

Homemakers Day observed in county

"Inner beauty and outward charm," said Sylvia Smith at the Homemakers Day held recently in Conyngham, "come from thinking so many good thoughts that there is no room for bad ones." Miss Smith, a home economist for the Florida Citrus Commission, charmed her audience of Luzerne County homemakers and helped to add cheer to a rainy day.

Speaking on behalf of the Office of Consumer Education for the President's Committee on Consumer Interests, Doris A. Sasser informed the homemakers of the government's role in consumer protection. She cited as examples of the government's concern publica-

tions available through governmental agencies and legislation sponsored for the protection of consumers.

In addition to this, Miss Sasser said, the Office of Consumer Education is developing guidelines for teaching consumer education from kindergarten through high school and is agitating for the re-design of school buses, a project which has not been undertaken for the past 30 years.

Included in the program was the naming of Arlene Erceg, a student at College Misericordia, as recipient of the Lydia Tarrant Scholarship Fund by fund chairman Mrs. Leroy Brown, Lehman.

Harmony Club is 42 years old

Members of the Harmony Club met recently for their 42 anniversary dinner at the Pink Apple. Mrs. Ceinwen Besteder, charter member, was presented with a corsage of pink and white carnations.

Decorations were a pink and white floral centerpiece and crocheted cups made by Mrs. William Hoover.

The next meeting date will be May 28 at the home of Florence Carle.

Poppy Day Proclamation

Saturday, May 30, has been designated as Poppy Day 1970 in the Borough of Dallas with the signing of a proclamation by Mayor Stephen Hartman Jr., after which he purchased the first poppy from Mrs. Fred Templin, poppy chairman of American Legion Auxiliary Unit 672.

The proclamation reads as follows: WHEREAS, The American Legion and the American Legion Auxiliary adopted the Memorial Poppy as its memorial flower in 1919, and

WHEREAS, by wearing the Poppy, Americans everywhere and especially in the Borough of Dallas both pay tribute to these war dead and aid the living by assistance to Veterans and their families in time of need; and

WHEREAS, the Poppy Day Program contributions are used solely for the programs of Child Welfare and Rehabilitation in our community and state;

NOW THEREFORE, I Stephen Hartman Jr., Mayor of the Borough of Dallas, do hereby proclaim May 30 as Poppy Day in our borough and I urge all citizens of our town to join with me in the wearing of this Memorial Flower as together we remember the sacrifices of so many in defense of our freedom.

Poppies are being distributed by the children of the Dallas School District and will also be available from auxiliary members prior to the Memorial Day Parade.
