She was to pass through Washing- The front office at Valley Crest ton on her way to Ashville, N.C. We showed me the Dallas Post supplehad cards from her. She will be go- ment with the article by Mrs. Marks

On Dog Walk My friends at Valley Crest always like stories about Tuffy (How Tuffy would bring excitement up there if I led him down the tile-covered halls! He'd slip and slide and wouldn't like it. And the Security Color would show me the door!) First down in the morning (and not quite all here!) I let Tufter that that.

Since students were elected on the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the basis of scholarship, leadership, character and service, four of the pins.

Remarks were given by Mr. Rob-like the pins.

Row 2, seniors: Bonnie Patton, Dianne Rogers, Joy Johnson, Irene leadership, character and service, four of the pins.

Mobile Home In The Woods in the kitchen after a while I won- Mrs. Kenneth Conklin now has a dered why Tuffy wasn't scratching mobile home in the woods by the to come in. So I went and looked side of her daughter's family, Roy out expecting to see him lying in W. and Peggy Thomas and their six the sun on the top step as he does children. It was some juggling trick sometimes. Instead, he was across to get that long equipment down the low meadow headed down the over the bank and on level ground. south corridor, tail wagging, face in But there it stands and I imagine the grandchildren are delighted to

My absent-mindedness has nothing have grandmother right there into do with my advanced age. I've stead of off up on a hill far away. been that way for years! It isn't the first time I neglected to snap the The Placeks with their three rope to his harness. What fun he children are getting domesticated in had splashing through the muddy their new home recently purchased shallows at the other end of the from Sherwood rum's. With a neat pond! Finally I was able to get near riding mower, Barbara Placek drives enough to command, "Wait Tuffy!" in and out among the trees and herand snap him up.
