

SGT. F. D. McDONALD

off to Vietnam

First Sergeant F. D. McDonald left Friday for his second tour of duty in Vietnam. Sgt. McDonald enlisted in the Marine Corps in March, 1946. Upon completion of his recruit training, he was transferred to San Diego, Calif., for a course of instruction at the Sea School where Marines are trained for specific duties aboard ship. Leaving Sea School, he journeyed to Hawaii, where he boarded the aircraft carrier USS Tarawa. His tour of duty aboard the carrier lasted two years as part of the Marine Detachment. He then was transferred to Great Lakes, Ill., for discharge. Immediately prior to the outbreak of hostilities in Korea, Sgt. McDonald reenlisted in the Marine Corps after two years of civilian life. He was given duty at Camp LeJeune, N.C., and later served in Korea from 1950 to 1951. His duty started at the Inchon invasion and continued until

the Punch Bowl Operation. Upon returning to the United States, Sgt. McDonald was assigned to Camp LeJeune for six months and then sent to the Department of State for duty at the American Embassy in Paris, France for 26 months. Returning to the United States, he later saw duty at Labrador and in the Mediterranean area. He was assigned to Marine Corps Recruiter School, Parris Island, S.C., in 1956 and reported for recruiting duty in Wilkes-Barre the same year. Since that time Sgt. McDonald has been to Quantico, Va., Vietnam, Camp LeJeune and Lakehurst Navy Air Station, N.J. He is married to the former Nancy Williams, daughter of the late Mr. and Mrs. Fred L. Williams Sr. of Trucksville. They have three children, Jeffrey 11, Linda 7, and Patrick 3 months and reside at White Birch Trailer Ranch.

Hopes of Eastern Orthodox Church congregation for a home under roof by winter weather, were dashed Friday night, when roof timbers collapsed into the basement excavation. Ground had been broken July 5 by Rev. John Bohush, nine months after erection of the sign on property donated by Joseph Park on the Sawmill Road leading from Route 118. The site, adjacent to Lehman Golf Course, was cleared by members of the new congregation for a recreational area.
