## MOUNT ZION

The marksmanship and generosity of Richard Dymond Jr., Donald Daniels, Richard King and Gerald Shaffer provided deer meat for the annual venison supper last Saturday night. Under the sponsorship of the Young Men's Sunday School class this event of the year is always enjoyed not only for its good roast beef, mashed potatoes, venison, gravy and pie but for its informal get-together spirit. The men serve and clean-up the supper and entertain themselves with just plain visiting. Those attending this year were: Harold J. Harris, G. Wesley Lewis, Cornelius Hastie, W. Repasky, Roy Thomas Sr., Bill Lowe, Tim Earl, Ernie Hoover, Bill Lowe Jr., Bill Miles, Ray Earl, Larry Earl, Vernon Shaffer, Charles H. Gilbert, Donald J. Schalk, Richard E. Kings, Ralph F. Swan, Bob Krum, John Lewis, Nelson Lewis, Alex Smith D. C. Gross Jr., Ralph B. Vosburg, Robert Earl, Thomas C. Lloyd, Walter Drummond, Roy W. Thomas, Richard D. Dymond, Kenneth Hoover, Richard Zim, Elwood Lord, Howard Perry, Thomas Miles, Thomas Miles Sr., Richard Lewis, Edward Miles, Ben Daniels, Ken Jenkins, Howard Earl, Thomas Earl, William Alling, Burrell Brace, Gerald Shaffer, Bill Hughes, Richard Dymond Jr., Richard King, Leon C. VanTuyle.

An important item of business was the announcement of the annual pancake and sausage supper on March 9.

**Singing In Hebrew!**

Inasmuch as at last week's oratorio rehearsal a tape recording of part of the Spring Concert was to be played, Catherine invited me to attend with her. After hearing that tape I can better appreciate what her individual home rehearsals are all about. Too bad Tuffy couldn't have gone along too, but then perhaps he might not have got the drift! At home Tuffy did not appreciate the note Cathy sang on the Hebrew word "echod." On the other hand perhaps he did! For on that note he reached his chin straight into the air as if in position for an oesophagoscope, and let out a note which happened to be in chord with Cathy's note. I'm sure he did not intend the momentary harmony!

But that tape! It was tremendous. It is a musical rendition of the Hebrew Sacred Service by Earnest Bloch. And if you have read the psalms or the Shema in Deuteronomy you know there is an ancestral depth of praise to the Almighty that should be musical. The Hebrew has not overlooked the song of the seraphim at the time when the prophet heard his great

call to holiness and mission in the words, "Holy, holy, holy" or as our chorus will sing "Kodosh, kodosh, kodosh."

It is a great privilege to have a gifted man like Clifford Balshaw interpret capably some great music to a group and then to have that group interpret the same in chorus to the community of concert goers.

**Valley Crest**

Often in this column I have mentioned the work of Valley Crest in providing a Day Care program of physical rehabilitation to those who are able to attend by the day at the facilities as directed by Mrs. Margaret Spencer. Now her work is being carried on by Mrs. Catherine C. Donnelly of West Pittston. Mrs. Spencer is now the Director of the Bureau for the Aging in Luzerne County and an office is being fitted up for her work a few doors down the corridor from where she formerly was. It is heartening to note how much is being done and planned for the aged years of our lives.

## Girl Scouts Taking Orders For Cookies

This is Cookie Sale Time for Girl Scouts of Penn's Woods Council. Over 9,000 Girl Scouts representing some 420 troops of the Council are participating in the annual Sale, this year scheduled to continue through Friday, February 2.

In discussion about the Sale, Mrs. Harold Rosen said, "to the general public the Girl Scout cookie is almost synonymous with Girl Scout. For once a year, the little or big girl in green will knock on her neighbor's door and ask... 'What kind of cookies would you like to buy for 50 cents a box?'"

"A Girl Scout leader might face the arrival of the Cookie Sale with fear and trepidation... for her weekly troop meeting might be interrupted... or once again she might be besieged with paperwork to make an accounting of her troop's cookie sales."

"To the parent it might mean delivering 30 or more boxes of shortbread, peanut butter patties, thin mints, sandwich cookies or almond swirls—through the snow... or purchasing just 'one more' only after she already has bought 10 boxes."

"But, to the Girl Scout it might mean that one camping experience... the reason she really joined Girl Scouts. A percentage of the Council cookie profit is allocated for Camperships. Or, as a troop, it might help defray the expenses of a camping trip... So, your Girl Scout might have an opportunity to enjoy the out-of-doors with other Girl Scouts in her troop."

"As a Cadette, she might be helped to attend a Conference or Inter-Council Camping Event. Or, as a Senior, a National or International experience... the culmination of many years in Scouting. All Girl Scouts benefit from the Sale. Much of the Council's cookie profit is used for camp operations so that the camp fees can be kept in reach of all."

"To the Council, the Cookie Sale represents bricks and mortar... such as the new dock at Camp Wildwood, Harveys Lake -- 56,000 boxes sold; a new Sleeping Wing at Camp Joy Lo, Hobbie -- 84,000 boxes sold; and a swimming pool for Camp Louise, Jonestown -- 280,000 boxes sold."

"All in all, the Cookie Sales help the Girl Scouts considerably... and continued support will be appreciated. Also, we know the public will enjoy the cookies."

# EAST DALLAS

Barbara Mikolajchik, a dietitian for two years in New York University Hospital, New York City, spent last week end with her parents, Mr. and Mrs. Ed Mikolajchik, Martz Road, East Dallas. Barbara was offered the position of head dietitian, temporarily while the head is off on sick leave. This is quite an advancement for her, but she is not sure she wants it as she loves the assistant and helpers on the floor where she is now.

Barbara is one of the few who come home every other weekend, instead of staying in New York, and finding other interests. She comes up on Martz bus, and is met in Wilkes-Barre by one or both of her parents, Friday evenings, and returned back the same way Monday evening.

Word just got to me that Myrtle Kunkle, Orange, fell a couple of weeks ago and broke her right wrist. Myrtle teaches a boy's class in Orange Methodist Church, and is a member of the Fidelis Class, which made up a lovely Sunshine box for her, which she greatly appreciated.

Mrs. Lucy Morgan, Ransom Road spent five days with her sister, Ruth Derby in Wilkes-Barre last week. Ruth was on the sick list, too.

John Newberry, son-in-law of Lucy, returned to his work after being ill at his home Friday and Thursday, plus the weekend. Glad to hear you are better, John.

Mrs. Fred Howell, mother of Glen Howell, Demund's Road, has been ill and spent the last few weeks with her daughter Blanche Love and family in McHooch. I wish you a complete recovery and glad to hear you are home again!

While talking to Mrs. Carl (Mildred) Cries, Demund's Road, Commander of the Wyoming Valley Navy Mother's Club, Number 899; she told me that any mother whose son is in the navy, coast guard, marines, sea Bees or any branch connected with the water is eligible to join; even if they are in the reserves. The club meets the 1st

Wednesday of every month in the American Legion Home, North River Street, at 8 p.m. The next meeting will be February 7, and visitors are welcome. They do volunteer work at the Veterans Hospital, sponsor various parties, etc., to raise funds to carry on their work. Mrs. Minnie (ED) Sidorek of Fernbrook is adjutant, and any one wishing more information may contact Mrs. Gries or Mrs. Sidorek.

**George R. Russ**

George R. Russ, son of George J. Russ, Washington Crossing, in the Navy, graduated from a four month's engineering course; leader in a class of 61. On his graduation certificate was written "Excellent Standing." George is now stationed on the U.S.S. Twining, San Francisco, Calif. The same training ship his father had had training on, for a two week's cruise. His father is the commander in New-Jersey Reserves. Mother is the former Dorothy Gries. "You are never too old to learn," I thought that a son with the same name was "Junior," but I was told that if the middle name was different, then "NO JR., I wish some one would put me straight."

Wilson and Mary Ryman drove to Johnson City last week to help celebrate George Ryman's wife Ethel's birthday. A family dinner was enjoyed with their daughters being there and Wilson and Mary. Happy Birthday, Ethel!

Wilson and Mary traveled to Williamsport last Friday to pick up a friend of daughter Inez; Mary Loss from Du Bois, Pa., where she and Inez both teach. She (and Inez when she comes home) comes by bus to Williamsport, and are met by some one up here and brought to East Dallas. Same goes for the return. Mary spent the week end with the Ryman's.

Russell Jaques has returned to his home after having been a surgical patient in Moses Taylor Hospital, Scranton.

Did you read about Frank Wall, a 62-year-old bakery worker, who

won one of the "dreamland's" biggest windfalls—\$770,658—and took it calmly. He went straight out and bought his wife a present. It was a necklace costing \$420. "Money doesn't mean a thing to me," said Wall. Real generous, eh!

Mrs. Russell (Helen) Siley went by bus last Sunday to visit their son Charles who is a patient (surgical) in Raritan Valley Hospital, Green Brook, N.J., Room 206, in case any of his friends in East Dallas would like to send him a "get well" card or a letter which he would appreciate. Helen returned Tuesday evening. His sister Mary Morgan and Betty Lamoreaux drove down to visit him last Saturday. Charles had part of his foot amputated at his work, a few years ago and it is still giving him trouble.

Congratulations to Mr. and Mrs. Larry Sorber, Outlet, Harveys Lake, over the birth of their first child, a baby girl, weighing 8 pounds, was born Friday evening, January 26, in General Hospital. Larry is the organist in the East Dallas Methodist Church. All three are doing fine.
