HARVEYS LAKE

Due to the cloudburst we had last week, our damages are in the thousands of dollars. The creek in our front yard really went on a rampage. Our cellar had about 2½ feet of water, which damaged our furnace to such an extent that we won't be able to use it any more. All my canned goods, paints, tools, etc. are a total loss. Who is to replace our losses?

All the residents here at Warden Place who had any damage are sending a letter to the Chief Engineer of State Forest and Waters in Harrisburg, to see if anything can be done to either reroute this creek or put in those big pipes and cover it up. It has been a headache to us for at least 35 years. So here's hoping we get something done!

We know how hard the ladies of the Warden Place Improvement Association work to raise money to improve our beach, and I've been asked many, many times why, the benefit parties were discontinued? Well, for one thing, it seems that most of the work seems to fall on just a few of our good neighbors, and the rest just sit back and complain. I'm sure if we all chipped in, our ladies would have another benefit party. In fact, I'm going to keep on "bugging" the Auxiliary until they do have one!

The Auxiliary to the Jonathan R. Davis Fire Company met June 18 at the Fire Hall in Idetown, with Mrs. Marion Boice, presiding. Election of officers was held. Elected were: Mrs. Florence Rogan, president; Mrs. Betty MacDougall, vice president; Mrs. Carol Blejwas, secretary; and Mrs. Gladys Jennings, treasurer.

The Auxiliary will have two refreshment stands at the Horse Show, which will be held at the Lehman Horse Show Grounds July 25, 26 and 27. Hostesses were Mrs. Gladys Jennings and Mrs. Evelyn Petroski. Refreshments were served to Carol Blejwas, Florence Rogan, Linda Gray, Joyce Hrabowski, Evelyn Petroski, Mardella Casterline, Beth Casterline, Betty MacDougall, Marion Boice, Mary Honeywell, Nell Rinken and Gladys Jennings. Hostesses for the next meeting will be Mrs. Nellie Rinken and Mrs. Mary Honeywell.

Notice . . . The American Legion, Post 967, and the Auxiliary to the American Legion, Unit 967 of Harveys Lake, will hold no more meetings until September.

Mrs. Robert (Maureen) Donnelly of First Street, received her R.N. certificate, June 1 at The Mercy Hospital School of Nursing. It took Maureen 25 years, to achieve her life's ambition, but through all her struggles and plenty of perseverance, she made it! Congratulations from all your friends and neighbors here at Warden Place, Maureen.

At a recent meeting of the Harveys Lake Lions Club, a check for \$1000 was presented to the Ambulance Fund of the Daniel C. Roberts Fire Co., to help defray the cost of the new ambulance recently purchased by the Ambulance Association. Lions Club President Royland Ritts presented the check to Morris Johnson, ambulance committee chairman. Others present were Walbridge Lienthal, Charles Saamar, James McCaffery, Fire Company President and Charles W. Gordon Jr.

We're glad to hear that "Jackie" Bozek is improving. Jackie, had the misfortune of being in an accident, June 7 when his car hit a utility pole along the Dallas-Harveys Lake Highway.

Miss June MacClosky and Miss Blanche Thompson of Kitchen Heights, returned recently from Rockford, Ill., where they were guests of the former's brother, Jack MacClosky and family. While there they attended the graduation of Kimball MacClosky from Guilford High School.
