Lake Executive Board Offers Aid In Solving Area Sewage Problems

Lehman Township Supervisors, meeting Saturday morning, agreed to follow the recommendations of Weston, Inc., as regards sewage facilities in the area.

The motion followed receipt of a letter from Frank Burnside, president of the Harveys Lake Protective Association, to the Board. Contents of the offer follow:
Board of Supervisors,
Lehman Township
Gentlemen:

We are pleased to note in the public press that you have recently contracted with the Roy F. Weston Company to prepare feasibility studies for sewerage collection and treatment for certain areas of Lehman Township including Oak Hill. We congratulate you on this forward-thinking step and wish to offer our cooperation.

Several years ago we engaged the Weston firm to do a similar study of the proposed Borough of Harveys Lake and we found their people efficient and capable and their work very satisfactory. In the study which they prepared for us we asked them to include as an alternative the area generally known as Oak Hill. It would appear from their report that there might be some economic advantage for both areas in a joint solution of this problem. This possibility is particularly significant and worthy of the most serious consideration because State and Federal assistance appears to be more generally

available for construction of systems serving more than one municipality.

In accordance with direction of Harveys Lake Protective Association, the owners of the subject report, we are authorizing Roy F. Weston Company to make available to you the findings of the alternative in its report prepared for the Association and as to which alternative we may have a common interest. We propose similarly to make the entire report available to the governing body of the Borough of Harveys Lake as and when that body shall have become a reality.

The Association is vitally interested in the problem which exists and the exploration of which is one that may be of mutual interest to both Lehman Township and Harveys Lake Borough. We, therefore, will respectfully welcome any request from you for consultation therein with you.

Sincerely yours,
Frank Burnside, president
Harveys Lake Protective Association.

In other action the supervisors agreed to discuss better lighting in the municipality but more study will be needed.

Police Chief Lionel Bulford was elected to take the place of former Chief Joseph Ide on the Police Relief and Pension Board. The secretary reported \$1,400 received from Berkeheimer, Associates on the wage tax collection.
Clinton Smith presided.

Dallas Students Are Commended

Letters of Commendation honoring them for their high performance on the 1967 National Merit Scholarship Qualifying Test (NMQT) have been awarded to two students at Dallas Senior High School, principal Thomas H. Jenkins has announced.

Commended students are Ruth Besecker and John Anderson.

They are among 40,000 students in the United States who scored in the upper 2 percent of those who will graduate from high school in 1968. The Commended students rank just below the 14,000 Semifinalists announced in September by the National Merit Scholarship Corporation (NMSC).

Both students are seniors, both members of the National Honor Society, and both on the school newspaper. They both expect to continue their education.

the community or contribute toward the cost of one. Purchase of a used one is being considered, but it was pointed out that required personnel is still lacking.

A contribution of \$90 was sent to Kingston Township Ambulance Association to compensate them for several calls. These calls are to be authorized by doctors only except in emergencies. Persons who use the service are billed by the supervisors.

A resident desiring a copy of Jackson zoning ordinance came in very much disturbed because she could not find a copy in the courthouse. It was disclosed that she had gone to the Recorder of Deeds rather than the proper office.

Copies may be obtained from the zoning officer making a trip out of the community unnecessary. These sell for the cost of printing.

Next meeting date falls on election day and an alternate date will be announced.

Ruth, daughter of Mr. and Mrs. Frank Besecker of New Goss Manor, is a cheerleader.

John, son of Mr. and Mrs. Wilfred Anderson, Truckville, belongs to the Rcd and Gun Club, and to the Audio-Visual Society.

Chief Warns Pranksters

Pranksters in Dallas Borough are warned against undue vandalism which inflicts damage on property and homes.

Officer Jim Davies says the rash of vandalism is beyond reason and if guilty parties do not clean up their mess they will be arrested.

Oak Hill Group Meets Monday

Oak Hill Civic Association will meet on Monday evening, at 8 p.m. at the Jonathan R. Davis Fire Hall, Idetown.

Nominating committee, by laws and membership committees will report. All residents of Oak Hill are urged to attend.

Woman's Club To Plant Sesqui Tree

Dallas Senior Women's Club has announced that arrangements for the purchase, planting and dedication of a 12-foot Evergreen tree at the new Dallas Post Office grounds have been made by Mrs. George Payne, Conservation Chairman.

It will take place during Dallas Sesquicentennial Celebration Week.

"Back of every successful man stands an astonished woman... his mother-in-law."

Pancakes For Sesquicentennial Breakfast At Lehman

Sisters of the Skillet and Brothers of the Hill plan a pancake breakfast Saturday morning in Lehman Fire Hall, as one of the featured attractions of the Dallas Sesquicentennial.

Serving will be from 8 a.m. until noon. The menu will include juice, coffee, or sausage, home fries, toast

and coffee, plus all the pancakes you can eat. The cost is moderate, the food superior. Children half price. Tickets at the door.

In the picture, arrayed in Sesquicentennial gear, are these folks, not in order, but scrambled: Janice Ehret, Warren Mekeel, Hazel Borgart, Florence Davenport, Suzanne

Hudak, Cindy Oncay, Paul and Vera Hoover, Lewis and Emma Ide, Marguerite Dubill, Jessie and Billy Hagenbaugh, Elliot and Beverly Ide, and Bradley Ide.

In Nesbitt Hospital and unable to attend, was Mrs. Doris Mekeel, chairman.

Kingston Township To Add Third Officer, Funke Asks Better Lights

The hiring of a third police officer for Kingston Township became a distinct possibility Wednesday evening with all members in accord on the suggestion of Supervisor LaRoy Ziegler. Board member John Funke said it has been under consideration for some time to have someone answer all calls at the municipal building and he felt a better program for the township can be had by the addition to the force.

Mr. Funke also reiterated his desire for better lighting on the highway and Carverton Road and why the costs of installing were not available since he had noted better lighting in many communities through which he traveled. He said this had been a pet project of his for two years and since he would soon be leaving the board he would like to see it accomplished.

Chairman Edward Hall said studies had been made and he was in full accord with Mr. Funke's idea. Mr. Ziegler replied that raising funds for same had been the problem whereupon Mr. Funke said we were an progressive community and asked Solicitor Mitchell Jenkins to check into ways of installing better lighting and how other areas did it. This the attorney said he would do.

Vought Long asked why the light assessment had been raised and Mr. Ziegler said it had been reduced two cents a foot, the balance dwindled and it had to be brought up.

Deface Signs

Mr. Hall reported that Midway Manor had asked for signs to slow down traffic and available signs were placed there. A short time later he said, the 35 mile per hour signs had been defaced to read 15 miles per hour. Culprits are known

Dallas Ambulance May Buy Aspirator

Dallas Ambulance Association discussed purchase of a portable aspirator at a meeting of that organization Tuesday evening. More information on the necessary item will be available at next meeting. James Davies presided.

Each month drills are being held on ambulance procedure at 6:30 prior to each meeting. This week instruction was on Ambulance Loading and Unloading and Driving.

Present were in addition to Mr. Davies, Robert Besecker, vice president, Wesley Cave, Jr., secretary, Ed Roth, treasurer, Dave Carey, Bob Cartier, Bill Wright, Don Bulford, directors and crewmen John Carey, Jack Berti, Willard Newberry.

It's Called Graffiti

It's called Graffiti, and it's older than the written history of man.

It used to be scratched on walls in the form of crude pictures.

Nowadays it is mostly words of biological intent, and it blossoms right around the time of Halloween, soaped on windows.

Each new generation believes that it invented sex, and the earthy expressions incident thereunto.

It gets very tiresome to people who are past their first childhood and about to enter upon their second. There's nothing immoral about it. It's just tasteless, and very, very juvenile.

But you can't legislate good manners and good taste. We would like it better if Halloween were confined to only one night instead of the entire month of October.

Kindergarten Workshop Wednesday, October 25

Parents or guardians of a kindergarten child, are invited to attend a Kindergarten Workshop at Dallas Methodist Church Wednesday evening, October 25, at 8 p.m.

A specialist in the field of kindergarten education will speak, and a panel will discuss the Dallas School District's present program and answer questions submitted by parents.

Send questions to Mr. William A. Austin, supervisor of elementary education, Dallas School District, on or before Friday, October 20.

Individual problems and complaints will be handled privately and confidentially.

Blood Donation Friday In Dallas

The Bloodmobile will be stationed at Dallas Junior High School tomorrow, from 11:45 to 5:45. Mrs. Edward Gilroy is coordinator.

Residents from the Back Mountain are asked for a contribution of 200 points, to assure adequate coverage for the area for the next six months.

Natona Mills, Commonwealth Center Moreland, cooperate. Plastic bottles will be used, and each donor is assured of a new needle, never used by anyone else, to prevent any possibility of contamination.

Assisting in the collection will be Mesdames Nelson Nelson, Robert Williams, Frank Wadas, Gordon Dowe, Carlton Davies, Merrill Faegenburg, Fred Eck, Lee Corbett,

Sesqui Motorcade Heads For Sweet Valley Tonight, Leaves Bank 7:15

Mick Adams is ready to welcome citizens of Olde Dallas Sesquicentennial in Sweet Valley tonight. A motorcade will leave the Dallas Bank lot at 7:15 p.m. and meet at Adams Store at 7:45. There will be dancing and refreshments for everyone.

Then all friends and neighbors will go home and press their gowns and vests and tidy up their beards for the Dallas Sesquicentennial Variety Show at Dallas Senior High School Friday and Saturday nights. The show is already a sell-out for Saturday night. There are no more tickets available and none will be sold at the door. There are still

Tickets for Friday night's performance. The performers in the show are friends and neighbors or relatives of everyone in the Back Mountain Area and includes music and dancing plus all kinds of merriment. Some songs point out names familiar to everyone in the area and one song is dedicated to business places throughout.

The Sisters of the Skillet at Lehman Fire Hall will be busy serving breakfast from 8 to 12 Saturday morning. Information is elsewhere in this paper.

The Dallas Junior High School Dance with the Groovy Blues will be held at the Junior High Saturday night, 7:30 to 9:30.

The Back Mountain Ecumenical Sesquicentennial Worship will be held at the Dallas Senior High School, Sunday at 7 p.m. It is sponsored by the clergymen of the Back Mountain Area.

Meet Your Neighbor Night will be at Dallas Shopping Center, Tuesday at 7 p.m. Bobby Baird's Dixieland Band will play for dancing. No admission.

Dallas Senior High School will hold a dance for high school students only, Wednesday, 8 to 11.

The Dallas Rotary Club will hold a Sesquicentennial Dinner in conjunction with the Tri-Club Dinner for Rotary, Lions and Kiwanis on Thursday night at Lake Lehman High School. The dinner is open to the public. Call headquarters on Lake Street, Dallas (674-4666) for information.

The Sesquicentennial Ball sponsored by Dallas Kiwanis will be held at the Irem Temple Country Club Friday, October 27th at 9 p.m.

Two parades, the Firemen's on Saturday, October 28 at 4 and the Sesquicentennial on Sunday, October 29 at 2 will be held next weekend. Dallas Firemen have invited over 75 companies to participate plus bands floats and marching units.

The Sesqui Parade on Sunday will include Halloween marchers. There will be 30 floats, the Stegmaier Band, Boy Scouts and Girl Scouts, Brothers of the Brush and Sisters of the Swiss, Antique cars, Pony Carts, Dallas Dairy Locomotives, the Schuler Train, Democratic Club, Service Clubs, Cliff Parker's Kero Oil Wagon, Davis Market, Truckville Civil Defense Float and Duck, Dallas American Legion, 672, will all have floats.

There will be a complete list of all entries next week.

Rotary News

Tonight, Dallas Rotary Club will meet, not at Irem Country Club, but at College Misericordia, where arrangements have been made through Jack Ryan for dinner. A program will follow.

Last week, Rotarians heard Madeline Middleton, Rotary exchange student from Sweden, who spoke and showed colored slides.

Next week, Dallas Rotary will sponsor the Dallas Sesquicentennial Dinner in the Lake-Lehman high school cafeteria. Wives and guests are invited. See chairman Red Ambrose for additional tickets.

Early Sunday Morning Fire Destroys Munitions Plant

Prompt action by local firemen saved the Slinger plant from destruction early Sunday morning when the Hillside Manufacturing Company was consumed by flames. Pictured above is all that remains of the former munitions factory operated by William Croughn, Kingston for many years at Hillside which employed 30 men.

The former Conyngham Ice House was attached to the Slinger plant

and was of concrete block construction. Trucksville Fire Company was first on the scene and stayed until 11 a.m., that morning. They were assisted in combating the blaze by Jackson, Dallas, Shavertown and Luzerne Fire Companies.

No estimate of damages has been received, but the machine shop which produced weapons for World War II appears to be demolished. Flames broke out again in the ruins

by James Kozemchak, Jr. on Sunday afternoon and were quickly extinguished by Trucksville firemen under direction of Vought Long, chief.

Mr. and Mrs. Paul Gross, were among those on the scene that morning and were generous in their praise of the firefighters. Refreshments and hot coffee were supplied by the Red Cross, Donachies and the Trucksville Snack Shop.
