

SHAVERTOWN

need a wheel chair?
Anyone in need of wheel chairs has a willing organization ready to supply your needs. Just call Wally Gosart who is in charge of the new project sponsored by the Lutheran Brotherhood of St. Paul's. The men stand ready to serve their community and we believe the project is excellent.

a worthwhile gift
Eight handsome riot helmets stand in our police officer. Curiosity led me to ask where they came from and lo and behold it was none other than R. Spencer Martin who donated the equipment to the local force. Spence is chairman of the Back Mountain Municipal Authority and a member of the Zoning and Planning Board of Kingston Township. Always interested in community affairs, Spence is also a scoutmaster and active member of Dallas Rotary Club. In addition, he is a magnificent organist. We can be grateful to have such men available for public service.

It was a welcome time for the students on Thursday when several inches of snow gave them a holiday. It was a real clean fall, ideal for making snowmen and using those sleds which haven't had much exercise this season. Don't forget the bird families. Suet and sunflower seeds taste just great when the ground is covered. Before you know it spring will be on the way. Down in the Carolinas, where we have friends and relatives, the early flowers are already in bloom and temperatures in the 70's. Police are rather anxious for that combined communications setup to start. With all three communities in accord, what is the delay?

some odor
The odor along Toby's Creek this past week was enough to make a person sick. Certainly some of the happiest people will be those who reside in this area when sewage will be put in. Other smelly spots are near the rear entrance to the Shopping Center, the school and the corner of Center and Main on the easterly side.

here and there
Dr. and Mrs. Malcolm Borthwick have returned home after vacationing in Florida for three weeks. Sincere sympathy is extended to Ambrose Gavigan and Denton Updyke in their recent bereavements. Mrs. Marian Katsinski was admitted to Geisinger Medical Center on Tuesday. We can be justly proud of Lance Wills, who was selected as a member of N. E. District Band. Mr. and Mrs. Thomas Evans and children, Newington, Conn., were weekend guests of Mr. and Mrs. John Stahl. Mr. and Mrs. Fred Eck celebrated their 29th wedding anniversary on Feb. 17. Our congratulations to a most successful family.

from vietnam
It is always nice to hear from the boys in Vietnam and Mrs. A. J. Moreck learned recently that her nephew Alvin Jones, a former resident and Army career man has been transferred to another military post in Vietnam after suffering injuries during seven months of field fighting. The injuries affected his ear and the noise of artillery and bombs aggravated the condition. Alvin is now at Long Binh, 23 miles from Saigon. For extreme valor in the field and jungle, he received

the Purple Heart, Bronze Star of Valor and two Air Medals for flying with the helicopters on their relief missions. Alvin writes that he lost many of his buddies and great numbers were wounded and the boys were anxious for a conclusion to the fighting. He is happy in his new post where he is operations sergeant. Four more months remain for him to serve in Vietnam, then he is hoping to rejoin his wife and two sons in another post so that all can be together again. We trust that all the boys may soon return.

Mr. and Mrs. Ted Woolbert spent the weekend in Maryland as the guests of Mr. and Mrs. Robert Woolbert. Grandma Dilg went along as far as Lancaster to stay with Gail and Jim White until their return.

Our most sincere sympathy goes out to Dr. and Mrs. Raymond Russin in the loss of their baby daughter. Sorry we missed Budd Hirleman when he was in for a visit. Our traveler is now in Thailand and the Far East. He is captain of the S. S. American Leader. Despite his trips to many lands, Budd always enjoys coming back home.

Glad to hear that Howard Hontz is now recuperating at his home. The Hontzes now reside in the Chapin Apartments in Kingston and Howard will be happy to hear from his friends.

Winnie Hoover, Alverta Cook and the Granville Sowdens left for a shopping tour in New York early this week and will bring back many new items for spring and gift giving at their handsome Back Mountain Shop. Mrs. Denton Updyke has been ill at her home but got out of bed to attend services for her father-in-law. Mrs. Henry Metzger has reason to be proud these days for it was her granddaughter, Karen Lee Metzger who won the 1969 Soroptimist Foundations Youth Citizenship Award. She is the daughter of Mr. and Mrs. William Metzger.

It was our pleasure to attend both the Fastnacht Festival at St. Paul's and the Birthday Tea at Shavertown Methodist. Both were great successes and the festive atmosphere at the Tea was just delightful. Activities will cease now until after Lent but most appropriate services have been listed for the Holy period.

vandalism
For the second time in two weeks, a costly mercury vapor light has been destroyed on West Center Hill Road. Vandals also threw eggs at an empty house in that area. A complaint was cited with Chief Russell Honeywell. A reward is offered for apprehension of the mischief makers. They were seen running away after the vandalism.

Officers and directors of the Dallas Community Ambulance Association were on hand last week as keys to the new ambulance were turned over to David W. Carey, president (far right) by Millard Fitzgerald, representative of Wolfington Body Co., Philadelphia. From left to right are Wes Cave, Ornan Lamb, Gilbert Morris, Don Shaffer, Bob Besecker, Jim Davies, Mrs. Kay Wright, Don Bullford, Jack Berti, Bob Cartier, Harold Smith and Richard Disque 11. photo by Saffian

special program for babysitters

As a current service project of the Dallas Junior Woman's Club for the youth of the Back Mountain area, a special program of instruction for babysitters is being held at the Dallas Senior High School in cooperation with the Department of Health and Mr. Robert Reister. The program, open to junior and senior high school students, will be held on Wednesday evenings through March 5 from 7 to 8:30. Mrs. Byron Rinehimer, Jr., homelife chairman, notes that enthusiasm and interest are paramount in the response of the young people who are participating. To date classes have included such topics as first aid, resuscitation, tips for sitters' safety, fire safety, medical aspects, and infant and child care. To complete the program will be control and entertainment of children, a film, and a panel discussion with a group of mothers. Upon completion of the course, certificates will be awarded. Young people participating represent Lake-Lehman High School, Dallas Senior High School, Dallas Junior High School, Dallas Elementary School, Wyoming Seminary, Gate of Heaven School and Tunkhannock High School.

MUSIC
continued from PAGE 1
The Woodwind Quartet and Brass Quartet of the Dallas Junior High School, instructed by Reese E. Pelton. A smaller choral ensemble from senior high were among finalists in last year's 'Festival' program, and this year's qualifying auditions offers opportunity to repeat. They are entered in a category of "Large Vocal Ensembles". The quartets from junior high will be entered in the category "Instrumental Ensemble". This is the initial year of their entry. The Woodwind Ensemble includes Judy MacAvoy, flute; Patti Lewis, oboe; Scott Bayer, clarinet; and George Brody, bassoon. The Brass Quartet includes Mike Davis and Robert Carle, trumpets; Alan Zabolski, trombone; and Jay Miller, baritone horn. This nucleus is augmented for the full Brass Ensemble and German Band on occasions.

Ambulance Log

SUNSET

continued from PAGE 1
70 Committee of Sunset Beach Association provide this council with a concrete plan for this particular area under discussion, defining maintenance, future policing, maintenance and any other costs not clear at the moment and which might arise. Chairman Fisher, "Finally we are getting down to the business for which this meeting was called. The police cruiser is in constant need of repairs and we are contemplating expenditure of a new vehicle." Mr. Merrill moved to advertise for a 1969 four door sedan police cruiser with certain specifications and Arthur Gosart seconded. Mr. Fisher also announced the feasibility study on sewage prepared by Glace and Glace, will be received on March 12. A motion to introduce an ordinance setting up a sewage authority was tabled until next meeting.

Lehman smorgasbord

WCS of the Lehman United Methodist Church plans a Swedish Smorgasbord on Wednesday, March 5, 1969 serving from 5 p.m. Menu: Swedish meat balls, baked ham, roast sliced turkey, baked beans, scalloped potatoes, potato salad, salmon loaf, pickled herring, assorted cheeses, cheese omelet, cottage cheese, fruit and vegetable molded salads, pickles and relishes, assorted breads, home made pie and rice pudding. Committee members are: Mrs. Winfield Kelley, Mrs. Randolph Wright, Mrs. Lester Aquire and Mrs. Morton Connelly. Tickets from any WCS member or at the door.

LAKE-LEHMAN MENU

MONDAY: Hamburg on bun, vegetable soup and saltines, carrot and celery sticks, prunes, milk.
TUESDAY: Beef ravioli in tomato sauce, cabbage salad, Italian bread and butter, stuffed celery, fruited jello, milk.
WEDNESDAY: Pork barbecue with relish on bun, buttered mixed vegetables, potato chips, peach crisp, milk.
THURSDAY: Meat loaf, mashed potatoes, buttered corn, pickled beets, roll and butter, pudding, milk.
FRIDAY: Tuna hoagie, tomato soup, fruit, milk.

Can anything make your pet more lovable?

ONE DROP

NO ODOR

Yes, Nilodor.

One drop of Nilodor destroys pet odors for 24 hours! Now you can enjoy your pet without having to put up with any unpleasant animal odors. Nilodor is the world's most powerful concentrated deodorant designed to tackle any kind of odor. It is completely non-toxic—safe with all animals. It works instantly... lasts longer... and costs so little. Nilodor is synthesized from 17 different ingredients. It acts as a neutralizing agent, not as a perfume mask. Outlasts wicks, sprays, vaporizing apparatus. So powerful, a single drop deodorizes a room of 1000 cubic feet. Try Nilodor. Less than a penny per application.
