SHAVERTOWN

Mrs. Elda Shaver went down to New Jersey over the weekend to bring home Mrs. Mae Van Campen who has been recuperating from a fractured shoulder at the home of her son James in Tom's River, N.J. Stuart Stahl and family will shortly move to Owego, N.Y., where he will be employed by IBM. This will bring the son of John and Harriet Stahl closer to home since he has resided in Michigan for some years. Mr. and Mrs. John Curtis will have as July 4 holiday guests, their daughter, Barbara and Dorothy and son John, a senior medical student at Georgetown University. Barbara will be

home for two weeks before leaving for the British Isles. Dorothy is active in Nuclear Medicine at Duke University, N. Car. Also a guest at the Curtis home will be Miss Mary Curtis, Homewood, Ill. Dan Shaver and daughter Mrs. Henry Tuck and sons left Tuesday to visit daughter and sister Mrs. George Walter and family at Oyster Bay, Long Island. Linda Woolbert returned home after a year in Alaska, arriving just in time for Father's Day. After a week in the Allentown area it was surprising to hear about the great rainfall this area suffered. With the exception of Sunday evening, the weather was fine down there, only 70 miles away. With Susie out of school, we visited some surrounding areas, Kutztown, Reading and Dorney Park which incidentally is a delightful place for the youngsters and adults and run by one family for many, many years. One person we missed at the local firemen's fair and that was Arnold Yeust who had been hospitalized recently. Mr. and Mrs. Yeust recently celebrated their 50th wedding anniversary and we trust will have many more.

Mrs. Esther Nicely has returned home from Taylor, Mich., where she spent ten days with her daughter Mrs. Paul Evans and family and attended the graduation of her granddaughter Paula Diane from High School. Esther hears regularly from her son Tech. Sgt. Robert Nicely and family who are now stationed in Tokyo. They will be abroad three years. Little Robert Fred celebrated his 3rd birthday May 10 and his grandma sure misses him. Little Kathleen Whipple is home from Nesbitt Hospital after all those injuries suffered when she was struck by a car at the intersection of W. Center and Evergreen Streets. We are all happy for her parents, Fred and Judy that it turned out as well. Since that time I have heard many persons commenting on the need for reduced speed on W. Center and slower approach on Ferguson Avenue. Many are turning in at W. Franklin on their motorcycles and cars and racing through the area. It is difficult also at the Center Street approach since many turn in here to do their shopping.

Dean's list

Allan Brown, son of Mr. and Mrs. Earl Brown of Dallas, is on the dean's list again at Penn State. He is a 1968 graduate of Dallas Senior High School, where he played in the school band and was interested in other school activities.

Nearly 100 sixth graders of the Dallas School District enjoyed a class trip to Philadelphia recently. Sponsored by the PTA, the trip included visits to the Franklin Institute, the Academy of Natural Sciences, Independence Hall, Congress Hall, the Civic Center, and Valley Forge. The students and their chaperones are pictured above.
