scout troop 632 tour Dallas Post

Twenty-four members of Girl Scout Troop 632, Shavertown, toured The Dallas Post Monday afternoon and got an inside look at the way a newspaper is "put to bed."

Answering questions about computers, light tables, and the ancient typewriters with which all newspaper offices come equipped, was John Allen, vice president in charge of advertising. The girls were accompanied by Mrs. Frank Wadas, troop leader, and Mrs. Robert Voelker, assistant troop leader.

Tours through The Post plant on Lehman Avenue may be arranged by contacting Mr. Allen at 675-5211.

Scouts who visited The Post were Patti Wadas, Barbara Voelker, Penny Sprau, Tina Karl, Barbara Petty, Carol Ann Rollman, Terri Roman, Anne Harleman, Sandy Mahalick, Bernadette Harris, Cindy Asby, Mary Kugler, Colleen Kennedy, Donna Eicke, Pat Harowicz, Joan Nieckwiecki, Susan Cagogs, Mary Wallace, Susan Zapoticky, Debbie Niedzwiecki, Diane Thomas, Cindy Purvin, Sally Porter and Ruth Brace.

A contingent of mothers and siblings accompanied the girls. They included Aline Sprau, Erma Eicke, Peggy Asby, Stepehn and Scott Asby.

7 brush fires fought in area

Seven brush fires have been reported in the Dallas area in the past week by the Dr. Henry M. Laing Fire Company. A total of 82 volunteer firemen turned out to fight the blazes.

The fire department strongly requests that residents be more careful when burning dead grass and rubbish, particularly on dry, windy days. Over 90 percent of brush fires are started by people. The Dallas Fire Department responded to 55 blazes last year started when residents were burning grass or papers without the proper precautions.

The fire locations and dates for the past week are as follows: April 15—3:15 p.m., Upper Demunds Road, 10 firemen commanded by Asst. Chief Don Bulford; April 16—12:25 p.m., rear Carlton Reed home, Church Street, eight firemen commanded by Asst. Chief Bulford; April 16—4:35 p.m., East Overbrook Road, rear of Colonial Inn, 20 firemen commanded by Asst. Chief David Carey; April 16—6:40 p.m., rear J. William Farrell residence, 71 Sterling Ave., 13 firemen commanded by Asst. Chief Carey; April 17—11 a.m., Ryman Road and Martz Farm Road, eight firemen commanded by Asst. Chief Bulford; April 17—12:30 p.m., vacant lot, corner of Route 309 and Center Hill Road, eight firemen commanded by Asst. Chief Bulford; April 18—3:55 p.m., vacant lot at Roushey Plot, 15 firemen commanded by Asst. Chief Bulford.

William Glahn on Iwo Jima

Navy Seaman William H. Glahn II, son of Mr. and Mrs. William H. Glahn, 58 E. Center St., Shavertown, was on standby aboard the amphibious assault ship USS Iwo Jima in the Atlantic as part of the Apollo 13 Atlantic recovery force.

1970-71 school calendar approved

Approval of the proposed Dallas school calendar was among the resolutions adopted at the April meeting of the Dallas School Board. The Calendar for the 1970-71 school year has 180 days of student attendance and six days for teacher inservice education meetings.

A resolution to authorize the officers of the board to borrow up to \$175,000 from April 15 to May 12 from the United Penn Bank for current bills and payroll purposes was also approved.

A resolution was adopted to permit the Kingston Township Recreation Committee to use the Dallas School District facilities in Kingston Township for their nine-weeks summer recreation program.

Permission was also granted for District 741 of Rotary International to use the Dallas Senior High School auditorium and cafeteria for its orientation meeting of Rotary Exchange students May 24.

Dallas directors discuss budget

The monthly meeting in April of the Dallas School Board was attended by a large number of teachers, and recessed after one hour to a private executive session of the board. Walter Glogowski, president of the Dallas Education Association, said that the teachers were there because they were concerned about the proposed 1970-71 budget, not because they "wanted to make waves."

A meeting between the teachers and the school board was scheduled for April 16 to consider the teachers' budget requirements. The scheduling of the special meeting was apparently satisfactory to the teachers' group as they refrained from speaking at the public meeting in the time period when visitors are recognized by the board.

School board president, John LaBerge, announced that the tentative budget would then be presented at an adjourned meeting April 22 in the school library. The budget must, by regulation, be read at a public meeting and posted for 30 days. Then at a second meeting the budget may be amended or approved as submitted.

Dr. Robert A. Mellman, Dallas School District Superintendent, stated that the special meeting will be for the purpose of primary adoption of the school's budget for 1970-71. He requested that at least five board members attend the meeting as it cannot be held

man injured in Lehman

Ronald Sorber 20, RD 2, Hunlock Creek, was injured in a one-car accident in Lehman Township at 3:30 Sunday morning. He was admitted to Nanticoke State General Hospital where his condition is reported as fair.

LAKE FISHING

Trout season continues in Pennsylvania's lakes until Oct. 31, with a month's hiatus before opening again Dec. 1. The winter season ends Feb. 20. Trout fishing in streams closes Sept. 8. Fishing licenses cost \$5 for residents and \$9.50 for non-residents, with a special \$2 license free of charge at the Luzerne County Court House.

Mr. Lazusky, a Shavertown resident, noted that a booklet available at the Sweet Valley office for \$.50 contains full-color photos of all Pennsylvania fish, and that a map available for a quarter shows fishing and boating areas throughout the state. Helpful guides, both, for the angler wishing to improve his fishing. Or his fishing stories.

ASPIRIN

without a quorum of 23 members from the four school districts having representation on the vocational school board.

Earl Fritzes, chairman of the finance committee, reported that he had met with tax school cafeteria system is continually losing money and something will have to be done about it. He blamed the deficit, which in the month of March amounted to \$1,990.21, on the decrease in surplus funds received and the increase in salaries paid to personnel for operating the cafeteria.

He asked to have the subject of a price increase reviewed for next month's meeting and indicated that he favored a 5 cent increase "across the board." If approved by the school board this would increase the cost of lunch in the elementary grades to 35 cents; in the secondary schools, 40 cents; an adult portion would be 50 cents.

School director Earl Fritzes announced that a meeting of the operating committee of the West Side Vocational-Technical collectors from the various municipalities regarding delays in obtaining new properties for assessment.

The meeting paused for a few moments at the request of President LaBerge to offer a silent prayer for the return of the astronauts. Dr. Mellman had also remembered the astronauts in the opening prayer prior to the meeting.

Obsolete shop equipment will be advertised by the secretary—business manager for sale at the Dallas Intermediate School April 25. Interested persons may inspect the equipment and present a sealed quotation for the purchase of each item.

The request of WBRE radio to broadcast the baseball game between West Side Central Catholic and Dallas, May 18, was approved by the board.

or without benefit of a complete case record of each student can counteract other medication and result in physiological trauma. All teachers and students, Dr. Mellman continued, have been notified of the policy change and a form letter has been sent home with school children to inform parents of the precautionary measure.

Regarding other health matters in the district, permission was given to the Pennsylvania Department of Health for a German measles inoculation program, tentatively set for May. The program is offered through the cooperation of the Luzerne County Medical Society and cooperating school districts.

The Department of Health will provide the vaccine free-of-charge to children from kindergarten through fourth grade. The vaccine will be administered by technicians with jet injector guns. The school will provide a physician and school nurses in attendance. Permission slips from parents will be required.
