

meet the team at Dallas tonight

Dallas Senior High School football stadium will be the scene of the annual 'Meet the Team Night' tonight at 6:30. Coach Jack Jones has arranged for an intra-squad game to be played, followed by the introduction of players. Sponsored by the Dallas Area Lettermen-Booster Club, the program has become an annual event and provides an excellent opportunity for parents and fans to become better acquainted with team personnel.

The Booster Club will present the first in a series of game films Sept. 8. They will be

shown every Tuesday night during football season. This program, initiated last season, is made possible through the cooperation of Coach Jones and his staff, along with cameramen Tudor Ellis and Joe Katyl. It resulted in football interest reaching an all-time high. Films will be shown at the Brothers Four Restaurant, Main Street, Dallas, starting at 8 p.m.

President Bob Hislop has announced that new membership cards will be available at the meeting. He requests all members to attend.

Baseball's National League East is having quite a race this year. Even though the race has five teams involved, two of those teams have losing records.

Pennsylvania has two teams in the race. It has the current top team, the Pittsburgh Pirates, and the Philadelphia Phillies, a team with a below 500 record. However, the Pirates are losing lately and the Phillies are winning.

At press time, the Pirates were 70-63 for a .526 percentage. The Chicago Cubs were in second place, only one game behind. The New York Mets were one and a half games back. The St. Louis Cardinals were six games back. But the "Fighting Phillies" with a 62-70 record, were only seven and a half games behind.

The team that had the lowest winning percentage, but still won a pennant was the 1959 L.A. Dodgers with an 88-68 record for a .564 winning percentage.

Coach Roland Schmidt of the Wilkes College College had 99 players show up Aug. 31 for the first practice of Wilkes' 25th season.

The Colonels open Sept. 26 with Lycoming College—and they need a new quarterback to replace June graduate Joe Zakowski. The candidates for the position are Dennis Brew, 5-10, 175-pound senior; John Payer, 6-2, 195-pound junior; and Mike Barski, 6-1, a 175-pound sophomore. Brew is the only one with varsity experience.

Wilkes has won 37 out of their last 40 games and has 31 lettermen returning.

Penn State has released its 1970 football preview. Joe Paterno's Lions have many records to uphold this fall. State has a 22-game winning streak, a 30-game non-losing record and 31 consecutive non-losing seasons dating back to 1939. The Lions have had two 11-0 seasons in a row and two Orange Bowl victories.

Concerning the winning streak, Coach Paterno said, "We have enough problems with things we can do something about. If you get worked up over a winning streak, all of a sudden you don't have one. We don't want to manufacture problems. I expect the 1970 team to have the same major quality others have had in the past—pride in themselves, pride in winning. Other things generally fall into place. You have to develop poise—that comes with experience."

Among the problems facing State this year, is finding a quarterback to replace Chuck Burkhardt, an average passer, but a good field general with an all-winning record in college starts. The Lions have senior

Mike Cooper and junior Bob Parsons. In last spring's Blue-White game, a scrimmage concluding spring practice, Cooper completed 11 of 22 passes for 191 yards and four touchdowns and Parsons was 15 of 20 for 267 yards and three touchdowns.

Another questionmark for State will be the defense. The 1969 defense not only stopped opponents, but could also score on them. The unit had three All-Americans (Mike Reid, Dennis Onkotz and Neal Smith) and played together for three years. They also stayed healthy.

What about this year? Paterno has made some switches to strengthen the defense. Senior Charlie Zapiec has been moved from offensive guard to inside linebacker and Gary Hull from defensive end to outside linebacker. Mike Smith will return to the secondary after being a linebacker for a while.

The offense appears to be much stronger this year. The team will pass more this year and Cooper, Parsons and sophomore John Hufnagle are good runners. Franco Harris and Lydell Mitchell should have fine years running for yardage and catching passes on plays during which they flood zones after coming out of the backfield.

The schedule is going to be tough this year because all opponents will have two common objectives—to beat the three time Eastern champions and to end the nation's longest winning streak.

Navy is the Lion's opening game opponent at Beaver Stadium on Sept. 19. Navy should be an improved team because it had an undefeated Plebe team last fall. The Midshipmen have also scheduled Colgate on Sept. 12 to free them of opening game jitters.

Colorado will try to get revenge for the Big Eight at Colorado on Sept. 26. The Lions travel to Wisconsin on Oct. 3 and to Boston College on Oct. 10. Top rival Syracuse will invade Beaver Stadium for Homecoming on Oct. 17. Syracuse will try to avenge last year's 15-14 defeat.

State travels to Army on Oct. 24th and returns home to play West Virginia on Oct. 31. The Lions play Maryland away on Nov. 7 and entertain Ohio University on Nov. 14. This is Band Day, on which high school bands from throughout the state assemble and put on a combined half-time show. The regular season ends on Nov. 21 when Pittsburgh plays at State in the traditional game.

One of the true tests of the individual 4-H dairy club member's effort is the winning of the Master Fitting or Master Showmanship award. Winners selected from Luzerne County included Leslie Ann Goeringer, RD 3, Dallas, Marianne Stefanowicz, Harveys Lake, and Andrew Gallagher, RD1, Dallas, Master Showmanship; Leslie Ann Goeringer, Harveys Lake, Master Fitting.

Luzerne County was declared the winner of the Good Housekeeping award in which all counties participated. Judgement was made on the basis of the manner in which the counties kept their area in a neat and orderly manner.

Blue Knights open season

Marv Antinnes, Wyoming Seminary's director of athletics, has been running a football camp for the Blue Knights prior to their 1970 season. The Seminary Knights enter the 1970 pigskin campaign with an impressive 7-0 record from last year. Marv says it won't be so much a question of how to improve on that record as how to maintain it.

Coach Antinnes' camp started Aug. 31, and will end Sept. 5 with a pre-season varsity scrimmage on the fifth.

Seminary's pre-season opener will be the Perkiomen School Sept. 19 in Pennsburg. The football schedule at Seminary will continue through September and October, and will wind up with the homecoming game against Blair Academy of Blairstown, N.J., Nov. 7.

The new Wilkes courts are coming along fine. The courts are painted green with red trim. What an improvement over the washboards that were there!
