**Lehman grads give \$500**

**for scoreboard**

The graduating class of 1969 has made its gift to Lake-Lehman high school, a donation of \$500 toward purchase of an electric score board for the football field.

Following closely on its heels came another gift, from the P.T.A., a donation of \$100, to be applied also to the purchase price.

Anthony Marchakitus, principal of the high school and assistant to supervising principal Robert Z. Belles, estimates that the cost of the score board may approach \$2,500.

All donations, he says, will be thankfully received.

Bob Cicon, assistant varsity basketball coach at Dallas Senior High School, teaches a group of boys the fundamentals of basketball at the Dallas Elementary. The summer program, for boys in the 4th, 5th and 6th grades is jointly operated by the school district and town council. Plans are being made to get a regular league going for all youth in the Back Mountain.

**all-day hike**

Junior Girl Scout troop 640 is planning for an all-day outing at Rickett's Glen State Park Tuesday July 1 leaving the Dallas Elementary School at 9 a.m. and returning at 7 p.m. The girls are working toward their Rambler badge.

They will hike around the falls to finish badge requirements and have an afternoon swimming party. Raindate is Wednesday July 2. Troop leader is Mrs. Phyllis Demmy.

**bike hike**

Two 14 year old area boys pedaled their bicycle to Johnson City on Tuesday, a jaunt of 80 miles undertaken in sheer delight at the beginning of the long summer vacation from Dallas Junior High School.

Roger Brown of Dallas and Dick Cooper of High Point Acres, went by way of Tunkhannock, steering clear of lethal arterial highways, sticking to less travelled roads.

By the time they reached Johnson City, they were cycled out. Earl Brown, Roger's father, drove up to give them a lift back home. Eighty miles is a right fur piece on a bike, boy-powered.

Youngsters from the Back Mountain area learned many valuable pointers in basketball and swimming as King's College held its first annual sports clinic last week in the college gym. Wilkes-Barre. During the morning hours, the Back Mountain boys enjoyed basketball under various coaches. After lunch, they adjourned to the beautiful King's swimming pool and gained lessons in aquatics from Minor "Toby" Nagle, King's

swim coach who instructs at the Irem Temple Country Club at Dallas during the summer months. Pictured with Coach Ed Donohue of King's seated, left to right, are Jay Miller, Joe Canfield, Larry Brown, and Kevin Popson. Standing are Tim Kaye, Rob Goeringer, Bob Wallace, Jon LaBerge, and Bob Menzel.
