

Jackson Township

Fall Festival
Annual Fall Festival, the 21st, of the Jackson Township Volunteer Firemen will be held on Saturday, October 12th, with a turkey dinner starting at 4 P.M. This is a big project and requires much help. Don't wait to be invited to help, offer your services where you feel you can serve best. Do your bit for this volunteer group which stands by to protect your property. Call Carl Aston, president of the Firemen, or Marge Zbick, president of the Auxiliary and tell them what you are willing to do.

Happy Birthday
Since part of my column was not printed last week, I now send belated birthday greetings to Mrs. Willard Wright on the 19th, to Mr. Robert Culp and Melody Smith, on the 20th, to Karen Kashenck on the 21st, and to Mr. Theodore Prushinski on the 24th. We also send greetings to Mrs. Edgar Lashford and Mrs. Alden Wagner on the 26th and to Mr. Elmer Laskowski on October 1st and to Mark Ivan on the 2nd.

Mr. and Mrs. Joseph Emerick took some sweet corn and other garden produce up to Endicott, N.Y. to share with Mr. and Mrs. Joseph Dane and

family on Sunday.
A Big Hand For Them Zbick
Mrs. Henry Zbick and Mrs. William Burk have assumed leadership of our local Brownie troop and the community is deeply appreciative. Still needed is a leader for troop of Junior Girl Scouts. Mrs. Betty Cooper, 67*5-1575 is awaiting a call from a volunteer for this activity.

Cub Scouts
Our Cub Scouts have new den mothers this year. Mrs. James Mahon will be assisted by Mrs. Henry Ziminski with one Pack and Mrs. Dale Wright will be assisted by Mrs. Bertram Balliet on the other. A Pack meeting, the first of the season will be held next Thursday, the 26th at the Firehall at 7:30. Each boy must be accompanied by at least one parent. Any boy eight years of age, or in the 3rd grade is invited to join. Mrs. Wright tells me a leader is still needed for Webelos. She and Mrs. William Teske are working with these boys until a man is found to take over.

Mr. and Mrs. Granville Carey and Mr. and Mrs. Herbert A. Reigel were up from Pottstown this past weekend to visit Mr. and Mrs. Dale Wright and sons.

HOSPITAL CHILD CARE EXAMINATIONS

Entrance and promotion examinations for child care positions in State hospitals and schools will be held periodically at the instructions during the last four months of 1968, the State Civil Service Commission announced.

Harry P. Griffiths, SCSC executive director, said applicants should apply immediately at the hospital in which they wish to work. Information concerning test dates may be obtained from the personnel offices at all institutions, according to the Commission director.

Applicants for child care aide trainee must be high school graduates, able to learn technical terms and understand behavior patterns. No previous work experience is required.

Requirements for child care aide candidates include at least one year

of paid experience in the care of the mentally ill, or completion of a training program approved by the Office of Mental Health. "Perhaps no qualification for child care positions is of greater importance than an applicant's desire to be of assistance to the mentally ill or retarded", Griffiths said.

Salaries range from \$158.00 bi-weekly to \$222.50. Employment opportunities are excellent, particularly in the metropolitan areas.

Applicants and information are available at County Boards of Assistance Offices; Pennsylvania State Employment Service Offices; Personnel Offices, State schools and hospitals for the mentally retarded; and at State Civil Service Commission offices in Harrisburg, Pittsburgh, and Philadelphia.

Fish... The Brain Food?

That, we're afraid is a myth. However, many smart people eat a lot of fish... for a couple of very healthy reasons.

Fish is very good for you. It's an excellent source of high-quality protein. Flounder, Cod, Halibut, Haddock and Ocean Perch contain less than one percent fat. Fish provides a treasure chest of minerals and vitamins.

Fish is also highly recommended for people who are watching their weight. No other food provides so much protein with so few calories, yet is so satisfying.

Your A&P features a wide variety of fish. Our own CAP'N JOHN'S line of frozen fish and fish dinners is unsurpassed for quality, flavor and value.

Join the smart people who serve fish often. The smartest of the smart serve CAP'N JOHN'S... available only at A&P.
