**We care**

**A&P It isn't easy to buy bean coffee!**

Nowadays, very few stores offer you bean coffee.

Why does A&P still offer coffees in the bean?

Basically, because "We Care."

Specifically, because we know these facts:

The coffee bean is nature's seal that holds the flavor.

Once that seal is broken by grinding, flavor fades...

NO MATTER HOW IT'S PACKAGED.

The shorter the time between grinding the beans

and brewing your coffee, the greater the flavor.

So if you want the finest cup of "The Think Drink" you've ever tasted, buy and brew one of A&P's three Bean Coffee blends... Eight O'Clock, Red Circle or Bokar.

Not every store can offer you custom-ground bean coffee.

A&P can and does.

Shouldn't A&P be your store?
