The Nanticoke Area Trojans came out on top of the Dallas Mountaineers for their sixth straight victory of the season, last Saturday evening before a large crowd at Hanover Stadium

The Dallas boys pulled a few courageous plays, but couldn't gain any ground as they only hit the Trojan 42-yard line once all night

Nanticoke's Pantaloni took Lefko's opening kick and returned it to their own 43-yard line, where four plays later quarterback Tom Bilko heaved an aerial to his brother Steve, and raced to the 10-yard line where he was brought down and fumbled. Jim Rhinehammer then

showed up at the scene to scoop up the ball and take it across for the tally. The PAT kick, by Mike Sivilich, was good. In the second quarter the Trojans scored again after Rhinehammer returned Morris'

fourth down punt 45-yards to the 25 of Dallas. After two successful ground plays by Bilko and Evans the ball was on the 6-yard line of Dallas, Bilko then took the pigskin across the line for the TD. The PAT kick was good.

After regaining the ball, Trojan Steve Bilko went across the line for what appeared to be a touchdown, but because of carelessness lost the TD and 15-yards, taking them back to their own 40 and ending the first-half.

Leading at the start of the first quarter, 14-0, the Trojans put seven more up on the score board. After receiving a forth down punt on the 8 of Nanticoke, halfback Rhinehammer took off down field, and with the aid of blocking from his teammates, ran 92-yards into the end zone. The conversion by Sivilich

again split the uprights. The brother team of Tom and Steve Bilko again put another touchdown up on the scoreboard, when a handoff was made on the Goal-line and Steve goingg through the line via a hole made by Tackle Joe Oborski went across for the TD. PAT kick was good. After moving his team 48yards quarterback Larry Galazin capped his march with a 14-

yard touchdown pass to Volpicelli, making the final score of the evening. The PAT kick was blocked.
