FERNBROOK

By Mrs. Morris 675-3551

John Bliss, son of Jean Bliss, Main Road, Fernbrook, has returned home from Vietnam for a 30-day furlough.

Sandy Hottle fell from her bicycle and knocked three of her front teeth out. Sandy is visiting relatives in Florida.

Melissia Jane Evans, 18 month old daughter of Romayne Evans, Briar Creek Road, Idetown is feeling much better after having the flu.

Eugene Banta, Luzerne, is spending some time with his daughter, Mrs. Melva Morris, Main Road.

Marion Bellas and children, Arlington, Va., spent Sunday with her sister and family, Mr. and Mrs. Bob Miller, Main Road, Fernbrook.

Ruth Lozier is spending sometime with her son and daughter-in-law, Mr. and Mrs. Earl Lozier. Ruth Lozier has

just returned from the Tyler Memorial Hospital at Meshoppen. She lives at Noxen.

Mrs. Bob Miller is feeling much better and is able to be back at her place of employment.

Spring is just around the corner—a little late getting here. The people who are throwing their garbage in the creek probably haven't heard that others wish to keep the Back Mountain beautiful. If these persons have to drink and drive, they should carry a bag in their car and refrain from heaving it anywhere. It is a terrible habit. It is also dangerous to drink while driving and disgusting to litter. Both are against the law. Think about it!

Rita Perry and children, New Jersey, spent the weekend with her mother, Jean Bliss, on Main Road.

Ann Saxton and family of Levittown spent the weekend with her mother, Anna Mae Roth, Main Road.

Mrs. William Schmide, Demunds Road, a patient at the Nesbitt Memorial Hospital, is in satisfactory condition. Mrs. Schmide was injured in an automobile accident recently. On her way home from work, her automobile skidded on an icy spot in front of the Gensel home on Main Road, Fernbrook, and hit a tree. She suffered lacerations and puncture wounds, which required approximately 600 stitches, and a broken leg. It would be nice if friends would send her a card to let her know they care. We all hope and pray she will soon be up and around.

Mr. and Mrs. James Eason are home after spending a few days in Kentucky where they attended the funeral of Mr. Eason's father.

Mr. and Mrs. Russel Banta had as guests over the weekend, Mr. and Mrs. Russell Banta Jr. and grandson, Rusty, Mr. and Mrs. William Jesse, Edwardsville; and Mr. and Mrs. Albert Shonk and family from New Jersey.

ENGLER FUND

continued from page 1

Emma Lang, doctors anticipate he will remain a patient there until June as painful skin grafting operations must still be undertaken.

The purpose of the fund drive, Mr. Sabol explained, is simply to try to help a fellow fire fighter out. He's been a loyal member of our company for over 10 years and we're just trying to show him our appreciation." Mr. Sabol noted that Mr. Engler's father had died fighting a fire for the Trucksville Fire Company and that three of his sons were active in the volunteer group too.

A check for \$250 was given to the Engler family from the fire company's relief fund earlier, Mr. Sabol said, but none of the members felt the amount was sufficient. It is hoped that the current drive, which is headed by Bill Moss, will net at least \$500.

The coin containers will be collected from the stores at the end of April, Mr. Sabol said, and anyone wishing to contribute to the fund is encouraged to send his donation to the John Engler Fund, in care of Bill Moss, Carverton Road, Trucksville.
