Lose 10 lbs in 10 days on Grapefruit Diet

—This is the revolutionary grapefruit diet that everyone is talking about. Thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S.

Because this diet really works. We have testimonials reporting on its success. If you follow it exactly, you should lose 10 pounds in 10 days. No weight loss in the first four days, but you will suddenly drop 5 pounds on the 5th day. Thereafter lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. Revised and enlarged, this diet lets you stuff yourself with formerly "forbidden" foods, such as steaks trimmed with fat, roast or fried chicken, gravies, mayonnaise, lobster swimming in butter, bacon fats, sausages and scrambled eggs and still lose weight. The secret behind this "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this diet acts as a catalyst (the "trigger"), to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. A copy of this startling successful diet can be obtained by sending \$2 to:

QUICK CO.
P.O. BOX 253
LINCOLN, NEBR.
68501

Money-back guarantee. If after trying the diet you have not lost 7 pounds in the first seven days, another 5 pounds in the next 7 days, and 1½ pounds every two days thereafter, simply return the diet plan and your \$2 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim attractive figure of your youth.

Weight lifting

A weight lifting program is scheduled to start March 16 and will continue until June 5. All sophomore, junior, and senior high boys are eligible and invited to participate in this program, which will be held every Monday, Wednesday and Friday for one hour. George Curry and other members of the football coaching staff have volunteered to supervise the program.

Kocher gets second honors

Bob Kocher, an active senior of LLHS, recently received second place in a program sponsored by the Luzerne County Chapter of the Pennsylvania Society of Professional Engineers. He was awarded a slide rule by the engineering society and a check from the auxiliary at King's College.

Three slide rules were awarded to the outstanding high school seniors for their achievements along the lines of science, mathematics and other related subjects. Sylvia Bator, LL's Guidance Counselor, wrote the letter of recommendation that won Bob second place. Congratulations, Bob!

Junior class play

"The Defiance of David Charles," the comedy-drama that has been chosen as the junior play, will be presented to the public March 6 at 8 p.m. It involves a cast of 13 and a high school boy trying to live up to his father's high reputation. The Dallas Senior High cheerleaders won the championship of the second annual cheerleading tourney sponsored by the Luzerne County Community College Friday night. The Mountaineers' cheerleading squad put on a first class performance in the tourney finals at the Catholic Youth Center, Wilkes-Barre, defending the title they had won last year.

The Dallas squad was one of

six to enter the finals. Each group was judged on poise, grooming, dress, originality, clarity, and manners and could earn as many as 2700 points. The total number of points the Dallas squad earned was not disclosed, but the next highest group was seven points behind the champs. St. Vincent's and Wyoming Area were runners-up. Lake-Lehman, St. John's and St. Mary's received honorable mention.

Verdun Thomas, a business education teacher at Dallas High School, is the Dallas cheerleading coach. She told The Post that she was pleased with the girls' performance. She also said that the girls were quite excited at the opening of the finals, knowing that one regular girl, Mary Cully, had pulled a leg muscle and was unable to compete. Kathy Dorosky joined the group as a substitute and astounded the judges and spectators when her performance proved to be as routine as the others.

Other members of the squad are Judy Allen and Debbie Anderson, co-captains; Roberta Gilbert, Sue Owens, Carol Shaskan, Nancy Thomas, Patti Koeb, Sandra Long and Cynthia Smith.
