

# Jackson Township

Miss Sarah Baab of Benton spent a recent weekend as house guest of Mr. and Mrs. Sheldon Rice. Their son Fulton flew in from Newport, Rhode Island, for the weekend.

We congratulate him on his recent promotion to Petty Officer 3-C. He is a radarman in the U.S. Navy.

The community expresses its sincere sympathy to the families of Mrs. Mary Havrilla and Mrs. Anna Witek. Funeral services for both ladies were held on Wednesday, Oct. 23rd.

Mr. and Mrs. Dale Wright were called to Pottstown on Oct. 17th by the illness of Mrs. Wright's father, Mr. Granville Carey.

Mr. Carey is improving at Pottstown Hospital. Grandma and Grandpa, Mr. and Mrs. Willard Wright kept the four children while their parents were away.

They returned on Sunday from Pottstown and early that evening their 7 year old son Kenneth fell down five cellar steps and broke his left wrist. It was set at Nesbitt Hospital that same evening.

Congratulations to Mr. and Mrs. George Nemitz on the birth of a baby daughter at Nesbitt Hospital on Oct. 20th.

Mr. and Mrs. Richard Holodick were very surprised on Sunday evening, Oct. 20th, when friends walked in, bringing the refreshments and lovely gifts for a housewarming party.

The party was planned by Mr. and Mrs. Edward Havrilla and Mr. and Mrs. Robert Cooper. The death of Eddie's mother prevented their presence.

Other guests were Mr. and Mrs. Nicholas Holodick and Mr. and Mrs. John Coach, parents of the Holodicks, Mr. Gary Cooper and Mr. and Mrs. Chuck Cigarski. Marion said it was a complete surprise and a lovely party.

We send belated greetings, but warm, nevertheless, to Mr. Robert Cooper, whose birthday was Oct. 24th.

This week we send wishes for a happy birthday to Mrs. Robert Culp on the 6th of November.

Warm congratulations to Mr. and Mrs. Corey Major, who will observe the 52nd anniversary of their wedding on Nov. 1st. As Paul Harvey so aptly observes, "they are not all delinquent."

The two-fold club will meet Friday evening at the home of Mr. and Mrs. Elmer Laskowski. Mr. and Mrs. Glenn Johnson are co-hosts.

Because the regular date of their meeting falls on election day, the Board of Supervisors will meet on November 7th at 7:30 p.m.

Brownie Troop 658, at their meeting on Oct. 21st held im-

pressive ceremonies to invest 13 girls into Brownies. Mrs. Henry Zbick and Mrs. William Burk are leaders of the troop. The meeting opened with a flag ceremony. Girls invested were:

Susan Burk, Carol Ann Cigarski, Lisa Cochran, Christie Innes, Lynne Kasenchak, Cathy Kittle, Rae Ann Malak, Patricia Norris, Charmagne Robey, Evelyn Rowles, Debbie Schalm, Judiann Snyder, Rosemary Zbick.

Mrs. Ray Malak and Mrs. David Cochran served refreshments of cake and decorated cup cakes featuring a Brownie symbol, at a festive table featuring a Brownie as centerpiece.

Janet Ann Addison and Lisa Allardyce have recently joined the troop and will be invested in two weeks. Three girls, serving second year as Brownies comprise the 18 girls who meet each Monday at 4 p.m. at the fire hall.

On the 28th the girls were making Halloween masks by decorating paper bags.

Ladies Auxiliary to the Fire Department will meet on Wednesday, Nov. 6 at the usual place and hour, instead of the second Wednesday, which is the usual date of meeting.

Reason is the P.T.A. Open House at Lake-Lehman on the 13th. It is hoped a large group will attend on the 6th.

Marie Glogowski and Marion Holodick have arranged an interesting evening. A gift wrapping demonstration will be presented and door prizes will be awarded.

The new paving on Chase Road is a big improvement. I have already noticed that cars are moving along at greater speed.

There are a lot of children living and playing in the area, and I hope drivers use caution. We do not want a tragic accident here.

## Homecoming

Homecoming and Parents' Day will be held at Wyoming Seminary on Saturday, November 2.

Miss Agnes Gregson, Dallas, and Harold C. Snowdon, Jr., Shavertown, are serving on the Homecoming Committee, which will select a queen and judge the winning campus display.

Charles Pfifferling, Jr., is chairman. Other committee members include Mrs. Betty Kanarr Bierly, Dr. Howard Y. Harris, and Stanford Weiss.

All alumni and parents are cordially invited to browse through newly remodeled Sprague Hall from 9 a.m. to 1 p.m.

# Lake Lehman P.T.A.

Lake Lehman Joint School Parents and Teachers Association held its October meeting in the High School Auditorium recently with the president, James McCaffrey, presiding.

Regular business was dispensed of after which Mr. Robert Belles, Supervising Principal, gave a report of the open house meetings which will be held during American Education Week, November 11-17, in the area schools.

At the High School Mrs. Stephen DeBarry and Mrs. Martha R. Smith have co-operated to present a fine and interesting program.

Open house will begin promptly at 7:30 on the evening of November 11. All parents are asked to arrive at the High School with a copy of their child's own schedule of classes for a normal Monday school day.

As the guests enter the lobby area, they will be presented with a copy of the evening's time schedule and a copy of the floor plan of the building.

Parents will go directly to their child's homeroom. There starting promptly at 7:30 they will begin the open house tour just as their child goes through a regular school day.

At 7:35 each class will have its opening exercise and at 7:40 they will begin with the first period class. This class and all others to follow will be of ten minute duration.

At the end of this class, parents will proceed to their child's next class and continue throughout the complete days schedule ending at 9:00 in the cafeteria.

Here a tea will be held by members of the P.T.A. Mrs. Clifford Eneboe and Mrs. T.E. Jones, mothers of the presidents of the senior class and student council will pour.

The Future Teachers of America Club which consists of Senior High School Students who are planning on entering the teaching profession will act as guides for the evening.

They have also played a very large part in the planning of this open house by helping with the overall plans, making the schedules and floor plans, name cards for the teachers, setting up the bell system for changing

## senior women plan dinner

Dallas Senior Woman's Club Executive Board met at the home of Mrs. Floyd Slocum on Monday night.

Plans were made for the November meeting which will be a dinner honoring Past Presidents and new members who have joined the Club in the past year. Mrs. Robert VanHorn is Chairman of the dinner which will be held Wednesday, November 13th.

A letter was read from Mrs. Clayton Evans who resigned from the board because of having moved from the area.

Mrs. William Wright was named co-chairman of housing. Reports of chairmen were heard.

Mrs. Bette Dixon, Public Relations chairman, reported arrangements are being made to tour Natona Mills, Wednesday, November 20th.

of the classes and many other details which will lead to a fine exhibition to highlight Education Week.

To these students goes much praise for their part in this program.

Mr. Charles James, Elementary Supervisor, has announced that open house will be held at the individual elementary schools as follows: Lake Elementary and Noxen Elementary on Tuesday, November 12; Lehman-Jackson Elementary and Ross Elementary on Wednesday, November 13.

All open house visitations will begin at 7:30. At 9:00 a tea will be served by members of the local P.T.A.

Mrs. Gordon Dawe, Blood Collection Chairman, gave a report to those attending the P.T.A. meeting concerning the Blood campaign.

Blood will be collected on November 5 from 12:45 to 6:45 at the High School. An urgent appeal is out to all residents of the school districts to get to the school and donate. This is most important lest the American Red Cross refuse to continue its collection center at Lake Lehman due to lack of interest in this very important program.

A quota of 110 pints must be met in order to insure enough blood available to cover any emergency which might arise in any one of the five townships. Residents need not be a member of the P.T.A. in order to participate.

Likewise, if the quota is met everyone in the area will be eligible to receive the benefits of the Blood Bank. Illness and accidents don't wait to happen. Thus we must be prepared. Don't wait - donate!

Currently, the P.T.A. membership campaign is underway. All parents are reminded to join the P.T.A. and attend its meetings which are held on the second Monday of each month. In this way the fine work of this very worthwhile organization can be more effective.

Everyone has been quite impressed with the fine attendance and participation in this year's meetings and are certain that the interest will continue to grow as the year progresses.

Mrs. Leonard Cowett, Welfare Chairman, thanked the Club for making cancer dressings at the last meeting and suggested members bring canned goods to the next meeting.

Mrs. John Williams, President, thanked Mrs. Jack Stanley for preparing the membership lists which she distributed to the Board members.

Those attending the meeting were: Mrs. Williams, Mrs. Vern Groff, Mrs. Thomas E. Reese, Mrs. Herman Otto, Mrs. Bette Dixon, Mrs. L. L. Richardson, Mrs. Charles Mahler, Mrs. Harold LaBar, Mrs. Lester Jordan, Mrs. Fred Eck, Mrs. Leonard Cowett, Mrs. Ornam Lamb and Mrs. Claire Ohlman.

Also Mrs. Edwin Roth, Mrs. Jack Stanley, Mrs. William Schilling, Mrs. Robert Van Horn, Mrs. Robert Parker, Mrs. Lewis Reese, and the hostesses. Mrs. Boyd White and Mrs. Flohd Slocum.

# Dallas Senior High School

## Bluebirds

The Bluebirds played their last three hockey games away from the nest. After a scoreless but hardfought tied game with Lake-Lehman the girl's hockey team moved on to challenge Wyoming Seminary, Wyoming Valley West and Lake-Lehman again.

## Cider-Drive

The Dallas Senior High Key

Club will conduct its annual Cider Drive Saturday, November 2 in various local business areas. Proceeds from this drive are used to purchase food for needy families at Christmas. The Keyettes Service Club aids the boys in this drive. This drive is one of the most important civic projects conducted by the students belonging to this organization.

## Yearbook

Work on the 1968-69 Dallas yearbook is forging ahead. Editors chosen last week were: Peggy Futch, editor-in-chief; Joan Domnick, class news editor; Sally Harter, Features editor; Cheryl Futch, layout editor; Scott Peterman, business editor; Brian Beard, sports editor; and Vincent Roman, copy editor.

## Patron Drive

The 1968-69 Patron Drive, conducted by the Senior class, is now underway. All patrons should be sure to receive receipts. This drive is the only way in which the Senior class earns money for partial costs of the 1969 yearbook. The participation of the entire Senior Class is necessary in order to reach the class goal.

## Junior Dance

A Junior dance was held last Thursday at the Senior High. A really great band (The New Testament) entertained the crowd. Frank Kardell a member of the band, is also a student of Dallas Senior High.

Students will cover their own neighborhoods, going door-to-door accepting patrons for the yearbook. Chairman of the campaign is Sue Kozich, and Treasurer is Sally Harter. Home-

# Lake-Lehman H. S.

## Blood Collection

On Tuesday, November 5, 1968, the annual blood collection will be held in the gym of LLHS. Exactly 110 pints are needed to reach the goal for our area. Mrs. Jean Moledor and Mrs. Gordon Dawe are in charge. The collection will last from 12:15 to 6:45 p.m. Don't wait; Donate!

## Wilkes-Barre Parade

The prize-winning Lake-Lehman Senior Band, under the capable direction of Mr. John Milkauskas, will perform in Wilkes-Barre on Veteran's Day, Sunday, November 10. Entering the competition for the third year, the band has again vowed to bring home the first place trophy.

On Wednesday, November 13, the band will perform a concert for the Luzerne County School Directors. This concert will take place at the new Tech School in Pringle. We're sure they'll do a superb job.

## Senior Play

On Monday, tryouts were held for the Senior play. This year, a new idea is in effect at LLHS. Instead of having one play with one cast; there will be four plays with four different casts and four different directors. Those students who attended the Wilkes College Summer Theater workshop this summer will be assisting the faculty advisor, Mr. Francis Wilczewski.

## Miss Thomas Back To Normal

Developmental Reading teacher, Miss Jessica Thomas is back to normal after suffering fractures received in a summer fall. The cast which has surrounded her arm for almost 9 weeks has finally been removed and a weak smile can be seen now and then on her face. Miss Thomas is also advisor of the Future Teachers' Organization now in its thirteenth year at LLHS.

## New Cafeteria Attraction

At least, there's no need to ask every teacher in the school for a menu for the day, there's no waiting for an hour for them to look for it, and then remember that they put it on the bulletin board, there's no sneaking behind the teacher's back to get Sue to tell you what's for lunch.

Yes, at last we have a cafeteria menu bulletin board which is posted, ironically, in the cafeteria and seen at least twice by every student, faculty member, administrator, and janitor in the school. Congratulations, Cafeteria Staff. You've taken a step in the right direction.

## Art Work

What kind of finger painting is that? It looks like scorpions! Actually it's paper. That's really a fine thing to do—with paper. What is? Well, just take a look at the cafeteria art work. Mrs. Cornell is art instructor.

## fire guts section of Castle Inn

An early morning fire which came close to completely destroying the Castle Inn Restaurant Saturday, was promptly quelled by three local fire companies.

Only one section of the Inn was gutted by the fire. Of undetermined origin, the blaze is believed to have started in the office or ladies room reaching into the partitions. Three young women motorists saw the flames at 2:30 a.m. and rushed to Dallas to report.

Dallas Fire Company responded immediately and under direction of Chief Bob Richardson fought the stubborn fire and smoke for three hours. Shavertown and Idetown companies joined Dallas 45 men were on the scene.

The entire left rear section was destroyed from first floor to the attic. Scott pacs were used to penetrate the heavy smoke and streams of water were used to douse the blaze.

Robert Besecker, Dallas, was cut on the hand requiring several sutures performed at Nesbitt Hospital. No one was home at the time of the fire. Gus Fidrych is proprietor.

Workmen Monday morning put up partitions to allow use of dining room and kitchen until repairs can be completed.

room captains are; Marcia Wazeter, Anna Marie Arcuri, Sue Kozich, Sally Harter, Joan Nelson.

## Homecoming Dance

Plans and preparations for the Homecoming Dance are progressing. Any of the alumni wishing to attend should contact Kathy Munnell, chairman of the dance committee. The dance will be held Thanksgiving night at the high school. Additional information about the dance will be printed in this column as the chairman obtains more details.
