Farmers should keep complete records—then they won't overlook investment credit eligibility, depreciation expenses, and deductible items like farm magazines, farm organization dues, bank service charges, utility bills on the part of the house used for a farm office, overnight business trips, food eaten by hired help, and money spent to board hired workers, remind Extension farm management specialists at The Pennsylvania State University.

Supervisor Walter G. Lauzaky of Region III.

The fishing course was six hours long, two hours each session over a period of three weeks. Upon conclusion the students received a diploma and shoulder patch.

The course consisted of the basic fundamentals of fishing, a slide lecture on fish identification, a film on fishing, use of the fly, spinning, casting rods, and ice fishing equipment, selection and care of equipment and lures, bait and fly fishing techniques, good sportsmanship, instruction on combating the litterbug problem and valuable tips on how to better enjoy the sport of fishing.

The young graduates also practiced with the various types of rods and equipment. There is no charge for this course. Information and details can be obtained by contacting Edward Manhart, Sweet Valley, Penna. The Pennsylvania Fish Commission was the first conservation agency in the nation to initiate a program to teach and interest people in fishing.

They were presented with an award from the National Fishing Tackle Manufacturers of America for this endeavor.

Displaying their diplomas from the Pennsylvania Fish Commission after successfully completing a course on the basics of fishing, are these youngsters from the Harveys Lake Elementary School.

O'Malia Laundry took over the lead position with 11 points after winning 3 from Citgo.

Citgo, Hozey-K and Apex are now tied with 10 each. Hozey-K copped 3 from Apex.

Goodman's and Garrity's lost 3 each to Elston's and Gordon's respectively.

Single high games were posted by Pudgie Mizenko with 173; Liz Weale 172; Jo Berkey 160; Ev Kamont 167; Glenda Wagner 165.

Crown Imperial Mjor Steve Bonomo took scoring honors Friday night when he piled up 212-218, 620 for Dallas Shopping Center. Along with Mike Rudick's 206-204-203, 613 and 213 by Steve DeBarry, the team won 4 from Shavertown Lumber.

Vic Barrouk with 206-208, 613 and Leo Yankoski hitting 235-202, 607 led the way for Wesley Gulf's 4 point victory over Monk Plumbing.

Wesley's now heads the roster with 13½ points. Automatic Cigarette, after winning 3 from American Legion, is next with 11½.

Keglers with 200 games were Sunday. Hudak, Krisa, Barrouk, Postapak, Haefael, Carreiro, Gareis.

Neighborhood The Thursday night boys are three weeks into the second half of the season.

It's possible that Disque Funeral Home is in first place, but the outcome was uncertain at this writing. Disque's bowled Thursday but the opposing team, Marine Corps, was lined up for a make-up match.

If Disque's scores hold, they will have 10 points. With 3, they will tie Hurst Supplies. Less than that will put them down.

Hurst won 3 from others 4; Henry's, 3 from Cappy's; Payne Printery took all 4 from Village Tavern; Williams', 3 from Sgarlat's and Daring's, 3 from Page 3.

The boys were way down last week with only three hitting over 560. Suggestions have been made that some of the Tuesday night "gals" coach the Major and Neighborhood men's leagues. Some of the recent scores are good reasons.

Rich Bonomo led the way with 222, 582 for Henry's. A Hurst team mate posted 214-200, 574. (His name was illegible on score sheet). D. Frushon topped 217, 564.
