

# JACKSON TWP.

Mr. and Mrs. Elmer Lasowski spent the Easter weekend in Arlington, Va., with their daughter and son-in-law, Mr. and Mrs. Robert Parsons.

Miss Diane Aston, daughter of Mr. and Mrs. Carl Aston, was chosen, along with a Nescopek boy on the basis of outstanding records of achievement, to attend the annual "4-H Capital Days" in Harrisburg April 14 and 15, as representatives of Luzerne County, a State-wide event. On the 14th, a tour of the Capital was on the agenda, and the 4-H'ers were privileged to sit in on a session of the legislature and meet the top legislative representatives of their various areas of the State.

That evening a "splash and swim" party was held for the young people.

On the 15th the 4-H'ers met at a breakfast with local government officials to discuss local government issues and to define to them the purpose of the 4-H educational program. The Luzerne County delegates were accompanied by Harrisburg by Mr. Alfred Skala, County Extension Representative.

Congratulations, Diane, on receiving this honor. We hope you had a wonderful time.

The American Legion Home in Nanticoke was the scene Sunday, April 13 of a bridal shower honoring Miss Mary Pauletti, daughter of Mr. and Mrs. Samuel Pauletti and bride elect of Mr. Jackie Wilkes, also of Chase. Many residents of the Chase Manor area were among the many guests at this lovely party and the bride-elect received many useful and beautiful gifts. The couple have chosen May 17 as their wedding date.

Mrs. Albert Balita called to say she and Pat enjoyed their visit to Camp Hill on Saturday, April 12 for the Pennsylvania Federation of Women's Club State judging of the winners of the district sewing contestants. They enjoyed a lovely day in a delightful setting and enjoyed a delicious luncheon.

After lunch the girls modeled the costumes they had made. Mrs. Balita said being a judge must have been most difficult, for out of 2000 contestants, only five winners were chosen. Pat was not one of them but was one of 18 finalists. Just getting to the finals was an honor in itself, and she has had a lot of pleasure from

her sewing. Each contestant in the judging by the Harveys Lake Women's Club received a lovely charm for their bracelet—a miniature sewing machine. A beautiful engraved silver tray is the trophy she brought from Bangor, and it is now on display at the Lake-Lehman High School.

Right now Pat is making her gown for the Prom. Mrs. Balita says she "puts things together" but has learned a great deal about the art of dress making from her daughter. Through the years, Pat will not only save a lot financially, but will get a lot of personal satisfaction from her ability to sew so beautifully.

Cub Pack 225 will hold their monthly pack meeting tonight at the firehall. The boys will come equipped with swords and shields they have made for this "Knights of the Round Table" meeting.

S.3C Tim Wagner is spending a ten day leave from Fort Bragg, N.C., with his parents, Mr. and Mrs. Percy Wagner, Follies Road.

A meeting was held Thursday evening, April 17 to form an ambulance association here. The following officers were elected for a two year term: President, Don Shaffer; vice president, Chuck Cigarski; secretary, Irene Shaffer; treasurer Marge Zbick. A charter will be obtained for the Jackson Township Ambulance Association and the area will be canvassed for donations to purchase a vehicle and equipment. The group will meet each Thursday evening at 7:30 at the firehall. It is hoped more interest will be generated and more people will attend these meetings. Present at this meeting were Mr. and Mrs. Don Shaffer, Mr. Harold Bertram, Mr. Percy Wagner, Mr. Robert Cooper, Mr. Robert Cigarski, Mr. Carl Aston, Mrs. Henry Zbick and Mr. and Mrs. Wesley Lamoreaux.

On April 26 a dance will be held at the firehall. The Starfires will play. Birthday greetings this week go to Mrs. Irne Presliski on the 25th, to Mr. Sidney Fielding on the 27th, to Mr. Albert Ashton on the 29th, also to Cheryl Wagner and Miss Anna Manzoni on the 29th. Mr. and Mrs. Dale Wright will observe their 13th wedding anniversary on the 28th. Congratulations are sent to them on this occasion.

## square dance

Couples Club of St. Paul's Lutheran Church will hold a Square Dance on Saturday evening at 8 p.m. Saturday, April 26 in the church parlors.

George and Lois Voorhees are in charge and John Hudak and his group will play. Any married couple may attend. Tickets may be purchased at the door.

With the green sward getting brighter by the minute the Little Leaguers are getting set for a big season. Bill Roberts will manage again giving many hours to the youngsters but fishermen are flocking to the nearby streams and lakes. Among the younger fry who was most successful the first day of trout season was Danny Rozelle, who is a real sportsman like his dad. It seems the whole family is fishing this year, Mamma Rozelle included. Nothing like it for good clean fun.

Not only is baseball coming into the picture of activities but fishermen are flocking to the nearby streams and lakes. Among the younger fry who was most successful the first day of trout season was Danny Rozelle, who is a real sportsman like his dad. It seems the whole family is fishing this year, Mamma Rozelle included. Nothing like it for good clean fun.

Many of us know the three retiring teachers from Trucks-ville Elementary and many of us are grateful for their instruction. Miss Burgess has served her community well and we wish her as the others pleasant times ahead. A good teacher is worth her weight in gold.

Ladies Auxiliary of Shavertown Fire Company at their recent meeting held a Baby Shower for member Mrs. Henrietta Marshall. Those who served were Grace Kreischer, Nancy Smith and Beverly Rosengrant.

The women are now busy making articles for the Bazaar to be held by Shavertown Fire Company June 12, 13 and 14, a big annual event.

We welcome Mr. and Mrs. Stanley Cashmark to our community. Former residents of Trucksville, the Cashmarks had left the area but are now residing on Cedar Avenue.

Mrs. Elsa Fischer is a patient at General Hospital. She is the sister of Walter Heidere

## of Fernbrook.

Congratulations are forthcoming for Mr. and Mrs. William Hersh Jr., who are the parents of a new son.

Many will remember Rev. Seip of Kingston, who so kindly took calls after Rev. Eidam had left our area. Rev. Seip is now a patient at General Hospital and we extend best wishes for his recovery.

Mr. and Mrs. Granville Sowden have returned after spending a month in Europe. Mrs. Fred Eck attended the Hospital Auxiliary Workshop in Hershey last week.

The Ecks had as guests over the weekend, Mr. and Mrs. Floyd Caton, Arlington, Va., who came in to see her mother, Mrs. John Eck, who is a patient at Maple Hill.

From all reports we hear that Kathy Munnell did an excellent job in the recent Ballet. A. J. Moreck underwent eye surgery at Mercy Hospital this week. We wish him a speedy recovery. Rev. and Mrs. Ernest Stair have returned to Indiana after visiting his mother, Mrs. Lorraine Stair for a week.

Just would like to comment on the lovely job done on that old Evergreen Cemetery house. It sure adds to the beauty of the neighborhood and shows what a handy man can do.

Mrs. Roger Carey wishes to thank the many friends who sent flowers, cards and gifts during her recent illness. She is still on the road to recovery.

## 1939 reunion

Reunion planning committee of the Class of 1939 of Kingston Township High School met at the American Legion in Dallas April 13 to make arrangements for the forthcoming event.

Group decided to hold a dinner at Irem Temple Country Club on Saturday evening, November 29.

Robert Anderson is chairman, Mrs. Robert Gregory, co-chairman and secretary. Next get-together will be held May 8 at the home of Alan Kittle, Harris Hill Road, Trucksville, 8 p.m.

# what does A&P stand for?

(Besides The Great Atlantic and Pacific Tea Co., Inc.)

Fairness, honesty, dependability and quality.

Our founder established these business guides for A&P over 100 years ago.

It is from this basic foundation that so many of our current-day policies have grown:

Our Raincheck policy, for example, which assures you that you will never miss out on an advertised item.

Our policy of packaging meats, that guarantees that the side you can't see is equal to or better than the side you can see.

Our complete and unconditional guarantee of anything you buy at A&P, no matter who makes it.

Our dedication to quality in the production of our own brands. Quality standards so high that we guarantee any product bearing the A&P Seal is equal to or better than the nationally famous brands.

You can probably sum it up in one word, "CARE." We care about you.

When you think about it... shouldn't A&P be your store?
