Forty-Five Attend Gun Club Meeting

Harveys Lake Rod and Gun Club, Inc. met at the clubhouse, with approximately 45 members present on June 24th.

Messrs. Clair Fleeger (Fish Commission) and Ed Gdosky (Game Commission) were present and answered questions for the group.

Five prospective members names were approved, namely: Pete Fortuck, Ronald Kasasak, Arthur Louck, Dennis Noonan, and Aubrey Randall. These people will serve a 6 month probationary period and then be voted upon after recommendation from the Board of Directors.

The annual outing date is August 11; Carl Jones is chairman. All dues must be paid to be eligible to attend the outing.

Following the meeting, refreshments were served and movies (Sure as Shootin' and A Home Along the Way) were shown, compliments of the Game Commission.

Wildwood Girl Scout Dock Dedication In Memory Of Mrs. Neil Chrisman

Dedication Ceremonies of the dock and swimming area at Camp Wildwood took place on Saturday, June 29. The dedicatory address was given by Charles F. Hensley, Principal, Coughlin High School and Chairman of the Wildwood Dedication Task Group. Welcoming remarks were made by Edward Zalesky, Council Executive Director.

The new waterfront facility at Camp Wildwood, Harveys Lake, is dedicated to the memory of Mrs. Neil Chrisman, prominent civic leader of the Wyoming Valley Area, who, for years, served in numerous volunteer positions with the Girl Scout Movement.

In making the announcement, Mrs. Harold Rosenn, President, Penn's Woods Girl Scout Council, said the facility will be a standing tribute to the dedicated life of service to one's community exhibited by the late Mrs. Chrisman . . . "which life was truly a fulfillment of the Girl Scout Promise—that of

L-L Board Has Mop-Up Session

Passes Budget, OKs Transfer Of Land

Much of the discussion at the mop-up meeting of Lake-Lehman School Board Thursday night centered about the cost of the running track and other projected improvement to the athletic field.

The meeting was called to finalize certain matters before the opening of the new fiscal year.

A budget of \$1,406,513.00 was authorized.

Amusement tax remains the same, with Calvin McHose again authorized as collector at 4 percent.

Real Estate Transfer Tax remains the same, 1 percent of the purchase price. No reenactment necessary as the ordinance is already on the books. Millage and per capita remain the same, with 3 percent to a legally certified tax collector. (Justice of the Peace and tax collector officer incompatible.)

Minimum teacher salary \$200 higher than that mandated by the State, bringing the amount to \$5,600 per year.

Bids Opened

Malpass & Sons made the low bid of \$45,809 for the base of Work Area No. 1, plus \$11,061 for Work Area No. 2. Bidders were Raymond Dedden, American Asphalt, Luzerne Construction Company, and Malpass. Of these, Luzerne Construction Co. was high, with a base bid of \$57,250 for Work Area 1, \$13,000 for Work Area II.

The price of work on the athletic field, said director Kern, was higher than anticipated by the Board. He asked if the track work could be done this year, postponing the rest of the work until later.

Franklin Patton gave as his opinion that labor was getting no cheaper, cost of materials was rising constantly, and that there was no percentage in putting off something which would eventually have to be done, and at a probable higher figure.

Donald D. Smith, architect, called attention to the fact that Malpass had constructed the highly satisfactory track for Forty Fort high school, and that the quoted price was within reason.

Land Option

The question of land option on property adjoining the High School, postponed at a previous meeting because it was deemed advisable to include the price of \$20,000 in the 1968-1969 budget was cleared. The purchase from Willard Garey was passed at the meeting of March 12, with the proviso that Atty. Charles Lemmond, board solicitor, should slate the actual transfer for a date shortly after July 1.

Atty. Lemmond said he would have all work completed and the transaction cleared by July 10.

Miscellaneous

Miss Patricia Gonos, elected at the last regular meeting, did not sign her contract, which may be regarded as a resignation. Miss Suzanne Cox, a College Misericordia 1968 graduate, who has been doing practice teaching under Miss Hannah Culp, a temporary professional employee, was elected as elementary teacher at the minimum salary.

Appointed to serve on the board of West Side Area Vocational School were three directors: Ide for one year; Patton for two years; Kern for three. Mr. Ide will serve only until reorganization of the Board in December.

It was recommended that Bonnie James replace Miss Hannah Culp as instructor for the summer reading program; and that Mrs. Edward Jones be employed as a Teacher's Aide. This completes the ESEA summer program.

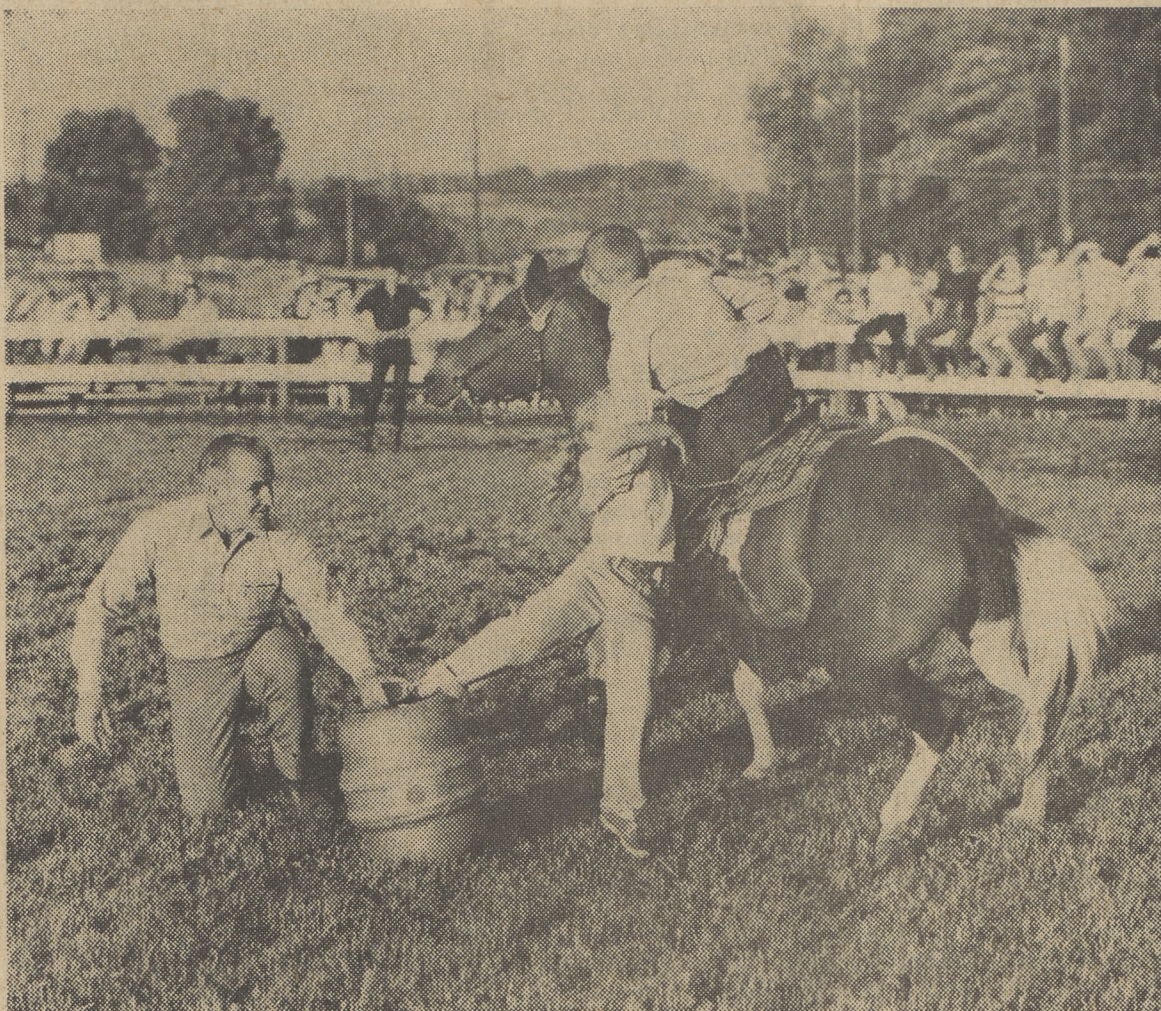

Wildwood Girl Scout Dock Dedication In Memory Of Mrs. Neil Chrisman

Duty to God and country, to help other people at all times, and to obey the Girl Scout Laws."

Mrs. Chrisman was born in Wilkes-Barre and served in community activities as the United Fund and Wyoming Valley Garden Club, the North Mountain Club and the Thursday Club. Her activities within the Girl Scout Movement included being a Girl Scout Commissioner for the Wyoming Valley Girl Scout Council, an active member of its Board of Directors for many years, Chairman of the Wildwood Camp Committee and later a member of the Wildwood Task Group.

With the formation of Penn's Woods Council in 1963, Mrs. Chrisman continued to serve as an official representative on numerous committees and task groups of the Council, giving service to help provide and expand youth opportunities within the Youth Movement of Girl Scouting.

They'll Be Here Again, Nimble As Ever, At The Lehman Horse Show

Five members of the Skip Heller family, Mohawk Stable, Harveys Lake, will ride in the Lehman Horse Show on July 4 and 5. They range in age from four years to seventeen. Expert horsemen and women, the Heller family has always supported and participated in the Lehman Show. Shown here are two of these daring riders as they try to "take home the money" in the pick-up race. Ringman, Dick Mekeel, is seen at the left.

Bring the whole family . . . and kick up your heels and have some fun . . . at the 24th annual Lehman Horse Show, July 4 and 5 . . . with

special festivities the evening of July 5. It won't cost you a cent to park . . . and no admission charge for those youngsters 12 years of age and under.

There will be plenty of pizza, hot dogs, french fries, hamburgs . . . you name it . . . the Lehman Firemen will have it. If you prefer, treat yourself to a chicken dinner on the show grounds on July 4, starting at 11 o'clock.

This year the youngsters will enjoy games of skill on the grounds, under the direction of Joe Johns. Friday evenings program will open at 7:30 with music for dancing on

the green by "The Dukes" . . . followed at 8:30 by "The Starfires." During the course of the evening area amateur entertainers who were auditioned earlier will compete for prizes. The crowning ceremony for the Horse Show Queen is scheduled for approximately 9 o'clock on Friday.

One hundred sixty horses are listed in the show program and according to show chairman, Myron Baker and Gil Tough, many more horses usually enter as post entries. The show promises to be the largest ever staged by the Lehman Volunteer Fire Company.

Patterson Grove's Centennial July 4

Patterson Grove Centennial is slated to start on the Fourth of July.

Cottage holders will hold their regular annual meeting at 3 p.m. in the auditorium.

The Methodist Camp Ground has been in operation ever since the summer of 1868, when the Civil War was still a raw memory for the boys who fought the good fight on both sides, and for the parents of the boys who did not return.

The Camp Meeting lasts for an entire month, combining vacation with spiritual observance and entertainment.

Life Member Of Antiques Committee

MISS FRANCES DORRANCE

The Library Auction Antiques Committee has two life members. Miss Frances Dorrance and Mrs. Fred Howell.

Both women were in large measure responsible for the first Library Auction, a project which was looked upon by the community in the light of a rummage sale . . . until the returns from the Auction were announced.

Instead of the \$1,000 which had

been the goal, the figure shot well past the \$3,000 mark, and the Library Auction at once became a summer fixture of Back Mountain life.

Miss Dorrance is a past president of the Library Board. Mrs. Howell has been its secretary for years. Miss Miriam Lathrop, now living in Sun City, Arizona, was the first librarian.

Warlocks' Visit Over-Publicized

Real Problem Is Not The Philadelphia Gang

The anticipated return of a motorcycle gang, "The Warlocks," who invaded Old Sandy Bottom a week ago from Philadelphia, failed to materialize on Sunday, and there is a strong possibility that the visitors may not make another appearance here.

According to eye witness reports the gang members did go in swimming with their clothes on but there was no other act committed which would necessitate an arrest by local police.

The acts and aggravations of a local gang, "The Vultures" has stirred more concern. This group from Pittston, Exeter, and Wyoming has performed assaults in a number of cases and harassed motorists.

A local school authority was approached one evening recently but managed to outwit his aggressors.

At Harveys Lake on Saturday evening, a disturbance at a dance there resulted in some damage.

Kunkle and Franklin Township have had some incidents. It is believed that this was largely responsible for the appointment of a Police Chief in Franklin Township, the smallest Back Mountain District. Chief Bartholomew has had much experience in the police field.

The whole situation calls for midnight to morning coverage for the entire Back Mountain and an overall supervisorship which will give citizens of a good community the protection they deserve.

SUDDEN SUMMER
