

A rider in the endurance motorcycle event last year hits a rough spot in the course. A spectator stands in the background.

## Enduro Riders set for National Event

Spectators who watched last year will have the opportunity again to see the thrilling National Motorcycle Event, held for the second time in the Back Mountain area June 7. The Back Mt. Enduro Riders, preparing for the endurance event of national proportions, have already received entries from New Jersey, New York, Illinois, Virginia, Ohio, Massachusetts, Kentucky, Tennessee, Delaware, Michigan and many parts of Pennsylvania.

The event will begin at Kunkle Community Hall, Kunkle, approximately three miles north of Dallas, about one mile west of Rt. 309, at 8 a.m. It will be 100 miles through the woods, fields, streams, secondary roads, swamps and Back Mountain terrains, and will last from five to six hours. About 400 to 500 riders are expected to participate.

Buses will be available to transport spectators who can watch the riders at areas designated by officials. Refreshments will be available all day during the Enduro. Breakfast and dinner will be served.

Riders are all members of the American Motorcycle Association which sanctions the event. Many of the riders are businessmen, well respected by everyone. Most of them are seldom seen on the highways. They are "off-the-road" enthusiasts who transport their machines to each event. The Back Mt. Enduro Riders are well-known throughout Wyoming Valley and the Back Mountain. They have sponsored several events in the past and have performed many times.

The 100 mile National Event is not a race, but a test of skill,

ability and endurance of riders and their machines. An average speed of about 20 miles per hour is predetermined. There are signs posted where that average is too fast for safety. Riders lose points if they exceed the average.

Check points unknown to the riders are located at various spots where personnel using stop watches know exactly when the rider is due. The rider is penalized if he is too early or too late. Arrows mark the way for the full course.

All riders must wear protective clothing including helmets, eye protection, protective pants, shoes, gloves and jackets. The motorcycles are subject to inspection.

Riders under the age of 21 must have authorization of parent or guardian. Special classes are available for riders over 45. Powder puff entries are also accepted.

Permission is obtained from all property owners for a sponsored event and riders must accept all responsibility for any injury they may receive.

### softball plays

June 22

The Back Mountain Church Softball League has scheduled its first game June 22. All team representatives will meet June 13 at the Lehman Fire Hall. Each team must present a 25 man roster and a \$5 entry fee. For more information about the league, contact Kenneth Miller

## Dallas Rotary leads league, 3-0

A total of five games were played in the third week of Back Mountain Little League play. Dallas Rotary holds the lead in the league with 3 wins, 0 losses. Westmoreland and Dallas Suburban have 3-1 each.

Dallas Suburban and Shavertown met on a rain-soaked field. Lozier went six innings, and for the second time this season, did not figure in the decision. The score was tied after six and Eckman came on in relief to pick up a 3-2 win.

Zumchek started for Shavertown, relieved by Jones in the seventh, with Jones taking the loss.

Farrar and Stevens had two hits apiece for Suburban while Deving picked up three hits for the losers.

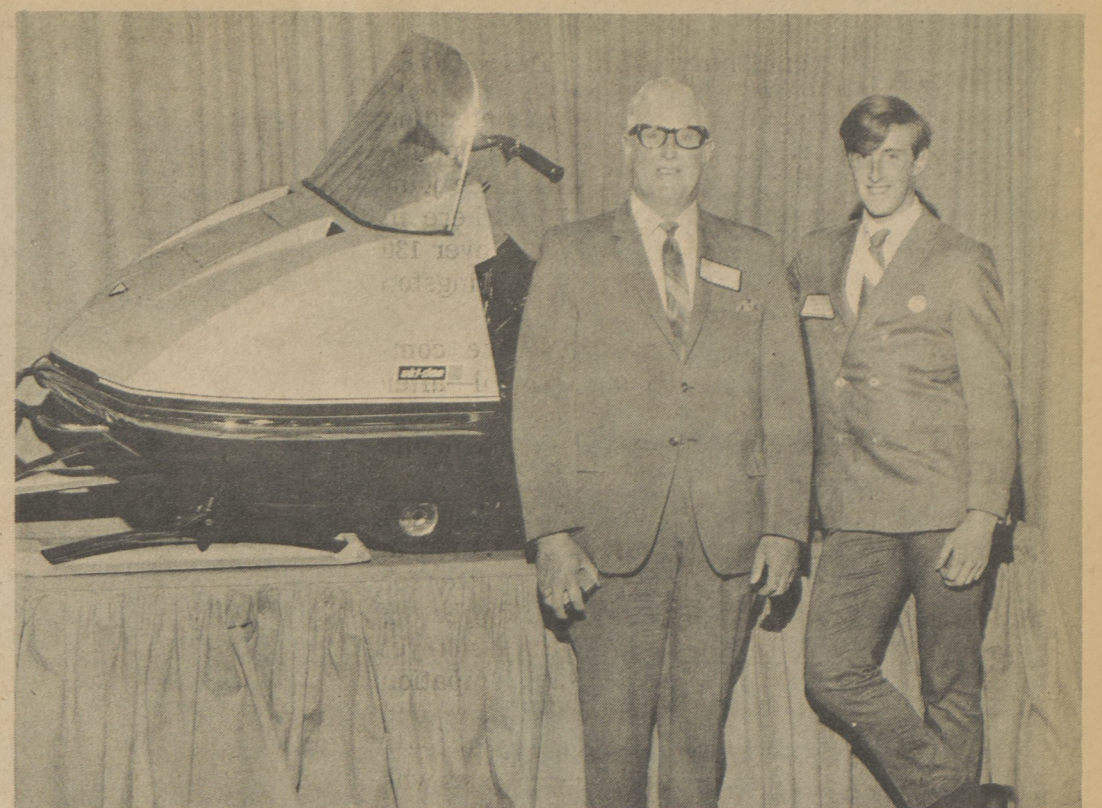

Tuesday night, Dallas Rotary played Trucksville. Reese started for Rotary with Regan coming on in the fifth. Hazeltine went two for two, with two walks in four trips for Rotary. Rose started for Trucksville with Supulski in the fifth. Rose

was a loser, Reese was a winner by a score of 8-2.

Wednesday night, Dallas Suburban was a winner over Dallas Dairy by a score of 5-2. Eckman won his second game in three days, going five innings, with J. Kapson pitching the sixth frame. Dairy gave it a good run with Soldo the loser. Shiner had a homer for Dairy while Davis picked up two singles in a losing effort.

Thursday night, Westmoreland kept hot bats ringing and handed Trucksville their second loss of the week by a score of 9-7. Dave Jones picked up his third win of the young season as all the Westmoreland boys saw action. Supulski, Rose and Hislop turned in a good performance for Trucksville.

Friday night saw Shavertown break into the win column with a 6-4 decision over Lehman-Jackson. Zumchek and Devine shared the pitching honors with Zumchek a winner. Yankowski, for L-J, had two homers and the L-J infield played steady ball.

Next winter's snow may be several months away, but that didn't dampen the enthusiasm of Charles Long and his son, Jan, Sweet Valley, when they viewed the 1971 Ski-Doo snowmobiles at Kiamasha Lake, N.Y., recently, when the new line was unveiled to more than 300 dealers.

### no reason given Brobst

The question as to why Clint Brobst was dismissed as coach of the Dallas Senior High School basketball team still remains unanswered. The Post learned this week. Mr. Brobst has not received the letter of explanation which was promised to him at last month's Dallas School Board meeting.

At the May 12 meeting, Mr. Brobst himself, as well as several of the 150 citizens present, pressed the school directors for a reason for the abrupt dismissal after 15 years of successfully coaching Dallas' basketball teams. At the meeting, school director Milton Evans stated that he would suggest to the board that they write a letter to Mr. Brobst and release it to news media. Mr. Brobst accepted this proposal, amidst applause from the assembled crowd.

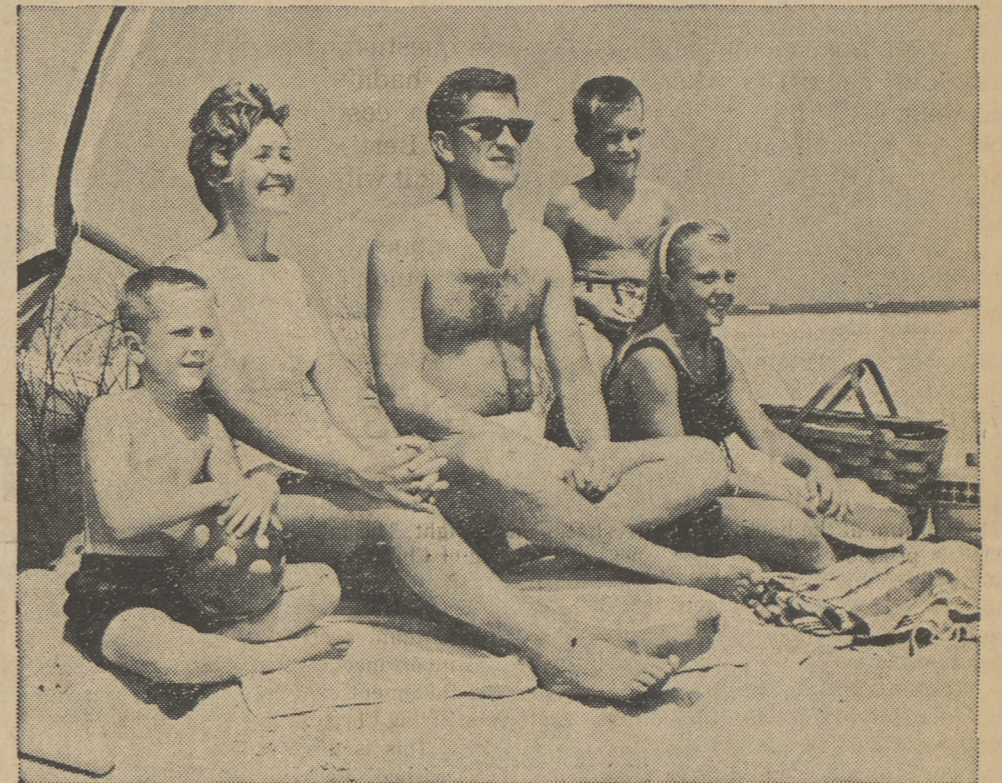

When contacted, Mr. Evans said he has not had a chance to suggest that the letter be sent because the board has been busy working on the budget. He stated that he is still planning to suggest that a letter be written but cannot say when.
