fire without first checking the smoke pipe. Yet there are over 50 home fires from this cause in little Wyoming County each winter. Sure, we have smoke pipe.

STOVE And FURNACE REPAIRS
—Gone are the days when we carried a stock of parts, but we can give you good delivery on most makes—give us the name and numbers—we'll do the rest.

ELECTRIC MOTORS—We stock in "Century", one of the best, in all sizes 1/8 to 5 h.p., and in styles to fit most everything. If your motor pops out there, pop in here.

FLOOR FINISHING—Sounds like a big job, but actually it is a simple task with our rental and the complete printed instructions which we now have for you. Complete refinishing job for the average room runs about \$15.00.

A WHIFF OF XMAS—We're only 2 months away from that season of glitter and magic—and, already we are getting ready for the early-bird shoppers with toys and gift items. We lean toward practical gifts.

THE SIEGLER STORY—We think this is the best oil burning heater made—and it will prove it. Weighs more—heats more—distributes heat better—burns less oil. Some things are made better—this is it.
