A SHORT STORY!

Not a story in the usual sense... nevertheless, it's one we think is of interest to you.

Our story is about A&P's short-cut, 7-inch, oven-ready Ribs of Beef, and the fact that we remove the excess Short Ribs and sell them separately at the lower Short Rib price. We never tuck them under and charge the Rib Roast price.

That's not all, though. For easier carving, we remove the back-strap, too.

As a matter of fact, on an average four-rib roast we trim up to 1 1/4 lbs. of excess fat and bone. At Rib Roast prices, that adds up.

Another thing that keeps you from being short-changed on value: A&P Rib Roasts are cut from the first four ribs only.

Our short story even has a happy ending... your family will enjoy every morsel.

That's guaranteed...or your money back.
