Movie

In appreciation of the fine work on the part of our students, Mr. Rosser, the faculty, and the student body were invited to the gym to enjoy a movie last Tuesday. The movie was presented courtesy of the Curtis Magazine Company. Our students went from door to door selling magazines to their neighbors and relatives to earn money to purchase new equipment and other articles for our school.

The movie we enjoyed was entitled *Bon Voyage*. We would sincerely like to thank the students who showed great school spirit and sold magazines.

Dance

This Friday, Debbie Hartman, our student council president, announced that we would have a dance on March 31 from 7:00 to 9:30 with the admission 50 cents. Our students will dance to the best of two groups, The Invaders and The Avengers. We hope to see as large a crowd at this dance as we have seen in the past. Coats and ties must be worn by the boys.

Farewell

We would like to bid a fond farewell to our student teachers! This Thursday, after school, our regular teachers held a tea to say goodbye to our six week visitors. In these past six weeks we hope that these new teachers have gained something, for we think that everyone who had a student teacher, has benefited from her kindness and help. Farewell student teachers and GOOD LUCK!!!

Girls' Basketball

The girls from Wyoming Seminary came to our gym on Tuesday for a good game that ended with a score of 12 to 11, in their favor. Our girls won last time we played them, with a score of 13 to 11.

The team played a hard game and were ahead until the third quarter when Seminary made two baskets to put them ahead. The score remained the same for the rest of the game even though the team tried to break ahead.

Marine Robert Updyke Completes Training

Marine Private Robert C. Updyke, son of Mr. and Mrs. Herbert H. Updyke, Davis Street, Trucksville, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at Parris Island, S.C.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-calibre pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects; hygiene; first aid and sanitation; and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join Marine combat forces.

Because of the two snow days we had to miss school for, our Easter vacation was shortened so that we had only Friday of last week off. However, it seems that the vacation started early for some. On Holy Thursday and Easter Monday there were over two hundred absentees.

interests, selecting their preferences from a wide variety of topics.

We find it hard to believe that commencement is only a short two and a half months away. However, the Seniors are busily continuing their preparations for Class Day and the Senior banquet. For some strange reason it's getting very difficult to find time to even try to find time to do such dull things as homework and studying for tests and staying awake in class.

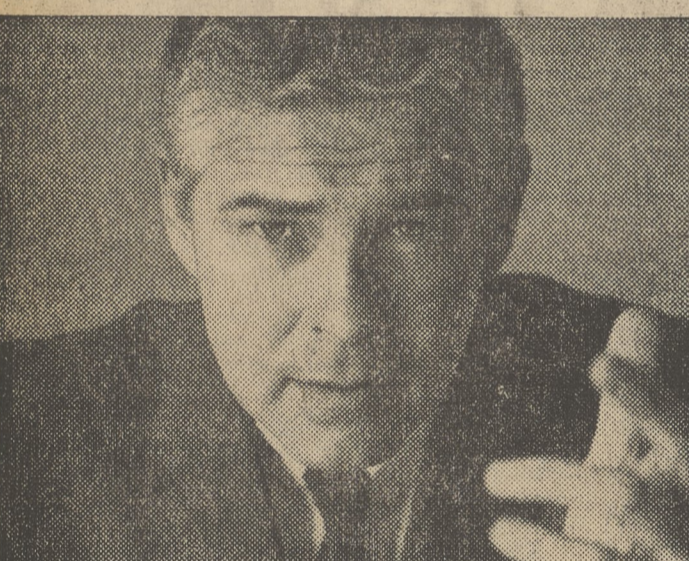

On Wednesday, March 22, the Chansonaires and Chanters under the direction of Mrs. Florence Sherwood presented the student body with a much appreciated and enjoyable assembly with songs pertaining to the spring and Easter season. The program, in our opinion, was the best ever given by Mrs. Sherwood.

We would like to apologize to the faithful readers of our illustrious column for missing the boat last week. We usually hand the column in on Friday during school but last Friday we were both snow-bound and couldn't make it to the Post office to hand it in.
