Bruce Zeiser To Run For Massachusetts Office

Bruce H. Zeiser, Chairman of the Wellesley Republican Town Committee, and grandson of Mrs. H. H. Zeiser, Huntsville Road, Dallas, has announced his candidacy for a seat in the Massachusetts House of Representatives in the November election.

Born in 1924, Mr. Zeiser attended Providence, Rhode Island, public schools and Peddie School, in Hightstown, New Jersey. He graduated from Harvard College in February, 1944; and, after serving in the Pacific as a lieutenant in the Navy, entered Harvard Law School, from which he graduated in 1948.

Mr. Zeiser's political activity began shortly after he started the practice of law in Providence, with his election as Chairman of the Rhode Island Young Republicans. In early 1952, he helped form Citizens for Eisenhower; and he traveled throughout the country before the Republican National Convention as National College Director of Youth for Ike. In 1953 he accepted a position in Washington in the Civil Division of the Department of Justice, and in 1954 he was appointed Assistant to the General Counsel of the Federal Housing Administration.

Returning to Barrington, Rhode Island, in 1955, Mr. Zeiser was elected Town Moderator in 1956; and served the town in that and other capacities for a number of years. In 1959 he accepted a position with Lawyers Title Insurance Corporation, and subsequently moved to Wellesley as manager of its Boston branch office.

Bruce is following in the footsteps of his great, great, great grandfather, the late John B. Smith of Plymouth who was a member of the House of Representatives of Pennsylvania. He's loved politics since a little boy.

ATTENTION HUSBANDS!!

There are many things we love to see wives doing—cooking fancy dinners, baking splendid pies, even cutting the grass for their poor husbands laboring in musty offices or sooty factories.

But one item which should not be left to the Little Woman is the purchase of a Cemetery Lot. This is an assignment which the truly considerate husband will make sure he has handled (with her advice, of course) before the need arises.

You cannot go wrong in giving some earnest thought to this matter during the pleasant months ahead.
