**Legal Notice —**

**JACKSON TOWNSHIP EARNED INCOME TAX**  
NOTICE IS HEREBY GIVEN that the Supervisors of Jackson Township intend to enact an ordinance imposing a tax of one per cent (1%) on the total earned income of residents of Jackson Township and on all income of non-residents earned within said Township, effective January 1, 1967, pursuant to The Local Tax Enabling Act approved December 31, 1965 (Act No. 511 of 1965). In the judgment of the Supervisors of said Township, the imposition of said tax is necessitated by (1) the need to provide more ample revenues for maintenance and improvement of roads and highways within said Township, (2) the general increased costs of operating the Township Government, and (3) to lessen the tax burden on real estate in said Township. The amount of revenue estimated to be derived from said tax is \$6,000.00 for the fiscal year 1967 and \$6,000.00 for each fiscal year thereafter during which said tax may be continued in effect. A Special Meeting to consider enacting such ordinance will be held at Jackson Township Volunteer Fire Company Hall, Chase, Jackson Township, on Tuesday, November 29, 1966, at 7:30 p.m., E.S.T. If such ordinance be not adopted at said meeting, action may be taken at any regular meeting or another Special Meeting called for said purpose.
