Tabbit's Appliance receives award

Ed Tabbit, Tabbit's Appliance Service, 229 Highland Drive, Trucksville, received the Frigidaire Award of Merit in a brief ceremony at his home Friday. The award was given to Mr. Tabbit, central service agent in the Wilkes-Barre area, in recognition of outstanding customer service. Lou Lutterschmidt, Philadelphia, Frigidaire service supervisor and Jim Hartzel, Oval Drive, Dallas, division manager, made the presentation.

Thus, Tabbit's Appliance Service, the only authorized Frigidaire service operator in this area, became one of a select group of dealers who have qualified for the award. The Award of Merit plaque, Mr. Lutterschmidt said, is given only to those dealers

who can meet the most exacting service standards. These include highly trained servicemen, finest equipment, complete stock of parts and a helpful attitude toward service customers.

The plaque, inscribed with the name of the local dealer, will be prominently displayed in the service station, Mr. Lutterschmidt said.

Mrs. Dana Crump leaves Dallas library

Mrs. Dana Crump, Yeager White, Dallas, has retired as librarian at the Back Mountain Memorial Library. For nearly 20 years Mrs. Crump has been an active part of the library, first volunteering her services when her friend Miriam Lathrop headed the library.

Many children in the area were encouraged to read more and better books by Mrs. Crump's interest in their welfare. In addition to the many hours spent working with children, Mrs. Crump was an invaluable aid to the library at auction time. As thousands of donated books poured in weeks before each auction, Mrs.

Crump sorted and priced them and arranged them at the popular book booth.

Mrs. Crump since her retirement Jan. 1 has been active raising funds for the Nesbitt Memorial Hospital Fund Drive. Her Garden Club activities also keep her busy. In addition to raising African violets she has two Catalia orchids blooming, and some sprigs of forsythia, rescued from an overzealous snow plow are also in bloom.

Mrs. Crump is planning a trip to Long Branch, N.J., to visit her daughter. She has quite a full retirement but Mrs. Crump said she misses the children since leaving her post at the library.

The 25 secondary school students have until May 1 to decide whether they will enroll as the first coeds in the 139-year history of Lafayette.

Miss Funke is a senior at Wyoming Seminary and plans to seek a B.A. degree in international affairs. She has received a National Merit

3-car accident on Route 309
