

EAST DALLAS

Ellen Fuller, daughter of Mr. and Mrs. Pete Fuller, Orange, is spending a week at home, during mid-semester, from Allentown Hospital where she is a student nurse.

Mrs. William Perrego, Orange, was taken by ambulance, Monday, May 13, to the home of her granddaughter, Donna (Dick) Sands, in Southport, for a visit. Donna is a nurse and will enjoy having her there where she can help grandma recover from the bad fall she had some time ago. I am sure the change will do Mrs. Perrego a lot of good.

Albert Matukitis, son of Mr. and Mrs. Alex Matukitis, has returned to King's College after being ill from an infected tonsil.

Lucy Morgan And Family
Lucy Morgan, Ransom Road, remains a surgical patient in General Hospital. Her daughter, Ada (Larry) Brown and family, Philadelphia, spent last week with sister, Diann Newberry and family to be near Lucy and to have Diann mind her children while she and Larry

flew to Michigan. Larry has been promoted to Branch Manager, and District Superintendent for Heinz, covering all of Michigan and part of Ohio; so their flight was to purchase a home in Michigan. Ada said they found a lovely home in the country resembling East Dallas, and are so happy to be out of the congested city. Still a country girl at heart!

Farewell Party
Center Moreland Methodist Church Social Hall was packed to capacity Sunday evening, May 19, where a farewell party was held for the three churches of the charge in honor of Rev. Howard Hockenbury and family who will be leaving us, we regret to say. An excellent program was rendered by some of each church; also all three choirs gave special selections, including the East Dallas Jr. Choir. Gifts of a full course dinner set, beautiful linen embroidered table cloth, gorgeous artificial floral centerpiece and a story book for infant Paul. Refreshments were

served after short talks of thanks from Howard and Carol Hockenbury. We wish them well in their future parish.

The 4-H sewing club will meet in the East Dallas Church Hall, Saturday, June 1, 12:30 to 3:30.

Mr. and Mrs. Herbert Loomis, Tunkhannock, were guests of Mr. and Mrs. Ted Wilson for dinner last Sunday, after which they all four traveled to Williamsport on business.

Mr. and Mrs. Frank Edwards and daughter, New Jersey; visited the Ted Wilsons Sunday evening, after having visited his family in local areas. They were former East Dallas residents.

Mrs. Jennie Culver, Sweet Valley, sister of Ted and Giles Wilson, has been a patient in Geisinger Hospital recently. I hope she is out by the time you read this.

Mrs. George Ryman
My sincere sympathy is extended to the Ryman Family over the passing of Mrs. George Ryman last week, former residents also of East Dallas, now living in Johnson City. Ethel had been ill for a long time and we know that GOD knows what is best for HIS children, which she certainly was one of them.

There will be a Franklin Township Supervisor's meeting Friday, June 7, 8 p.m., in the Orange Methodist Church Hall.

Joey Fuller, 10 year-old son of Mr. and Mrs. Pete Fuller, Orange, has returned to his home from the hospital, where he was taken by ambulance after being knocked unconscious from a fall from his bike, Saturday, May 18. He suffered a slight concussion and was kept in the hospital a few days. Franklin Township license had not arrived yet for their new ambulance so Dallas ambulance was used for which they are thanking very much.

Happy Birthdays are extended to Mrs. Pearl Howell, Fred Hawke, Alex Matukitis, Michelle Cybulski, Carilyn Spudis, Pamela Moore, Mary Morgan, Barbara Moore, Glen Howell, Sandra Strazdus Sheehan, Phyllis Tondora.

That "BUG" is sure flying around. Keith Moore was ill last Saturday and Sunday, then Bob, Hilda, Patti and Holly were hit Monday evening and all day Tuesday and Wednesday. I was thankful I was feeling good and could help out when needed most, but I got it any way and was laid up a couple of days. Believe me it was no fun.

electric heat **electromode**

LOW INITIAL COST
Total cost (equipment and installation) is much less than for any other heating system. There's no expenditure of time or money on pipes, ducts, radiators, chimney or fuel storage facilities.

REASONABLE OPERATING COST
You'll be surprised to learn how favorably electric heating costs compare with fossil fuel costs. And you can know in advance what it will cost to operate the Electromode electric heating system recommended for your home.

INCOMPARABLE COMFORT AND CONVENIENCE
In addition to its unmatched safety and cleanliness, Electromode electric heat offers you individual room temperature control. Draft-free warmth wherever and whenever you want it, with no waste heat anywhere!

EXCLUSIVE SAFETY GRID
Only Electromode electric heaters have the Cast Aluminum Heating Grid, the safest and most efficient of all electric heating elements. SAFE because the actual heat producing wire is embedded deep within the casting. EFFICIENT because of the special heat transfer characteristics of aluminum.

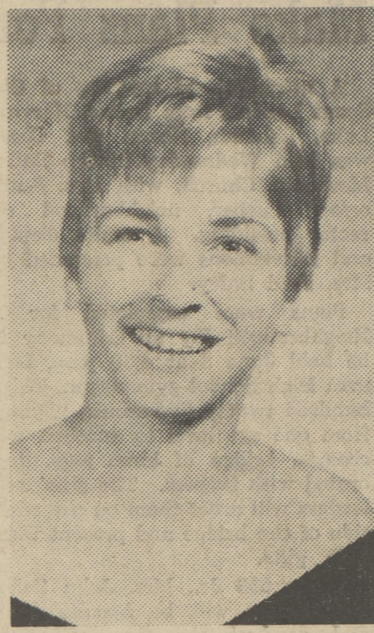

Plan NOW to enjoy the many advantages of Electromode electric heat. Your Electromode dealer listed below will be glad to give you an installation and operation cost estimate, without obligation.

Lock Haven Graduate

JUDY F. BALEWSKI

Judy F. Balewski, daughter of Mr. and Mrs. Emil Balewski of Noxen, was one of 244 students who graduated from Lock Haven State College on Sunday, May 26. She received a Bachelor of Science in Elementary Education and has accepted a position as first grade teacher at Newark, N.Y. She was graduated from Tunkhannock High School.

Dr. Frederick K. Miller, Commissioner of Higher Education, Department of Public Instruction, delivered the address at the college's ninety first Commencement. Dr. Gerald R. Robinson, Dean of Academic Affairs, presented the graduates to Dr. Richard Parsons, President, who conferred the degrees. Singing of the Alma Mater and benediction closed the ceremony.

SHAVERTOWN

Much Scheduled

Memorial Day promises to have a lot of activity for those who enjoy staying in the Back Mountain for the special day. Right here at home we will see officials on hand for the dedication of Frances Slocum Park in Carverton with a luncheon preceding the ceremony.

Sweet Valley will have a horse show and parade, Noxen a grand march and in Dallas there will be the usual observance. All this will be well attended provided the rains stop and everyone is anxious for an end to the water fall. We can say, however, that the grass is certainly greener and the weeks are growing faster than the lawns which are a job to keep in shape with all the precipitation.

Getting Ready

When you hear the fire alarm ring every week it means that the boys are completing plans for their big summer festival.

I am informed that Mr. Hall is putting forth every effort to get that Franklin Street Bridge taken care of and some information should be forthcoming soon.

New Director

With the selection of Bernard Novicki for the school director post we have a man well qualified. In fact there were many who would have liked to see him serve as supervisor. A graduate of Kingstons Township Schools and King's College, Bernie is a most successful businessman and should be an asset to the board. In addition to his coal company enterprise he raises handsome Angus beef and Christmas trees. There is no other spot where he would prefer to live and we are glad that he feels that way.

Home Again

While his many friends were saddened to hear that he might have to stay in Florida for a while, Dr. Blase courageously made the trip by plane in a cast and following surgery. So he is back in his favorite spot again and we know that recovery will be more rapid when family and friends are close by. Charles Coslett drove his car home from Fort Lauderdale and his wife stayed on to visit with her sister, Mrs. Charles Howe and family.

Here And There

Our sincere sympathy goes out to the family of the late Mrs. Mae Dampf. She was one of the most intelligent people it has been our privilege to know and was not only endowed with brains but beauty as well. Having traveled widely there were few nations and customs of which she was unaware and it was a real pleasure to converse with her.

Mrs. William Frederick underwent surgery last week returning home on Monday. She was a patient at General Hospital.

John Henninger and his son John Jr., returned home last week after spending some time with his daughter, Mrs. Beth Krush and family at Wayne, Pa., and going on to Ohio.

Bobby Voelker came home from Penna. State University for the weekend to celebrate his 21st birthday with a family party.

Mrs. Clara Troxell is among those who recently returned home from Florida and is residing with her son Wayne and family in Dallas. Mr. and Mrs. Frank Wadas, Sr., will go to Mansfield State College on Thursday to see their oldest son, Frank, Jr., receive his degree in Biology. The new graduate will teach Science at Tunkhannock High School in the fall and will wed Miss Pat Corda, a graduate of Nesbit Memorial Hospital on August 24. We are happy they will remain in this area.

Completing his junior year at Wilkes College is David Wadas who is majoring in Business Administration. Dave will undergo plastic surgery to correct accident injuries on June 3 at Mercy Hospital.

Among other neighborhood graduates this week will be Bill Hontz who will receive his sheepskin from Bloomsburg State College. His parents, Mr. and Mrs. Obed Hontz will attend the ceremony on Sunday.

The John Clauses are getting ready for that trip to California next month when their first grand-

child is scheduled to arrive.

Mrs. Carlene Carey is ill at her home.

Gilbert Turpin is a patient at General Hospital where he was admitted last week.

Evergreen Cemetery
How nice Evergreen Cemetery looks this year and we cannot help but remember what a change has taken place in a short period of time since the Association of Lot Owners took over. A little care can produce such welcome results and the committee has done a splendid job.

Mrs. Emma Stahl will return to Silver Springs, Md., on the weekend returning with her daughter, Mrs. Grant Holmes after spending several weeks with her son and daughter-in-law in Shavertown. She plans to return again in August when some of the grandchildren and great-grandchildren will be arriving.

Mr. and Mrs. Thomas Morgan are planning to move to Maryland after their home is sold here. They have been residents for many years.

Legal Notice —

The Lake-Lehman School District hereby gives notice that a proposed budget of the amount of funds that will be required by the School District in its several departments for the 1968-69 fiscal year is available for public inspection at the office of the Secretary, Lehman Elementary School, Lehman, Pennsylvania.

It is the purpose of the Board of Directors of the Lake-Lehman School District to adopt this proposed budget after making such revisions in it as are deemed advisable and levy the proposed taxes at a special meeting of the Lake-Lehman School Board, Tuesday, June 25, 1968, at 8:00 p.m. in the Lehman Elementary School, Lehman, Pennsylvania.

Notice is also given of the provisions of Act 193, approved June 30, 1951 (P.L. 962), requiring every resident or inhabitant of the School District upon attaining the age of twenty-one years and every person twenty-one years of age or over becoming a resident or inhabitant of the District to notify the proper assessor of this fact within twelve months thereafter. Failure to comply with this requirement subjects the individual to a penalty equal to the tax for which he is liable.

The Assessor's name and address for Jackson Township, Lake Township, Lehman Township, Ross Township and Harveys Lake Borough is Luzerne County Assessors, Assessor's Office, Court House, Wilkes-Barre, Pennsylvania. The name and address for the Assessor of Noxen Township is Wyoming County Assessors' Office, Wyoming County Court House, Tunkhannock, Pennsylvania.

By Order of the Board of Directors LAKE-LEHMAN SCHOOL DISTRICT Eleanor Humphrey, Secretary 21-22-23
