# area citizens plan to help others

Ever been in a jam? Perhaps you suddenly had to go out and there was no one to watch the kids. Maybe your wife was taken ill and meals and care had to be provided until your in-laws could drive up. Maybe you were feeling depressed and needed someone to talk with—or you were alone and can't get out to shop because of the snow.

You might have difficulty seeing and need someone to read and write a letter for you. You have run away from home and don't know where to turn. Or you must get to the doctor and have no transportation.

It is to meet such needs as these that a few church members have gotten together to interest others to act as good neighbors in the Back Mountain. Now we are looking for people who are tired of talking about loving mankind, but who want

# bloodmobile at Lehman

The American Red Cross Bloodmobile unit will be collecting blood at the Lake-Lehman High School Nov. 3 from 12:45 to 5:45 p.m.

There was a very poor turnout at the last visit. It is urgent that anyone between the ages of 18 and 60, in apparent good health, go to the school.

Many people have become aware of improper blood pressure, lack of iron, etc., from the pre-donation tests taken and have secured proper medical attention before any signs of actual illness have taken place.

Don't wait for a disaster to strike our community before deciding that a blood bank is necessary.

Unless we have a good showing—our community will be unprotected against accident, illness or disaster.

Plan now to attend. Transportation will be available by calling the high school. A baby-sitting service is supplied for mothers with small children.
