Firemen State Bridge Not Safe Refuse To Cross

Kingston Twp. Gets Third Full-Time Police Officer

Kingston Township Supervisors Wednesday evening approved appointment of a full time third police office, provided better lighting for Memorial Highway and a part of Carverton Road, and heard Shavertown Fire Company's ultimatum that they would not answer calls via the old Franklin Street Bridge. Unitord Culver was named a nev member of the force. Police hours will be rotated. Chairman Hall said he favored four officers for best

Replacement of present lights on two highly traveled thoroughfares by 34-70 lumen vapor lights and six 11 lumen vapor lights and the replacement of one existing mercury light, suggested by Mr. Schappert of UGI at a slightly higher cost of \$88.30 per month met with approval of the board. The improvement had been proposed by former Supervisor John Funke some time ago.

Louis Ranier said all areas should receive equal lighting. Mr. Mathers Mr. said this would be accomplished as soon as possible. Mr. Funke said that he had listened to Mr. Ranier's complaints for many months and he was most happy to see better lighting installed, that if one life was saved it would be well worth the added expense. The lights will be replaced from Birch Grove to Fernbrook Corners and out Carver-Fernbrook Corners and out Carverton Road to Dug Road.

No Longer Safe Andrew Roan, president of Shavertown Fire Company, stated that men and equipment would no longer use the Franklin Street bridge taking a longer route to reach homes within a stone's throw of the fire

John Riordan, a visitor, informed the group that all bridges were

Mr. Hall replied that he felt the the prayer. Dallas Senior High board was responsible although there was no deed to take it over and Soliaiton Mitch like the control of the co and Solicitor Mitchell Jenkins had checked in the matter. Roan responded that the fire company would give every support to putting

pressure on those involved. Roan reminded the board that were put up there were to be signs posted warning motorists to stop posted warning motorists was a specific motorist warning motorists to stop posted warning motorists was a specific motorist warning motorists and motorists was a specific motorist warning motorists and motorists was a specific motorist warning motorists which was a specific motorist warning motorist warning motorists which was a specific motorist warning motorist warning motorists which was a specific motorist warning motoris on the flashing red lights. Rev. Charles Gommer said the issue was "How much value you place on a child's life?" Mr. Hall and Mr. Mathers said an extra crossing guard would be provided.

LaP Ziegler was named to the Luzerne County Planning Commis-

The chairman praised Road Superintendent Lawton Culver and members of the crew for the fine clean up job done last week. Mr. Culver reported 18 loads hauled away and an extra day required.

Haulers Petition A petition of 187 signatures mostly from out of town residents urged the continuing use of Church Road by trucks. The board placed a 5 ton limit on it and said there had been an agreement by American Asphalt to keep the road in shape. Use of Huntsville Road via Overbrook Avenue could add additional miles, the petition stated. Until the bridge at Hillside is rebuilt there is no easier access to the asphalt plant or another gravel pit in Jackson Township.

Paul Sabol obtained use of township snow fence and posts and police protection during the Trucksville Firemen's 50th Anniversary celebration.

Leslie Eckert obtained permission to tricout a local musical group for a dance on May 29 at the municipal building, all proceeds to go to Trucksville Fire Company.

Diane Long was named to prepare the tax duplicate.

Mr. Ziegler proposed a meeting with Lackawanna and Luzerne Garbage Collection Company, and Mr.
